The Tuckers were thrown onto the pavement when their car collided with another vehicle driven by Ira Clifton Luman, 69, of 4827 South Pacific highway. Tucker was driving, state police said.

According to state police, the accident occurred about a half mile south of Phoenix on the highway about 6:05 p.m. Luman was driving south, state police said, when he made a left turn into a private driveway. The Tuckers were driving north in the outside lane.

Increase in Supreme Court Judges Urged

Salem—(U.P.)—Increasing the number of Supreme Court judges in Oregon from seven to nine was recommended today in the first annual report of the judicial council submitted to Gov. Elmo Smith.

The judicial council, created by the 1955 Legislature, unanimously asked that two more justices be added to help cut down the steadily increasing backlog of appeals in the court.

Last increase in the court was 43 years ago in 1913 when the court was upped from five to seven members. Both Washington and California now have nine justices.

Until a recent decision by the justices themselves declared the practice unconstitutional, the high court had been using circuit judges to sit with them pro tem to clean up old cases.

Liquor Revenues Set State Record

Salem—(U.P.)—The Oregon Liquor commission has reported the highest income in its history for the year ended June 30. Net revenues were \$15,560,302.

Williams said net revenues from stores and agencies was \$13,703,938. License fees brought \$617,519 and revenues from privilege tax collections on beer and wine, \$1,238,800.
