The event is one whereby passing motorists have the opportunity of seeing an active community effort. Food was supplied by the Roguedale Cash market.

TABLE ROCK Family Leaves for Kansas

Table Rock — The Bishop family, with a truck and trailer load of household goods and equipment, left here Thursday morning on the long trek via Ontario, Ore., to their new home in Kansas City, Kan. The truck and equipment were to be left at the Cliff Bishop place in Ontario.

Bill will be working with an uncle who is in the lumber and farming business at Kansas City. According to Bill his uncle does very little with his three farms, as farming there is not what it used to be.

The Bishop family have been residents of our community for several years, Mrs. Bishop having lived here most of the time since a small child. She and her children have been regular attendants at the local Sunday school where they will be greatly missed.

The Table Rock Sunday school held last Sunday's session with the Meadows Sunday school at their meeting place, a modern unoccupied home on the Bishop farm.

Several parties from other parts of the valley and state were here the last few days looking for houses to rent, and others for small farms of a few acres that could be purchased. One lady looking for a farm, remarked that the farming game at present is pretty tough, and two or three acres would be enough for her.

Mr. and Mrs. Alan Hill and family of Central Point were visitors here Tuesday. Mr. Hill is the American Sunday School union missionary for southern Oregon, and is assisting with sessions of the daily vacation Bible schools in this area. He reports several new Sunday schools organized during the past year with a substantial increase in members.

Mr. and Mrs. Dan Sage and son Mike of Coquille, Ore., were recent visitors here with relatives. They were to leave in a few days by train for Chicago, Ill., where Dan will enroll in the University of Chicago, where he will study for a Doctor's degree in teaching. Dan is one teacher who likes his work,

and says he enjoys it very much, claiming he knows of no occupation more interesting to him, although the pay is not so remunerative as some others.

The Sage family will ride to Chicago in a dome-top train car and will return in a new school bus purchased for the school district, so expect to get a wonderful view of the country both ways.

The Orage Houston family of Trail were Sunday visitors here with relatives.

An event of interest to many local people was the wedding of Miss Bobbie Jean McDonald, who became the wife of Alvin Splithoff, in a ceremony June 22 at the Foursquare church in Medford. The Rev. R. H. Mathewson, pastor of the Church performed the ceremony in the presence of many friends.

H. W. Davison underwent surgery last Tuesday, and is getting along as well as could be expected.

Mrs. J. S. Richardson, corresponding secretary of the Oregon Retired Teachers association, will leave Sunday for Portland to attend a meeting there of the organization.

News of the marriage of Manley Jacobson, one of Table Rock's eligible bachelors, to Jess Lewis of Arcadia, Calif., came as a surprise to his many friends here. The wedding ceremony was performed in Carson City, Nev., by the Rev. Harvey, at his home June 11. We join with other friends in wishing them happiness.

Two youngsters will be added to the local population, Judy and Jerry Lewis, age 10 and 12, who will make their home with the newlives.

Mrs. Nels Jacobson, Manley's mother, has acquired an 8 by 40 foot house trailer with the latest equipment, where she will reside after the newlives get settled in the farm dwelling.

A going away party arranged by Mrs. Aubrey Taylor and Mrs. R. E. Nealon for the four little girls of the Bishop family was held June 16 at the R. E. Nealon home and attended by some 13 little girls of the community.

Two Dead, 700 Homes Damaged in Floods

Tokyo —(U.P.)—At least two persons were reported dead and more than 700 homes damaged Saturday from torrential rains and floods in Southern Japan.

The Tokyo Meteorological Observatory predicted the rains would continue for another day or two.

The rainfall ranged from nearly an inch in Fukuoka City to more than eight inches on the south of Kyushu, Japan's southernmost island.

GRANTED PERMISSION

Oakland, Calif. — California Life Insurance company Oakland, Calif., has been granted permission to operate in Pennsylvania and Oregon, Orville F. Paris, president, has announced. The company writes all forms of life, accident and sickness, and group insurance.

The reported sale of the Taylor pickle business is erroneous, according to members of the family, and probably came from the fact that Taylor is not growing any cucumbers this year.

Mrs. Fred Middlebush of the Middlebush Real Estate firm in Medford was a local visitor Thursday. She says they find plenty of people wanting homes and farms, but most of them are a little short on the down payment.

Mrs. Pearl Brown of Paradise, Calif., mother of Everett Brown, is spending a few weeks at the Brown farm.

Tallahassee's Busses Stop; Negro Boycott

Tallahassee, Fla. —(U.P.)—Tallahassee's busses stopped rolling at midnight last night as a result of a five-week Negro boycott protesting segregated seating practice.

City commissioners rejected a final proposal in the tug-of-war with a firm "no" to demands of the Negro Inter-Civic Council for integrated seating. Leaders of the council have been furnishing transportation for Negro boycotters.

Transit Manager C. L. Carter said the company will suspend service indefinitely, leaving the city's 48,000 residents without any public transportation except for taxi cabs.

Carter said the company suffered a 60 per cent less since most of the city's 14,000 Negroes stopped using the buses May 28.

The construction of several huge woolen mills in South Carolina has made Charleston a leading port of entry for raw wool. Most of the wool comes from Australia and New Zealand.

PROVED BY MILLIONS

A GENTLE NATURAL WAY TO BREAK THE LAXATIVE DRUG HABIT

Try All-Bran and Milk
nature's great food combination

for constipation due to insufficient bulk

Delicious, appetizing—solid nutritional benefits

Nature never intended that we continually prod our digestive system into action with doses of drug-type purgatives, pills and powders.

Yet many folks (perhaps even you) still think nothing else will give them relief from irregularity. But there is another way—a safe, gentle way, proved by millions.

You simply enjoy a bowl of Kellogg's All-Bran and milk every morning. Or before bedtime at night. This pleasant, delicious and inexpensive cereal supplies all the good food bulk you need daily to keep regular.

All-Bran is a natural food remedy. Eaten daily, it corrects a rather common cause of constipation—lack of bulk in the things we eat. Chemical and drug-type laxatives usually contain no bulk (since they are for temporary relief only). So you cannot expect these preparations to overcome constipation due to insufficient bulk.

The Flavor Best Liked by Millions. W. K. Kellogg originated All-Bran over 40 years ago. He aimed to improve the flavor and eating qualities of whole bran without taking away any of the effectiveness of the natural laxative bulk.

He accomplished both. On taste alone, many people prefer All-Bran to any other cereal. And because it gets at the cause of irregularity due to lack of bulk (the gentle roughage that keeps us on schedule), All-Bran has literally helped millions who have made it a part of their daily diet.

There is nothing mysterious about this. All-Bran is a good wholesome food. It is made from the outer layers of whole wheat. A serving a day with milk provides not only bulk, but valuable food essentials—including vitamins, minerals and high-quality protein.

So if you suffer from constipation caused by lack of bulk... if you long for freedom from the laxative drug habit, try Kellogg's All-Bran and milk every morning for 10 days. Just eat an average serving (about half a cup of All-Bran). See if you don't enjoy comfortable, natural elimination once again.

If you are not fully satisfied for any reason whatsoever, simply return the empty All-Bran carton and get twice what you paid. That's a promise from Kellogg's of Battle Creek, Mich.
