Picnic Held At TouVelle Park For Foster Kids

The Foster Parents club in Medford held a picnic Saturday afternoon at TouVelle park for their children, the parents in the club, and the Jackson county child welfare staff.

Robert Jones, executive secretary of the YMCA, was in charge of the recreation and many organized games were planned for the youngsters.

The Foster Parents club, started in January, is an organization composed of those parents who have offered their homes to children who are unable to remain in their own homes due to family hardship or by court action. These children are not up for adoption.

Before a home is eligible for these children, they must meet certain standards set up by the Welfare department and the Oregon state laws.

The only group of its kind in Oregon organized by a Public Welfare department, the Foster Parents club meets monthly so they may become better acquainted with other foster parents and the agency staff.

At the present time approximately 70 children from 3 months to 17 years in age have been placed in these temporary homes in Jackson county. Some of these children are placed only during the summer months

to San Diego this fall where he plans to continue his studies.

No date has been set for the wedding.
