Grange Notes

Jackson County Pomona Grange
Only 52 persons braved the heat to attend the recent evening session of Jackson County Pomona Grange at Butte Falls. However, roll call of officers found only two absent.

Lecturer Willie McLean reminded all Granges that the national Grange achievement contest closes Sept. 1 and reports must reach the state Grange secretary by that date. She asked that subordinates be receiving the material she is sending them.

In his report on the state Grange session, Master Herb Carlton reported all the Jackson county resolutions lost.

Committee reports included an account of the trip made by the Delmar Smiths to Edmonton, Canada, and home by way of Idaho. Also a witty report of the horrors of our present tax set up was given by Clarence Davies.

During the lecture hour, Pomona HEC Chairman Edith Poe gave a short talk on safety, stating that more fatal accidents occur on farms than anywhere else. Games and reading of jokes concluded the lecture hour.

It was announced that Central Point Grange will put on all four degrees during September and other Granges are urged to bring their candidates. Roxy Ann Grange will also put on the third and fourth degrees at their second September meeting. HEC Chairman Edith Poe reminded all Granges that judging in the canning contest will take place at the October meeting.

The next meeting of Jackson County Pomona Grange will be Oct. 27, at 10 a.m., at Eagle Point Grange. The special order of business will be election of officers, and Master Herb Carlton urges all members to attend.

Central Point Grange

The Central Point Grange has chosen Thursday, Nov. 8, for the annual turkey dinner this year. This was decided at the regular meeting held Aug. 3.

Home Economics chairman appointed Mrs. John Niedermeyer and Mrs. Gaston Floux as co-chairmen for the dinner.

For the lecture hour, Delmar Smith gave some high lights on farming in Canada, Montana and on states they passed through on their recent vacation, followed by some colored slides taken on the trip.

Cleo Young had charge of the display table which had vegetables, some new varieties that were especially nice for freezing.

All Grange ladies are asked to get in touch with Mrs. Niedermeyer or Mrs. Floux regarding the dinner.
