

Bethany Church Is Setting For Stewart-Webb Service

Rogue River — Bethany Presbyterian church in Grants Pass was the setting Friday, June 15 at 8 p.m. for the wedding of Miss Barbara Helen Webb and Robert Ray Stewart. The Rev. J. A. Marquam officiated at the double ring ceremony.

Miss Webb is the daughter of Mr. and Mrs. Le Roi H. Webb, 140 Cedar street, Rogue River, and Mr. Stewart is the son of Mrs. Earl Morgan, 620 Rogue-lea lane, Grants Pass.

Given in marriage by her father, the bride wore a ballerina length gown of white nylon lace over net fashioned with fitted bodice and three-quarter length sleeves. She wore a fingertip net veil fastened with a lace headpiece. Her bouquet was of white carnations centered with a white orchid.

Miss Jaren Marie McCoy, maid of honor, wore a dress of pink nylon net with ballerina length full overskirt. She carried a matching bouquet of pink carnations.

The three bridesmaids, Miss Charlotte Wise, Miss Kay Williams and Miss Sue Perry, wore dresses fashioned as Miss McCoy's in yellow, orchid, and green. They carried nosegay bouquets of carnations.

Large baskets of pink roses, white double syringas and Ester Reed daisies and jardiniere of roses decorated the church. Mrs. Esther Shock, past president of the Laurel Garden club of Rogue River, and Mrs. Charles Forsyth, grandmother of the bride, were in charge of the decorations.

Best man was William Lofton, Dallas. Ushering were Donald Stewart, brother of the groom, Charles Webb, brother of the bride, and Ernie Clark.

Mrs. Robert DeArmond was soloist, accompanied at the organ by Mrs. Howard Harrison.

For her daughter's wedding, Mrs. Webb chose a white and pink flowered dress of glazed cotton, worn with white accessories and a pink carnation corsage.

Mrs. Morgan wore a fitted suit of pink linen with white accessories. Her corsage was of pink carnations.

Immediately following the ceremony a reception was held in Bethany House for more than 100 guests.

The cake was served by Miss LaRea Dennis while Miss Arlene Webb, sister of the bride, was in charge of the guest book. Coffee was poured by Mrs. Charles Webb, sister-in-law of the bride, and Mrs. Joe Allison presided at the punch bowl.

Following the reception the bride changed to a pink wool suit which she wore with the white orchid from her wedding bouquet. After a wedding trip to California they will be at home at 311 SW K street, Grants Pass.

learn to adjust to new acquaintances among counselors and campers. For many campers it is their first experience away from home and family, and a longer period at camp gives them a chance to fully develop personal responsibility away from home, it is said. Whatever the length of the camping session Girl Scout camps will continue to be operated as inexpensively as possible to be within reach of as many girls as possible," the statement concludes.

Camp Low Echo will be ready to receive campers for the first session Sunday, July 8. Camping will start for the girls as soon as they board the bus which leaves the Greyhound station in Medford at 12 noon. Girls are asked to be at the station one-half hour before departure.

The scout office reports that there are still openings in all sessions for both scouts and non-scouts.

Freezer Tips
An easy early coffeecake is only a few minutes away from your table on Sunday morning if you buy and freeze it a week or two ahead. Thawing isn't necessary; it will be fresh and hot after 10 min. in a 400° F. oven. Besides helping you avoid crowds in stores, your freezer lets you buy a variety of baked goods — cakes, cookies, rolls, muffins, brownies, cupcakes — so you'll have whatever the family wants at a moment's notice. Wrap baked goods in freezer paper; freeze. Heat in oven or simply thaw at room temperature.

Children Afraid of Too Much Freedom, Educator Declares

Champaign, Ill. — (U.P.) — A University of Illinois educator says every child fears too much freedom—although some parents may be amazed to hear this. Dr. J. Richard Suchman, a child development specialist, said that even when a child breaks rules and misbehaves, he

wants to know someone will keep him from going too far. "Every child needs and wants limits and standards," Suchman said.

But understanding and moderation must always go with discipline, he added. A father's job is like that of an official in a football game; if he doesn't enforce the rules, chaos results. But if he constantly blows the whistle and gives penalties, the players become confused.
