Local and Personal

Theft—Harris M. Olson, 515 King st., reported to Medford police yesterday the theft of his water sprinkler from his home.

Pistol Taken—Leo E. Orvis, route 1, box 108, Rogue River, reported to the Jackson county sheriff Thursday that a pistol has been taken from his residence.

Chickens Stolen—W. E. Rosenbaum, route 2, box 144, Table Rock rd., recently reported to the sheriff that someone has been stealing chickens at his residence.

Grass Fire—City firemen said that a grass fire started from an unattended trash fire at Jasper st. and Melrose ave, near the high school shops yesterday about 3:40 p.m. About one-half of dry grass was burned off.

Lake County Picnic—The Lake county picnic will be held in Lithia park at noon Aug. 12 for all residents and former residents of Lake county. The committee will serve coffee and ice cream.

Theft Reported—The Jacksonville Lumber company Tuesday reported to the sheriff's office that a quarter-inch drill had been taken from the plant about a month ago. Officers are investigating the theft.

Square Dance—A dance will be held by the Happy Harvesters Square Dance club at 8:30 p.m. Saturday, at the Central Point Legion hall. Paul Larsen and J. D. Lubbers will call. Refreshments will be potluck.

Complaints—City Fire Marshal Truman Nelson investigated four complaints of hazardous conditions and inspected a public garage and four business occupancies yesterday. He issued eight orders for correction of hazards.

Stand By—Firemen were called by state police to a logging truck-automobile collision yesterday morning at the intersection of Highways 62 and 99. They flushed away spilled gasoline and stood by until wreckage was cleared.

Dance Stated—The Swing N Stars square dance club will hold a square dance Friday at the Jacksonville Community hall at 8 p.m. The dance will be open to the public and potluck refreshments will be served. Clyde Barlow and Bob Waller will call.

Auditions—The Junior Chamber of Commerce will hold auditions for their Aug. 17 talent show at the Footlighters' hall, old Fairgrounds at 8 p.m. Tuesday, Aug. 7. All entertaining acts are invited to audition. Additional information may be obtained from Glenn Jennings, 3-2981, show chairman.

Conferring—Stan J. Stephenson, of the Westinghouse Electric Corp., Mansfield, Ohio, one of a 100 Westinghouse officials devoting this week to contacting dealers all over the country, is in Medford to study local market conditions and to help prepare for the election campaign broadcasts which Westinghouse is sponsoring nationally.

Escapes Returned—George James Cockran, 21, Bakersfield, Calif., and Richard James Packard, 25, Olympia, Wash., were returned to Bakersfield Thursday by Kern county authorities. The two were arrested at Jacksonville by state police on July 3 and have been held here as escapees from the Kern county jail at Bakersfield.

Auto Burglarized—Charles Dahm, Third st., Jacksonville, has notified the sheriff that hub caps, rims, tools, a drive-in speaker and license plate were taken from his car, parked at 1155 James rd., Medford, last Sunday. He also reported the windshield and one side window were broken. The tools were taken from the glove compartment. Sheriff's deputies are investigating the case.

Experiment Station Officials Visit Here

Dr. F. P. McWhorter, of the experiment station in Corvallis, and Marvin Shearer, extension irrigation specialist, are visiting in Jackson county today, county extension agents reported.

Dr. McWhorter is studying relationship of alternate hosts of the same disease between flowering plants and vegetables. Shearer is working with the county agents on improving soil moisture tests.

Scheduled to visit Jackson county this week end is Dr. J. G. Stout, head of the teaching department in vegetable gardening at the University of Florida. With Dr. Stout will be his wife and son, John.

The Ohio State Capitol in Columbus took 22 years to build. A low-domed structure of Doric style, it stands in a 10-acre downtown park. A memorial to William McKinley at the west entrance depicts the Ohio-born president delivering the address that preceded his assassination in Buffalo, New York, in 1901.

Auto Industry Making Changeover in Models

Detroit—(U.P.)—Ward's Automotive Reports said today three more auto divisions have closed down for model changeovers.

The trade publication said the shutdowns caused car output to drop slightly to 110,168 units this week compared to 111,247 last week and 140,778 in the same week of 1955.

Ward's said Lincoln and Mercury divisions of Ford Tuesday closed down their Wayne, Mich., assembly plant and Nash and Hudson production stopped today at Kenosha, Wis., plants.

Packard, previously closed down, will not resume until settlement of Studebaker-Packard's merger and refinancing efforts.

The publication reported Chrysler Corp. divisions will begin closing down next week. It said Ford will also be closed down for new model building by the end of August.

Ward's said the industry model switch finds car production for 1956 lagging the 1955 pace by 27 per cent, and truck production down 10 per cent.

IN MEMORIAM
In Loving Memory of My Darling Niece **GLENN JEAN SANDFIELD** who was taken from us 3 yrs. ago today.

REMEMBRANCE is a golden chain. Death tries to break, but all in vain. To have, to love and then to part is the greatest sorrow of ones heart.

The years may wipe out many things. But this they wipe out never—The memory of those happy days when we were all together.

Sadly missed by her Aunt, **VIRGIA McLEOD** and cousins Ina and Gerald Lee Donaldson of Philadelphia, Illinois.
