

ALL THE WAY IN "56" 49ERS WE WANT THE Championship

GO! GO! GO!—Forming their own college style rooting section, "all the way" is the slogan of these pro footballers as they receive their gear and pep talk from San Francisco 49ers Trainer Henry Schmidt (right) at Moraga, Calif. Left is Clyde Conner, end from College of Pacific, and center is John Gonzaga, a tackle who never played college football.

Roseburg Raps The Dalles 8-4 For State Legion Toga

Roseburg — (U.P.) — Roseburg scored four runs in the top of the 11th inning here last night to defeat The Dalles 8-4 and take the state American Legion baseball title.

The Dalles had pressed the series down to the final wire with last night's fifth game deciding the series.

Roseburg scored twice in the third, then added one in the fourth. The Dalles got back one of the runs in the third then took the lead in the sixth with a three-run production.

Roseburg tied it up in the eighth with a lone tally then finished out in the 11th with the four runs.

Bill Oerding, in to relieve in the sixth, gained credit for the win. The victory gave Oerding credit for all three of the Roseburg wins in the five-game playoff.

Denny Peterson started for The Dalles but gave way to John Held in the final stanza under a Legion rule that prevents a pitcher from working more than 10 innings.

The Dalles, the defending state champion, took the state title a year ago in a playoff with Roseburg.

Triple Main Ring Card at Portland Slated August 16

Portland — The hard-hitting sensational California heavyweight, Eddie Machen, will oppose big Walter Hafer, Washington, D.C. puncher in the top ten-rounder of an all star card at the Portland auditorium, Aug. 16.

The two supporting 10 rounders will feature Amos Lincoln, Portland heavyweight, against Doug Harper from Calgary, Al. Tommy Thomas, Portland's 1956 National AAU welterweight champion will meet Jimmy McCoy in the first ten.

Machen, managed by Sid Flaherty, is one of the hardest hitting fighters in the game today. In 16 fights he has scored 13 KO's. His last fight was a KO win over Nino Valdez on a Wednesday night TV fight. Many veteran observers feel that Machen could become the next heavyweight champion if given the opportunity.

On Sidelines
He is currently trying to lure Floyd Patterson into a match but the Patterson camp is interested in fighting Archie Moore for the vacated title, all of which leaves Machen on the sidelines for the time being.

Harper is the only man to hold a KO win over Amos Lincoln. He knocked Lincoln out in Vancouver.

Thomas will have his hands full in his first 10-round bout. McCoy, with forty-odd professional fights under his belt, will have a decided edge in experience, having fought main events in California as well as on the East coast.

TOOTHPICK BROWN STOPS MORGAN
Chicago — (U.P.) — Henry "Toothpick" Brown hardly "worked up a sweat" Wednesday night, but it was enough to finish L. C. Morgan, ninth rated lightweight in the world, in less than two minutes of the first round.

Brown, a Philadelphia battler who wasn't rated among the top ten 135 pounders, plunged a right hook to Morgan's side; then as Morgan dropped his guard and attempted to counter, he lashed a left hook to the jaw, and Morgan dropped for a 10 count at 1:54.

Brown, who gained his 14th knockout win, six of them first round knockouts; and his 24th triumph in 29 pro bouts, had no idea what the future held, and neither did his manager, George Katz.

It was Morgan's third loss in 17 pro fights and the second time he has been knocked out.

PORTLAND SWIM ASPIRANTS OUT; RECORD BROKEN
Detroit, Mich. — (U.P.) — Portland's two entries in the finals of the Olympic games swimming tryouts failed in their bids to land a spot on the United States team bound for Australia.

Carol Everett finished eighth in the women's 100-meter free style, nearly three seconds slower than her qualifying time of 1:09.8. Six of the eight entries qualified for the team.

Carol McKelligon finished sixth in the 200 meter breast stroke finals and lost a chance to represent the U.S. in the games.

Another Portland swimmer, Maureen Murphy, competes in tryouts today for a spot in the finals for places on the 100 meter back stroke team.

Detroit — (U.P.) — The U.S. got another world record out of Bill Yorzyk Wednesday night as it continued to select its Olympic swimming team.

Yorzyk, 23-year-old Yale swimmer, broke the 200-meter long course butterfly record twice Wednesday.

He was timed in 2:22.2 in the afternoon to break the record of 2:23.8 held by Takishi Ishimoto of Japan, and Wednesday night, in the eight-man finals, he improved that to 2:19.0.

FANS STILL LOVE THEIR TEDDY BOY
Boston — (U.P.) — The incomparable Ted Williams—both as a hitter or a spitter—had growing support today from the fans he held in \$5,000 worth of contempt.

The 36-year-old Boston Red Sox slugger still refused to repent on the spitting incident Tuesday which cost him a \$5,000 fine from owner Tom Yawkey. But Boston fans were more than ready to forgive him.

