

### ILLINOIS VALLEY Tally Non-Oregon Visitors

By FRANK STRICKLAND  
Cave Junction—According to Cave Junction motel operators, 216 out of state persons made overnight stops in this area Monday. The spot-check was made to acquaint the local chamber of commerce and others who may be interested in the summer volume of travel passing through the city. Although the valley has been very warm the past few weeks, southbound travelers report encountering "much warmer" weather elsewhere in the Pacific northwest.

The Illinois Valley Chamber of Commerce, in co-operation with Cave Junction businessmen, has inaugurated a plan to further advertise this valley as a resort region. Each Friday between 2 and 4 p.m. throughout the summer, Police Chief Don Holten is instructed to stop at least one touring motorist and extend to him an invitation to spend the night and following day as a guest of the city. The visitor and his party receive free lodging at one of the valley's motels, a trip through Oregon Caves, meals and gifts of merchandise at the hands of an official welcoming party who presents the surprised traveler with a "Key to the City."

With four efficient fire-fighting organizations standing by here in the Illinois Valley, fires in all classifications are being kept under control. There are reports come from the Illinois Valley Protective association, the I.V. Rural Fire Protection district, the State Forest Patrol station, U.S. Forest Service and the independently equipped fire-fighting crews of the logging and milling industry. Also stationed here are smoke jumpers who parachute to inaccessible spot fires. Word has been received from Sen. Dick Neuberger, co-author with Sen. Wayne Morse of a bill to grant a federal charter of incorporation to the Veterans of World War I, that he believes favorable consideration will be given the bill before adjournment of congress. Federal charters have in the past been granted to such other veterans organizations as the Veterans of Foreign Wars, the Disabled American Veterans, the AMVets, the American Legion, and the Marine Corps League.

Nettle Sowell, operator of the Golden Eagle Service station in downtown Cave Junction, was \$5 richer Wednesday because of her habit of giving the motors of her customers' automobiles a quick once-over while servicing them with oil and water. A well-known fan belt manufacturer sends out a roving driver whose car is purposely equipped with a faulty or badly worn fan belt. Service station attendants who call his attention to the damaged belt get five silver dollars from the "Mystery Car" driver.

Two modern buildings were completed this week at Woodland Echoes, a roadside tourist facility eight miles east of Cave Junction on the Oregon Cave highway. The larger structure is 25 by 30 feet, and will house a cafe and charcoal-broiled steak house, and the smaller building has been equipped to serve as a club room. It is designed and furnished to meet the needs of local clubs and civic organizations. The club room will accommodate approximately 30 persons. It contains a complete kitchen with refrigeration and electric steak broiler. According to the operating-owner, the club house will be available without charge to local and visiting groups. The tourist facility, which is operated principally as a motel, is owned by Mr. and Mrs. Gilbert L. Clayton who came here from North Hollywood, Calif., in 1952.

The Newmann's Cafe at Cave Junction is opening a second

eating establishment at Woodland Echoes court. The new restaurant, which will be called "Newmann's Country Kitchen," will specialize in charcoal-broiled steaks. Mr. and Mrs. Jack Newmann, the owner-operators, came to the valley from Medford, Ore., where Newmann was employed as chef at the country club.

Despite the prolonged heat wave, the east fork of the Illinois river as Cave Junction is carrying approximately one half of its normal flow at this season. The stream, which is clear and cold, varies in width here from narrow rapids to deep, slow-moving stretches up to 100 feet in width. The region's swimming hole on the west fork of the Illinois about 10 blocks from Cave Junction's business district shows little change in its normal size and is accommodating a great many bathers who gather on its sand beach daily.

Cave Junction Postmaster C. Y. Arnold and Mrs. Arnold returned Friday from Portland where they attended a convention of the Oregon state chapter of the National Association of Postmasters. Arnold stated among many subjects discussed at the meeting was the proposed 1 cent increase in first class postage rates. He stated a bill approving the increase had already passed through congress and is now pending action in the senate.

Mr. and Mrs. Luther C. Sherrier Sr., owner-operators of the Illinois Valley cleaners at Cave Junction, are on tour of southwestern Oregon and California. The Sherriers are making a leisurely trip to points of interest combined with short visits with relatives and friends along the route. They expect to be away two weeks. The cleaning establishment is being manned during their absence by Mr. and Mrs. Luther C. Sherrier Jr.

According to well-informed keepers of temperature records hereabouts, the weather at Cave Junction Wednesday ranged from 95 to 104 degrees, depending upon location of the thermometers. When the sun went down, however, and the cool, rather chilly, breezes came, arguments over temperatures were dismissed with the general agreement that the day was a "scorcher."

Mrs. Ralph Messenger of Cave Junction has been appointed Josephine county chairman of the Holmes for Governor committee. State Sen. Robert D. Holmes, Democratic candidate for governor, announced recently.

The Oregon Caves, 20 miles east of Cave Junction, operates a scheduled bus service to the caves during periods when the cave is open to the public. The bus, which is operated by Lydon Viel, an Illinois student minister here on summer assignment by the National Council of Churches of Christ in America, meets all Greyhound buses arriving at Cave Junction and transports stop-over passengers to and from the caves. The Oregon Caves is a national monument at the foot of the Siskiyou Range. Many visitors see the caves as part of package tours sold to cross-country tourists who travel by train and bus on sight-seeing trips.

