

USC Alumni Propose Divorce If Penalties Not Lessened

Los Angeles—(U.P.)—University of Southern California alumni today proposed that unless presidents of Pacific Coast Conference schools modify the penalty against their school the Trojans should leave the conference.

Although dozens of secret meetings of alumni groups both of UCLA and Southern California were reported, no overt steps were taken by the graduates who for the time pinned their hopes on the stand of USC's President Fred D. Fagg Jr.

Fagg said as a member of the president's council he will propose a "re-examination of all sanctions taken against member schools—particularly individual athletes who have not been responsible for the present situation."

Public indignation was indicated by the action of the Los Angeles Herald-Express, which printed a ballot on its front page for readers to vote on the question "Should SC and UCLA quit PCC?"

Feelings against the conference had been high when UCLA was slapped with fines of \$95,000, banned from the Rose Bowl for three years and penalized a year of eligibility for all its football players.

But the feeling of bitterness reached a new high with the week-end announcement Southern California had been fined \$53,400, banned from the Rose Bowl for two years and 42 of

SPORTS

its football squad members penalized a year's eligibility.

With the \$25,000 fine levied against California and the \$52,000 assessed against Washington, the conference has slapped fines of \$235,000 against the four schools.

"If the conference refuses to adopt a new, realistic program, I say we should get out," declared Jim Hardy, former star quarterback for the Trojans and later in the National Pro Football league.

All-America halfback Jon Arnett, expected to be the mainstay of the 1956 team, bitterly declared he would never recommend to a youngster that he enter a PCC school. Arnett believes he is among those hit by the eligibility ban and said if it's true he may go to Canada to play pro ball.

Rose Chairman The conference rule drew criticism from another quarter as Lathrop K. Keishman, football chairman of the Tournament of Roses Association, said the Rose Bowl game would suffer because of the ban against UCLA, USC and Washington.

"It seems extremely unfortunate that the Rose Bowl game should be included in the penalties," he said. "I hope when the PCC presidents review these cases they will lift the Rose Bowl ban."

USC Coach Jess Hill's reaction was that it was "regrettable that so many fine young men should lose their eligibility."

Deputy Dist. Atty. J. Miller

Leavy, who first exposed that Southern California was equally guilty of "under the table" payments to athletes, said he regretted the penalty against USC and also California was to demonstrate UCLA was no more to blame for violating the unrealistic athletic code than many other schools.

Champ High In Publinks

San Francisco—(U.P.)—Sad San Kocis, for a decade one of the top public links golfers in the nation, goes out today in the second round of qualifying for the national public links championship to see if he can win the right to defend his 1955 title in match play.

The Detroit star, brother of former Walker Cup ace Stan Kocis, shot a ballooning 77 Monday in the first round and trailed the first day leaders by eight strokes.

"But I promise that I'll shoot better today," he said before teeing off on the damp and dank Harding Park course that won a battle of par from 145 out of 150 shotmakers Monday.

The first day leader turned out to be chunky Scotty McBeath, a sporting goods salesman from Palo Alto, Calif., who has been one of the top amateurs in Northern California for several years. He shot a 34-35-69, the only man in the crowd able to crack the magic 70 mark on a course that read 36-36-72 for par.

Only three men besides McBeath were able to crack par. They were Dick Stearns, the Air Force champion from Portland, who had a 70; Fred Corvi, San Francisco bus driver, also with a 70; and Verne Callison, 37-year-old Sacramento saloon owner, who had a 71.

Troy, Luedee Rematched

New York—(U.P.)—Middleweights Willie Troy and Jerry Luedee were rematched today for another TV 10-rounder at St. Nicholas Arena, Aug. 13 or 20, because of Monday night's close fight which Troy won on an upset majority decision.

Troy of Washington, D.C., scaled 161 3/4 pounds to 163 1/4 for Luedee of New Haven, Conn.

Judge Leo Birnbaum favored 23-year-old Troy on rounds, 6-4; but Judge Frank Fullam called it a draw after voting 5-5 on rounds and 5-5 on points. Referee Dave Feld also voted 5-5 on rounds, but favored Troy on points, 8-6. The United Press called it a draw 5-5 and 5-5.

