

### Eisenhower Sleeps Better Since Stitches Removed

Washington — (AP) — President Eisenhower spent another comfortable night at Walter Reed hospital, sleeping "much better" since the deep wire stitches were removed from his surgical scar.

The 8:05 a.m. (EDT) medical bulletin issued at Walter Reed hospital said:

"The President had another comfortable night. He slept almost continuously for nine hours. His temperature is 98.2, pulse 78, blood pressure is 112-68, and respiration, 18, all of which are normal. He is holding his previously announced weight.

"His condition continues to progress very satisfactorily. His morale and his spirits are high."

The wire stitches were removed Sunday. Since then Mr. Eisenhower has been sleeping longer and better, White House press secretary James C. Hagerty said. Tuesday night was the third night in a row the President slept almost continuously for nine hours.

The President is getting in shape to "walk out" of the hospital this week end by eating a steak twice a day and walking as much as he likes in his hospital ward.

Besides walking from his bed to a chair for his three meals each day, Hagerty said the President also takes other walks into the living room and sun porch off his bedroom.

Hagerty has said the chief executive will "walk out" of the hospital sometime between now and the week end.

### Roosevelt To Wed Secretary Sunday

Los Angeles — (AP) — Rep. James Roosevelt (D-Calif.), and his personal secretary, Mrs. Gladys Irene Owens, will be married here Sunday, according to friends of the couple.

The wedding date was revealed Tuesday within a few hours after Mrs. Romale Roosevelt obtained a final divorce decree from the eldest son of the late President. Mrs. Roosevelt had petitioned for the final decree Monday after she was awarded an uncontested divorce last year.

The United Press revealed exclusively May 18 that the lanky Democrat planned to marry his secretary. The ceremony will take place at the home of his Episcopal pastor The Rev. George Lyon Pratt.

Mrs. Owens originally was named as a correspondent by Mrs. Roosevelt in a divorce complaint.
