

Weston Nips Dichter 1 Up

Astoria—(U.P.)—The featured title in Oregon's 46th annual Coast golf tournament today rested in the hands of Harold Weston of Portland golf club.

The first major title chalked up by Weston came in a tight struggle over the Astoria Country club links here yesterday as he edged out a 1 up win over medalist Ralph Dichter of Astoria in the under 40 division of the meet.

The ladies' title went to a veteran of the tournament rounds in the state, Miss Lillian Schassen of The Dalles scored a 2-up win over 15-year-old June Robinson of Tillamook in the final play.

Dr. Ed Palmrose of the host Astoria course captured the men's 40-50 crown and another Astoria golfer, Ed Thompson, took home the senior title.

Dr. Palmrose, who won a title in this tourney back in 1934, defeated Ken Fields of Yakima, 2 and 1, for the senior title.

Thompson took a 1-up decision over Jack Tomlinson of Eastmoreland in the 40-50 bracket.

Oswego won its fourth state diadem in six years last night at Klamath by trimming Oakridge 8 to 6. In the afternoon Oakridge eliminated Salem 11 to 2.

Rogue Valley, which had played two games earlier in the day, was dropped 10 to 1 Saturday night by the Oakridge club. Eight runs in the sixth inning were the big difference. The scores were accomplished on two doubles, two singles, three bases on balls and an error.

The Rogue Valley nine will play Reno, Nev., in a double-header starting at 7:30 p.m. Saturday at Eagle Point.

Calhoun Battles Charley Cotton

New York—(U.P.)—Unbeaten Rory Calhoun, the sensational young Negro middleweight contender of White Plains, N.Y., goes after his 23rd straight victory tonight in a 10-rounder with dangerous Charley Cotton of Toledo, Ohio, at St. Nicholas arena.

It should prove a thorough test of Calhoun's ruggedness, for Cotton is a speedy, skilled boxer with a knockout punch in either fist. He is one of the slickest counter-punchers in the 160-pound division. Twenty-two of his 41 victories have been by kayoes.

Cotton provided surprises this year by twice outpointing Joey Giardello of Philadelphia, former top contender. Both decisions were scored at St. Nick's.

Standards Urged For Trailer Courts

Chicago—(U.P.)—The idea that the trailer court is usually a new type of slum is a mistake, according to the American Society of Planning Officials.

But, the organization said, communities only compound the mistake when they shunt trailer courts into fringe areas where regulation is difficult, or into industrial or commercial areas where there is little incentive to keep up residential standards.

The society said cities should adopt detailed standards for the zoning, the layout and the location of trailer courts. It said trailer courts are part of the nation's housing supply and should not be treated primarily as tourist quarters.

Courts for trailers should be recognized for what they are: sites for residences that are permanent even though they are not stationary, the society said. Cities recognizing this fact will be spared the need for jerry-built housing for construction workers, the society said, and trailers have spared many communities from "ghost town" areas left when the workers move on to new jobs in new places.

A study showed that rolling homes are being used more and more as permanent housing, and may gather moss for as long as a year or more in a single location.

The study showed that while in 1937 about half of all trailers were used by vacationers, by 1955 this figure had shrunk to less than one per cent.

Of the three largest groups of trailer dwellers in 1955, 63 per cent consisted of persons in mobile or semi-mobile occupations such as construction work. Twenty per cent were military personnel and 10 per cent retired persons.

Tam's First Place Taken By Harrison

Chicago—(U.P.)—Dutch Harrison, pro golfer's "Arkansas Traveler," cashed a \$3,420 pay check today because he "coasted home" when the golf course tory cinched in Tam O'Shanter's grapevine told him he had won \$25,000 "All-America" golf tourney.

"I wouldn't say I played under wraps," he said, "but I played cautiously."

Harrison, at 46 the oldest man ever to win the tourney, clinched the crown when he toured the first nine in a four under par 32.

Harrison finished the 18 with a five under par 67 for a total of 278, 10 under par for the 72 holes, and he had a two stroke bulge on Earl Stewart Jr., Dallas, Tex., the 54 hole pace-maker, and was three strokes ahead of Ed Furgol, another pro from St. Louis, who took third with 281.

Furgol Third

Stewart won \$2,360 while Furgol grabbed third money of \$2,000. Jim Ferrier was fourth for \$1,700 with 282, and Jack Burke and Stan Leonard shared fifth, each winning \$1,375, with 284.

Louise Suggs, Sea Island, Ga., won the women's pro division. James Hiskey, Pocatello, Idaho, won the men's amateur on his 20th birthday, with a final round 74 for 296 and Wanda Sanchez, Baton Rouge, La., took the women's amateur with a 77 for 315.

Nixon Appeals to Religious Leaders

Ridgeway, N.C.—(U.P.)—Vice President Richard M. Nixon has appealed to the nation's religious leaders to become "conciliators" in the bitter dispute over segregation.

"Bitterness and tension are mounting by the hour in the matter of race relations," Nixon said. "I wonder if the forces of religion could serve as a conciliator?"

Nixon spoke before the Baptist Home Mission Conference, the Presbyterian Men's Council of the Synod of Appalachia at nearby Montreat, N.C., and at the Methodist Summer Assembly at Lake Junaluska, N.C.

Before each group Nixon urged that religious leaders find the "area where political policy and moral ideas converge" and thereby bring religious and moral ideas "before the conscience of all Americans."

Red China Invites American Newsmen

Hong Kong—(U.P.)—Communist China, in an unprecedented raising of the Iron Curtain, today invited certain American newsmen to visit the mainland.

Cabled notifications were received by at least five American correspondents in Hong Kong and Tokyo. A French news agency dispatch from Peiping said 15 U. S. newsmen had been cleared for a one-month visit.

The U. S. government has refused to permit Americans to go into Communist China, and American passports expressly prohibit use of the passport for travel to Communist controlled areas of China.

A spokesman said that the consulate in Hong Kong would not stop the newsmen physically from making the China trip.

Bike Rider Hurt In Mishap Sunday

Jerry Bogart, 13-year-old son of Mr. and Mrs. Orville Bogart, 1310 Sweet rd., Medford, was reported in serious condition today as the result of injuries suffered when the bicycle he was riding was hit by a car near the Oak Grove school at 11:36 p.m. Sunday.

State police said driver of the car involved in the accident was Theo Gustav Feudenthaler, 29, Ashland. Feudenthaler told officers he didn't see the boy until just before hitting him. Officers said both the car and bicycle were traveling east on the side of Highway 206. The report stated the bicycle was black and had no fenders, lights or reflectors. Jerry was wearing blue jeans and a plaid shirt.

Officers said there were no skid marks to indicate the point of impact. The bicycle was seven feet from the edge of the pavement when it came to rest and Jerry was lying next to the bicycle. He was taken to Rogue Valley (Community) hospital by Medford Ambulance service.

Hospital officials said extent of his injuries had not been determined this morning. He was unconscious when he arrived at the hospital. Feudenthaler was not cited.

Handkerchief Clue To Missing Official

Albuquerque, N.M.—(U.P.)—A handkerchief belonging to Felix M. Montoya, 32, missing loan firm vice president, was found today on a bush south of town, strengthening the theory he was forced to open a vault and was kidnaped.

The disappearance of the bank official coincided with the theft of nearly \$7,500 from the loan company's vault. This led authorities to believe he had been kidnaped and was forced to open the safe.