Doctor C. G. Stem, chiropractic physician at Cave Junction, encountered a full-grown rattlesnake near his home on Old Stage rd. east of the city Wednesday. The rattler, a species of snake rarely seen in this section of Oregon, was 25 inches long and equipped, in addition to a full set of teeth, with his share of rattlers and buttons.

Fire destroyed the home of a motel, is owned by Mr. and Mrs. Gilbert L. Clayton on Old Stage rd. last Wednesday. This was the third dwelling house fire—two of which resulted in complete destruction—the Pullens have experienced in the past 12 months.

### PHOENIX Baby Shower Recent Event

By LILLIAN KNIGHT  
Phoenix—A baby shower for Mrs. Don Mitchell was given by Mrs. Earl Davis recently at the Mitchell home. A pink and blue color scheme was carried out, and a miniature basket was used as a centerpiece for the gifts. Cake, jello, and cool aid were served for refreshments. Guests were Mrs. Tom Mitchell and daughter Mary Ellen, Mrs. H. J. Fichtner, Mrs. Harlan Glascock, Mrs. Ada Fowler, Mrs. Gloria Evernden, Mrs. Mark Norton, and Mrs. Bill Ham.

Recent visitors at the Brooks Montgomery home were Mrs. Lelia Jackson, Mrs. Etta Patterson, and Mrs. Willie Robinson of Blackwell, Texas. They were school friends of Mrs. Montgomery, and this is the second time in 47 years for a get-together of the ladies. Mrs. Montgomery visited with them in Texas about two years ago.

Mr. and Mrs. Bill Reed of Grants Pass and Mr. and Mrs. Don Austrum and baby Bobby of Astoria were recent guests at the home of Mrs. Minnie McClain, Mrs. Reed, Mrs. Austrum, and Mrs. McClain are sisters. The Rev. and Mrs. E. J. Clark of Grants Pass, former Phoenix residents, visited friends and attended to business in Phoenix Monday. While they had their car serviced at Johnny's Garage they visited at the Ray Claffin home, the William Hewitt home, the Bert Standliffe home, Mrs. Emma Keith, and Mrs. End Caster. They brought some cherries at the Don Korth orchard west of Phoenix before returning to Grants Pass.

Miss Nelda Wallace, daughter of Mr. and Mrs. Clifford Wallace, is spending the summer with her sister and brother-in-law, Mr. and Mrs. Eddie Steele, in Fairbanks, Alaska. She motored with her parents to Portland and then took a plane from there to Fairbanks.

Mr. and Mrs. R. P. Wolfe are grandparents of a boy born to Mr. and Mrs. Leon Wolfe of Medford. Other new mothers now home from hospitals include Mrs. William Cales with her new son, Mrs. Glen Thompson with her new daughter, and Mrs. Donald

McGeary with her new son.

Mr. and Mrs. Warren Haggard are spending a month in Alberta and Saskatchewan, Canada. They both grew up there and it has been ten years since either of them has been back to visit relatives or friends.

Mr. and Mrs. Porter of Sutherland, Ore., visited at the home of Mr. and Mrs. Carl Christ over the last week end.

Mrs. Enid Caster returned home July 13 from a two weeks trip to St. Paul, Minn., and Bourbon, Mo. At St. Paul she visited a sister-in-law and niece and at Bourbon she visited an old school friend. She was accompanied east by Mr. and Mrs. Ira Brooks of Medford.

Mr. and Mrs. William Cales and new baby boy, who have been staying with her parents, Mr. and Mrs. Earl Hobbs, have moved to a home of their own in Talent.

Mrs. J. H. O'Grady, Perry, Fla., is visiting with her daughter, Mrs. Glen Thompson this month.

Mrs. Charles Bergstrom is home after being in the hospital for medical care. It was previously stated that she was a surgery patient.

Donovan Wolfe is much improved since his throat surgery and will soon be able to go back to work.

Mrs. Clara Bjork is recuperating at home following a heart attack almost two weeks ago. Mrs. Arthur Kane is down from Eugene to be with her mother.

Mrs. Maud Haskins, sister of Mrs. Walker Caldwell, broke her arm when she fell while baby sitting recently.

### County Volunteer Workers for Morse Discuss Campaign

Jackson county volunteer workers for the reelection of Senator Wayne L. Morse, held a series of meetings this week end and named directors of activities for towns in the county, according to Mrs. Edward C. Kelly, county director for the Morse campaign.

They also met with two special activities coordinators who visited Jackson county.

Charles W. Brooks of the Eugene headquarters, director of workers for Morse in the fourth congressional district, who is spending the week end at the Kelly home, met with workers for Senator Morse in Medford, Ashland and other Jackson county areas.

He also conferred with State Chairman Robert A. Boyer and other Democratic party leaders here.

Marshall Swearingen of Bend, meeting here with local farmers and small business men, also discussed plans with volunteer Morse workers following a roundtable discussion of campaign activities at Boyer's office.