A "Ted Williams fine committee" was launched to pay the record-tying assessment and the originator, Massachusetts Labor Relations Commissioner Charles N. Collatos, chipped in \$25 to get the ball rolling.

A state legislator filed a bill to fine fans using "profane, obscene or impure" language against a sports participant a maximum of \$50.

Some 30,000 fans jammed Fenway park Wednesday night to see if Ted would carry out his threat to "spit again at the fans who booed me" as the Red Sox met the Baltimore Orioles.

In the sixth with the score tied, 2-2, Williams blasted a towering home run into the right field grandstand. Every eye in the park watched the lumbering figure as Ted rounded the bases and headed for the dugout.

Williams smiled broadly just as he was going down the dugout steps. He clamped his hands over his mouth as if to suppress the desire to expectorate once again.

It was evident from the applause that the fans still loved their "Teddy boy."

INTRUDER VICTOR IN HAMBLETONIAN
Coshen, N.Y. — (U.P.) — The Intruder, a gallant colt, and Ned Bower, a cold-blooded young driver, were the principal reasons today that owner Leonard C. Buck of Far Hills, N.J., glories in his first Hambletonian victory.

But a hunch was among the factors behind The Intruder's brilliant victory Wednesday in the 31st running of the \$100,000 race in which the son of Scotland, after finishing 11th in the first heat, came roaring home first in the second and third to win harness racing's top prize.

Last Saturday, in a work out, The Intruder ran the last half of a mile in 58 seconds. Buck and Bower "guessed" he deserved a chance and put up the \$1,000 necessary to enter the race on a hunch.

The hunch paid off to the tune of \$59,153.15.

AL REMLINGER, LEPTICH ADVANCE IN SENIOR GOLF
Portland — (U.P.) — The defending champion and this year's medalist led the field through the second round of match play in the Oregon Senior golf tournament yesterday with both Al Remlinger and Marty Leptich advancing.

Remlinger, playing under the banner of The Dalles country club and the medalist for the tourney, scored a 5 to 4 win over Louis Rosenberg of the host Tualatin club. Defending champ Leptich took a 4 to 2 win over Harold Milby of Bend.

In Class AA play, Dr. C. H. Manlove of Waverley, who the day before had upset medalist Dr. R. F. Fox, lost, 7 and 5, to Dr. R. B. Watson of Columbia.

Taylor Treece, Riverside, won the only extra hole match in the championship flight of the tourney yesterday, defeating Harry Kern, Coos Bay, on the 19th hole of their Class A match.

PORTLAND GRID FANS WILL SEE 49ERS 1ST TIME
Portland — Training camps are in operation for the four professional football teams which will play in a pair of games here at Multnomah Stadium in September.

The first game, Saturday night, September 8, will introduce the San Francisco 49ers and their "Fabulous Foursome" backfield to local fans for the first time. They meet the New York Giants.

The second game, Saturday night, September 22, is a rematch between the Los Angeles Rams and Pittsburgh Steelers. The Rams won a touchdown thriller, 38 to 24, last year.

Frankie Albert, one of pro football's all-time great quarterbacks, is making his debut as head coach of the 49ers at their summer camp at St. Mary's college in Moraga, Cal.

The Giants, who for the past two years have held their training camp in Oregon, are working this year at St. Michael's college in Vermont. Prior to their local appearance the Giants will practice for a week at the University of Portland.

The Rams are back at their familiar site in Redlands, Cal., where Coach Sid Gilman is preparing his team for the defense of their Western division championship.

The Steelers, under Coach Walt Kiesling, are training at Olean, N.Y.

This year's local games are billed a month later than usual, during the latter part of the pre-season schedule, so the squads will be down to the probable strength to be carried during the playing season.

As for tickets for the two games, Oregon Sports Attractions reports that record crowds are in prospect, but with thousands of reserved seats still available by mail order.

Applications should be sent to OSA headquarters, 811 SW Washington, Portland. The box office sale does not start until August 27.

BARTELL RELEASED
Knoxville, Tenn. — (U.P.) — Dick Bartell was released late Wednesday as manager of the Knoxville Smokies of the Class A South Atlantic league, and second-baseman Earl Weaver was named to succeed him.

Umpqua Steelhead Luck Reported Fair by OSGC In Regional Summary
Portland — (U.P.) — The regional fishing report as prepared by the Oregon State Game Commission:

Southwest — Summer steelhead in the Steamboat area of the North Umpqua is fair. Salmon angling at Winchester bay is very good. Some bluebacks are being taken in Gardner area of Lower Umpqua. Tahkenitch lake perch and bullhead angling is good. Bass angling is good in early morning.

Central — East and Paulina lakes are fair. North Twin lake is good. Wickiup reservoir is fair. Fishing is fair at Three Creeks lake with bait fishing producing best results. Gold lake is fair. Davis lake is still picking up.

