## Young Harpist To Be Soloist For Benefit Event on Tuesday

Miss Sally Calkins, young harpist from Eugene, will be featured soloist for a tea which Women's association of First Presbyterian church will give Tuesday, August 14. The annual benefit event will be held at the home of Mrs. Edwin R. Durso, 222 Valley View drive, from two to five o'clock, and all women of the church and their friends are invited to attend.

Miss Calkins is the daughter of Mrs. Windsor Calkins, instructor of harp at the University of Oregon. Mrs. Calkins appeared in concert here in 1932 on a program sponsored by Medford Musical society.

The past year Miss Calkins studied in Paris with Mlle. Henriette Renie, considered the world's greatest harpist. She took lessons from the Frenchwoman from September until Mlle. Renie's death in March. Mlle. Renie was not only a great harpist, but also composed much music and in her program here Miss Calkins will play several of her teacher's compositions.

Miss Calkins studied at an early age with her mother, and appeared in recital at the age of six. Since that time she has played in numerous recitals, including those of the Eleven Harp Ensemble, and has played many times in a harp duo with her mother.

During her years in high school Miss Calkins was both a member and soloist with the Eugene Junior Symphony orchestra, as well as with the Eugene High school orchestra, and went on tour of northern Oregon as soloist with the high school group in 1933. For two years the musician was a member and soloist with the University of Oregon orchestra, and also played with the Eugene symphony. She will be a senior at the university this fall.

During the afternoon, Miss Priscilla West, Mrs. Kenneth Brown and Miss Lisbeth Shields will each provide a period of background piano music for the enjoyment of the guests.

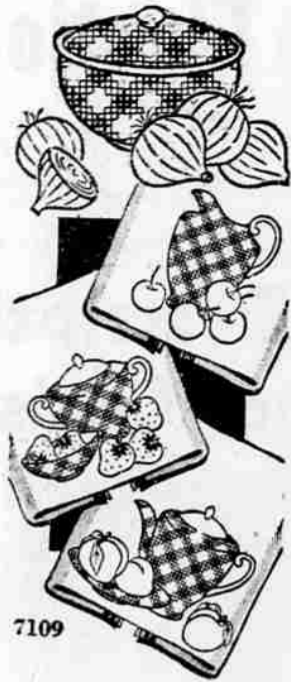

Miss West, daughter of Dr. D. Kirkland West, who is pastor of First Presbyterian church, graduated from Lewis and Clark college and spent the past year continuing her musical studies at Westminster Choir college in Princeton, N. J. Miss West was an outstanding student in both music and drama while attending Lewis and Clark college. She is both a pianist and organist.

Mrs. Kenneth Brown, the former Margaret Huson, was graduated from Willamette university in June, taking a degree in music. Both a pianist and cellist, Miss Huson played and toured with a number of university groups. Mrs. Brown will teach music in one of the Medford schools this fall.

Miss Lisbeth Shields has been active in music circles of Medford since coming here two years ago following her graduation from the school of music at Willamette university. She is associated with Purucker's Music house here.

Funds raised by the benefit are used by national boards of the Presbyterian church to purchase the expensive miracle drugs, supplies and equipment badly needed in mission hospital work both in this country and abroad.

## Many Campers Receive Badges; Swim Show Held

By BETTY BROWN

Swimming has been a highlight in the Girl Scout Low Echo camp program this summer. According to the director, Miss Irene Knox, more campers have achieved swimmers' badges and Red Cross requirements than in other years.

The warm weather which made the valley residents perspire, turned our water front into the most popular spot in camp. A special swimming show, organized by Dolores Schleicher and Charlotte Means of Eugene, Ore., and Jackie Callan of Medford, has highlighted each Sunday afternoon. Some of the events are characterized by comedy, such as reading a newspaper while doing a flutter kick through the water, and carrying an orange on a spoon while swimming. Teams competed to win a greased watermelon which slithered through the water in a most uncanny fashion. On the serious side, a demonstration of the correct use and care of canoes was given by the Program Aides.

Boating, directed by Jackie Callan, has given many campers pleasure and experience. Pitt View, the unit of older girls, took a "pirate's cruise" in row-boats around Lake O' the Woods and had an "overnight" at Aspen Point. The program aides held an "overnight" at Base camp, and then went up Mt. Pitt the following morning. The last session of camp these girls are planning a pack trip of several days length out of camp. This will be a real treat, because these are the girls who do a part of the kitchen work before and after each meal in return for a reduced camping fee. Once out of camp, the only pots and pans they will have to wash will be their own.

Young campers have been entertained by shorter hikes outside of camp and trips to the old favorite camping ground, Robins' Nest. Now that the weather is cooler, the mosquitoes have left the Nest to the campers and the robins.

We are fortunate to have with us for the rest of the summer four girls who attended the Scout Roundup in Michigan. They are Mary Friend and Karen Johnson of Medford, and Judy Drais and Sandra Ullian of Grants Pass.

Already they have taught the camp several graces and new songs which they learned at the roundup. A camping site, set up exactly the way they used it for 12 days, has been reconstructed at the general campfire circle. The program aides are always ready to explain its parts and operation to the young campers of Sunnydale and Brezavay.

The whole camp is looking forward to a showing of the colored slides taken at the Roundup. They are a true record of the opportunities which Scouting affords the girl who is proficient in her camping skills. It is our hope that Low Echo is also an opportunity to be enjoyed by these 1935 campers and those to come.