Washington Willie, who went into the ring a 2-1 underdog in a late betting switch, said today, "I'll win more decisively next time. I'll go after his body earlier with left hooks."

Rangy, brown-haired Luedee declared, "I should have knocked him out last night, but I was concentrating so much on my new left hook to the body that I didn't use my right enough, particularly with one-two's. I'll take him out next time."

It was Troy's 33rd victory in 39 fights, and Luedee's third defeat in 23.

May Restore Service Credits

Washington—(U.P.)—A move has been approved to incorporate Korean and other military service into the players' pension plan.

The major league executive council and the pension committee both approved the recommendation.

In 1951 the plan was amended to eliminate credit for military service for players entering military service after Sept. 30, 1951. After a re-study of the plan, Baseball Commissioner Ford Frick recommended that military service credits be restored.

The pension committee, consisting of John Galbreath of the Pirates, Joe Cronin of the Red Sox, Bob Feller of the Indians and Robin Roberts of the Phillies, met Monday and tentatively agreed that the program submitted by the committee should be presented to the 16 players' representatives.

Chancellor Reprimands Cal Coach

Berkeley, Calif.—(U.P.)—Chancellor Clark Kerr of the University of California has publicly reprimanded Football Coach Lynn Waldorf for giving illegal aid to athletes.

Kerr administered his reprimand in a letter made public yesterday. He said the letter served as official notice that such conduct violating the Pacific Coast Conference code "will not be tolerated if it should again occur."

At the same time, Kerr said he appreciated Waldorf's "truthfulness in admitting to violations, your stated willingness to comply with Conference rules and their intent, your ready correction of apparent violations in the past when called to your attention and your position in competition with certain other conference schools with practices clearly in defiance of conference rules."

Kerr said UC will continue to be "strict compliance" with the PCC rules no matter how difficult it may be to do so.

Waldorf replied in a letter, also released by the university, saying he regretted that "any actions or mistakes of mine have caused embarrassment."

He offered no excuse except that the violations in question were individual cases of genuine need and that "no promise of tuition help was made... as an inducement... or reward."

Kerr's reprimand followed a \$25,000 fine levied against California by the PCC. Meanwhile, Paul Hastings, executive director of the associated students, and Athletic Director Greg Engelhard, declared that Waldorf will coach the Bears this fall.

COLLEGE HURLER SIGNED

Kansas City, Mo.—(U.P.)—The Kansas City Athletics have signed 19-year-old pitcher William Patrick (Lefty) Corrigan, who played high school ball in Baltimore and college ball at Johns Hopkins University. Corrigan is scheduled to report today to the Grand Island club in the Class B Nebraska State League, composed mostly of non-bonus college and high school students.

NO RESERVED SEATS

The front office of the Washington baseball club keeps getting requests for reserved seats behind second base. But there are no reserved seats among the tiers of bleachers back there. The choice spot back of center is populated by the centerfielder, and he needs no reservation.

The U. S. Department of Agriculture has developed a simple soaking process which enables home owners to treat their own fence posts against decay.

Bogan Leads PGA Play At Prineville

Prineville—(U.P.)—Pete Bogan of the Eastmoreland course, Portland, winner of Sunday's Prineville Invitational Pro-Amateur tourney, continued to dominate play at the Prineville links today.

The veteran golfer paced the field in qualifying play in the Oregon PGA match-play championships yesterday, turning in a five-under par 63.

Then he moved out in the afternoon's first round of match play to defeat Bill Wilkinson, Redmond, 1 up.

Eddie Hogan, of Riverside Golf and Country club, Portland, followed Bogan in the qualifying play with 65.

Tom Marlowe of Eastmoreland led the field in the afternoon's match play, carding a six under par 62 in defeating Harvey Hixson of Eugene, 6 and 5.

Bunny Mason, Salem, the third low qualifier with a 67, advanced with a 2 and 1 victory over Bob McKendrick of Oswego and Larry Lamberger of Portland Golf club edged Einar Allen of Bend, 1 up.

Wendell Wood of Eugene scored a hole in one on the 134-yard fourth hole yesterday but still lost, 3 and 2, to Bill Johnson of Riverside.