County area directors and workers for the Morse campaign include the following: Medford, Cecil Norris, chairman; Margaret McGee, Fred Stevens, Mrs. Moore Hamilton, Max Terzenbach, John Zenor, Cathy Clabby, Mrs. Tom Higgins, Arthur Lusk, Mrs. Max Wimmer, Ashland, R. D. Lamb, chairman; Attorney Sidney Ainsworth, co-chairman; Dr. Arthur Kreisman; Phoenix, Marcus Norton, chairman; Warren Loffer, co-chairman; Rogue River, Larry Sheehan, chairman; Joe Deckelman, co-chairman; Charles McGarvie, Henry Corbin, William Gauthier, Harry White, Coville Hart.

Shady Cove, Ray Briggs, chairman; Prospect, Mrs. Frank Boothby, chairman; Gold Hill, Donald E. Morrow, chairman; Alva Walker, co-chairman; Sams Valley, Mrs. Albert Straus, chairman; Eagle Point, Clarence Davies, chairman; Table Rock, Emmett Nealon, chairman.

### Reese Creek Family Returns From Trip

Reese Creek — Mrs. Jim Martinson and sons returned recently from a trip to California and Texas where they spent six weeks visiting relatives.

Mr. and Mrs. Ben Heffly and Mr. and Mrs. Jim Martinson and children went on a week end camping trip to Hyatt Lake.

Mr. and Mrs. Curtis, son Ben and wife, from Klamath, Calif., were week end guests at the Morris Curtis home.

Mr. and Mrs. Claude Wright and daughter from Montana spent a week with his father, Harry Wright, at Dodge Bridge. A potluck supper was held in their honor. Those attending were Mrs. Harry Wright, Mr. and Mrs. Hugh Huntley and family, Bill Wright and children from Medford, Mr. and Mrs. Morris Curtis and sons, Mr. and Mrs. Ben Gardner and son from Reese Creek. Home movies of the recent flood on the Rogue river were shown.

REDS CLAIM TURBOJET CAR  
London — (U.P.)—Russia's Gorki Motor Works has built an experimental turbojet automobile capable of speeds of more than 300 miles per hour, Moscow radio reported Friday.

Kivett was sentenced by Municipal Judge Warren Lesseg to five days in jail or \$25 fine for having no motor vehicle operator's license and fined \$10 for violation of the basic rule.

He pleaded guilty to the charges.

By E. V. Durning

Continuing the practice of giving hurricanes feminine names, the next to come will be called "Anna." One following will have a name beginning with "B." A group of young women of Manhattan named Barbara have organized to protest against any hurricane being given their name. So the second hurricane may be named Beatrice, Beulah or Betty.

Queries from clients Q. Insofar as apartments are concerned, what is the most fashionable street in Paris? A. The Avenue Foch from the Arc de Triomphe to the Bois de Boulogne. On this some of the wealthiest people in the world have apartments including Aristotle Onassis, the Greek shipping magnate, Antonio Patino, the innkeeper, Baron G. Rothschild, the banker; Mme. Cartier of the jewelry family and many others of similar wealth and social standing. Q. What are your favorite lines from the works of the Irish poet, Thomas Moore? A. Have no outstanding favorite but the following is a passage from Moore I like very much: What can we wish, that is not here, Between your arms and mine. Is there, on earth, a space so dear As that within the blessed sphere, Two loving arms entwined?

Can women sell better than men? A number of organizations are beginning to think so. There is an increasing belief that a smart looking young woman has greater persuasive powers than the average salesman. In any event, the demand for traveling saleswomen is reported great. To aid in meeting this demand, the New York University will inaugurate this fall a special course in sales technique for traveling saleswomen.

Chinese women stay looking younger longer than those of any other nation. But I don't know why. Might be the diet they adhere to. Could be their philosophy of life. . . . Anita Ekberg, shapely Swedish cinema siren, is a graduate of a three-year domestic school course. As a result, Anita is skilled at sewing, cooking and keeping house. Practically all Swedish girls are equally well prepared for marriage.

Know any mother and daughter who look like sisters? Have just been looking at a mother and daughter picture. Asked to guess which was mother and which the daughter I guessed wrongly. The 39-year-old mother in the snapshot actually looked younger than her 19-year-old daughter.

How well do you understand women? Do you devote much time to a study of the opposite sex? Have you noticed the innumerable things women do differently than men? A man squeezes a toothpaste tube the logical way, that is from the top. A woman squeezes it from

the middle. A woman strikes a match away from herself. Men the other way. Maybe the females have the right idea there. Women close their eyes when kissed. Men keep theirs open. When undressing a man takes his shoes off first. A woman takes her shoes off next to last. A woman turns on the gas and then looks for matches. A man looks at her fingernails holds her hand straight out and the palm down. A man looking at his fingernails bends his fingers toward himself. A woman never consumes a piece of chocolate candy in its entirety. She bites it in half to see what is inside. A man eats the whole piece immediately. Check this on your wife. If you notice anything else women do differently than men, please let us know. We can use the information for our Houses and Women files.