Crescent lake is very good. Upper North, Middle and South forks of John Day river as well as main John Day continue to produce good catches of rainbow bow. Good catches of rainbow up to 20 inches have been taken at Olive lake.

Limits of rainbow and eastern brook trout have been taken at Strawberry lake. The Innaha river is low and clear and angling is improving. Angling remains slow at Wallowa lake. Bear creek is producing some fair catches.

BARTELL RELEASED
Knoxville, Tenn. — (U.P.) — Dick Bartell was released late Wednesday as manager of the Knoxville Smokies of the Class A South Atlantic league, and second-baseman Earl Weaver was named to succeed him.

TOOTHPICK BROWN STOPS MORGAN
Chicago — (U.P.) — Henry "Toothpick" Brown hardly "worked up a sweat" Wednesday night, but it was enough to finish L. C. Morgan, ninth rated lightweight in the world, in less than two minutes of the first round.

Brown, a Philadelphia battler who wasn't rated among the top ten 135 pounders, plunged a right hook to Morgan's side; then as Morgan dropped his guard and attempted to counter, he lashed a left hook to the jaw, and Morgan dropped for a 10 count at 1:54.

Brown, who gained his 14th knockout win, six of them first round knockouts; and his 24th triumph in 29 pro bouts, had no idea what the future held, and neither did his manager, George Katz.

It was Morgan's third loss in 17 pro fights and the second time he has been knocked out.

PORTLAND SWIM ASPIRANTS OUT; RECORD BROKEN
Detroit, Mich. — (U.P.) — Portland's two entries in the finals of the Olympic games swimming tryouts failed in their bids to land a spot on the United States team bound for Australia.

Carol Everett finished eighth in the women's 100-meter free style, nearly three seconds slower than her qualifying time of 1:09.8. Six of the eight entries qualified for the team.

Carol McKelligon finished sixth in the 200 meter breast stroke finals and lost a chance to represent the U.S. in the games.

Another Portland swimmer, Maureen Murphy, competes in tryouts today for a spot in the finals for places on the 100 meter back stroke team.

Detroit — (U.P.) — The U.S. got another world record out of Bill Yorzyk Wednesday night as it continued to select its Olympic swimming team.

Yorzyk, 23-year-old Yale swimmer, broke the 200-meter long course butterfly record twice Wednesday.

He was timed in 2:22.2 in the afternoon to break the record of 2:23.8 held by Takishi Ishimoto of Japan, and Wednesday night, in the eight-man finals, he improved that to 2:19.0.

FANS STILL LOVE THEIR TEDDY BOY
Boston — (U.P.) — The incomparable Ted Williams—both as a hitter or a spitter—had growing support today from the fans he held in \$5,000 worth of contempt.

The 36-year-old Boston Red Sox slugger still refused to repent on the spitting incident Tuesday which cost him a \$5,000 fine from owner Tom Yawkey. But Boston fans were more than ready to forgive him.

A "Ted Williams fine committee" was launched to pay the record-tying assessment and the originator, Massachusetts Labor Relations Commissioner Charles N. Collatos, chipped in \$25 to get the ball rolling.

A state legislator filed a bill to fine fans using "profane, obscene or impure" language against a sports participant a maximum of \$50.

Some 30,000 fans jammed Fenway park Wednesday night to see if Ted would carry out his threat to "spit again at the fans who booed me" as the Red Sox met the Baltimore Orioles.

In the sixth with the score tied, 2-2, Williams blasted a towering home run into the right field grandstand. Every eye in the park watched the lumbering figure as Ted rounded the bases and headed for the dugout.

Williams smiled broadly just as he was going down the dugout steps. He clamped his hands over his mouth as if to suppress the desire to expectorate once again.

Last Saturday, in a work out, The Intruder ran the last half of a mile in 58 seconds. Buck and Bower "guessed" he deserved a chance and put up the \$1,000 necessary to enter the race on a hunch.

The hunch paid off to the tune of \$59,153.15.

K. L. Pendergras Skeet Champion

Reno, Nev. — (U.P.) — K. L. Pendergras of Jacksonville, Fla., held the "Champion of Champions" crown today in the 1956 National Skeet Tournament, but he really had to work to win it.

At the end of the event Wednesday, Pendergras had fired a phenomenal 350-straight over a two-day period.

On Tuesday, Pendergras wound up in a tie for the title with six other marksmen, all of them state champions. All seven fired a perfect 100.

In a 50-target shoot-off that night, Fred LaRue of Jackson, Miss., was eliminated.

Pendergras had to go another 200 targets yesterday before he eliminated the other five. They were W. H. Rogers of Atherton, Calif., Ben Di Iorio of Utica, N.Y., Titus Harris Jr., of Galveston, Tex., E. A. McDowell of Shreveport, La., and Capt. W. D. Wilkinson of Wichita, Kans.