Maurice Harper Draws Sentence Of Year in Jail

Oakland—(U.P.)—Maurice Harper, who outpointed Joe Miceli of New York in a nationally televised bout last Wednesday night, was sentenced to a year in jail yesterday after being found guilty of vagrancy.

Harper was convicted of the charge May 25 but sentence was delayed by Municipal Judge Edward J. Smith so the welterweight boxer could go through with his bout with Miceli. Harper won a unanimous decision.

At the time of his conviction, Harper was in the second year of a three-year probation granted to him in federal court where he had pleaded guilty in June of 1955 to charges of mail theft.

Harper is managed by Sid Flaherty, who rates him the best fighter in the welterweight division.

Meadows Slates Eighth Futurity

Portland—Portland Meadows enters its final week of a 50-day spring horse race meeting, with the eighth running of the "Oregon Breeders Futurity" to decide the final stakes program of the meeting.

A special race matching both quarter horses and thoroughbreds is scheduled for Friday, July 13, at a distance of one-half mile.

The futurity is styled for 2-year-olds, bred in Oregon, and will be contested at a distance of five furlongs for a purse of \$1,500 added.

They were 36 nominees at the close to the final date and a full field is expected to face starter Gloyd Young.

Glen Dixon rode seven more winners at Portland Meadows last week to retain his lead as the top jockey for the season at the Meadows.

Dixon now has 42 wins, 41 seconds, and 57 thirds.

Bunched behind the leader are Lonnie Knowles, Stan McDowell, Dewey Henshaw, and Pete Hidalgo. Knowles and McDowell have each won 37 races, Henshaw 34, and Hidalgo 32.

Dead line Sunday Classified is at noon Saturday; 10 a.m. Monday for Monday; other days 5:30 previous day

Nixon To Stop Over On Spanish Island

Palma De Majorca, Balearic Islands—(U.P.)—Vice President Richard M. Nixon makes a brief stopover today on this Spanish island resort on his way back to report to President Eisenhower on his goodwill tour of Asia and the Far East.

Nixon was scheduled to arrive here this afternoon from Ankara, Turkey. Nixon and his wife, Patricia, were the overnight guests in the Turkish capital of President Calal Bayar of Turkey.

Informed sources said Spanish Foreign Minister Alberto

Martin Artajo would probably fly here from Madrid to confer with the touring vice president. U.S. Ambassador to Madrid John Davis Lodge flew here this morning to greet Nixon and his party whose tour has taken them from Washington across the Pacific to the Philippines, Formosa, South Vietnam, Thailand, Pakistan and Turkey.

Most bank run gravel in North Dakota is too dirty and too fine to make strong concrete.

Puff Derby Ends Today

Flint, Mich.—(U.P.)—The 10th annual "Powder Puff Derby" ends late this afternoon with the majority of the 48 planes left in the transcontinental race still far from the finish line.

Ten more entries in the all-woman air race landed at Bishop Field here yesterday to boost the number of finishers to 16.

The 32 contestants who have not finished were reported scattered across the country at nightfall when the little ships are forced to bed down for the night since no night flying is permitted.

The race began with 49 entries but one craft dropped out because of engine trouble. Of those who still must finish, 12 are at Fort Wayne, Ind., four at Urbana, Ill., and 16 at Columbia, Mo.

Among others who finished yesterday were: Mrs. Darline Sanders, Lemon Grove, Calif., and co-pilot Mrs. Ruby Potter, San Diego, Calif.; Mrs. Randa Sutherland, Albuquerque, N.M.; Mrs. Marian Craver, San Diego, and co-pilot Mrs. Betty Lambert, San Diego; and Mrs. Frances Bera, Los Angeles, and co-pilot, Mrs. Edna Bowers, Long Beach, Calif.

Mrs. Bera and her sister, Mrs. Bowers, won the race last year.

RYAN DIES

Sacramento, Calif.—(U.P.)—John Buddy Ryan, who played for Boston and Cleveland in the American League, and later served as manager of Sacramento in the Pacific Coast League, died at the age of 70 Monday. He was a native of Plainville, Kan.
