

Truman Under Heavy Pressure To Endorse Harriman for Nomination

Chicago—(U.P.)—Former President Truman was under heavy pressure from old associates today to support Gov. Averell Harriman for the Democratic presidential nomination, but early arriving delegates saw him giving the nod to Adlai E. Stevenson.

Whichever way he goes, Mr. Truman injected an element of suspense into plans for next week's Democratic national convention by promising an endorsement by the end of the week.

The weight of opinion among delegates already here had it that Mr. Truman would endorse Stevenson, but many had a pro-Stevenson bias.

Hosts Harriman Agents In the face of this opinion, a stream of Harriman agents moved in and out of the Truman suite in the Sheraton-Blackstone hotel.

Harriman was due in Chicago today and was expected to pay his respects soon afterward to the man he served in a number of jobs.

Carmine DeSapio, Tammany chief and quarterback of the Harriman campaign, also was expected to see Mr. Truman today.

Mr. Truman arrived here Thursday and was welcomed by Stevenson at the railroad station. But almost every place he turned later in the day, there was a Harriman supporter in view.

Samuel I. Rosenman, former counsel to Mr. Truman and a Harriman worker, was staying a few doors from the ex-President and moved freely in and out of the Truman suite.

Harriman Backers Encouraged Supporters of Harriman, the underdog contender, heard with glee that Mr. Truman told a news conference Thursday he was "not a bandwagon fellow."

The Stevenson bandwagon has been picking up a lot of passengers in the past two months. There was no hint that Mr. Truman had given either the Stevenson or Harriman camps any word of his intentions.

But the mere fact that he had promised an endorsement caused nervousness among Stevenson supporters and buoyed the hopes of the Harriman organization.

Long regarded as privately pro-Harriman, it was reported before Mr. Truman's arrival that he had decided not to back the Stevenson trend. But no announcement was expected on the eve of the convention.

Split Still Possible Stevenson backers reasoned that Mr. Truman would risk defeat and a deep split in the party

if he endorsed Harriman. They also felt that his appearance before the platform committee Thursday showed him in a mood for moderation, which is the tone of the Stevenson campaign, not Harriman's.

The ex-President went before the committee to urge a strong civil rights plank, slam the Eisenhower administration and give party spirits a lift by assuring the Democrats they can win next November.

"I don't think the present administration knows anything about what they are doing on anything," he said.

Although he made clear that he favored a strong civil rights plank, he refrained from any specific recommendation. He spoke with favor of the Supreme Court decision against segregated schools but did not urge an explicit endorsement of the decision.

Driver Escapes Injury in Crash

Al Gilhousen Jr., 26, of route 1, box 442, Phoenix, escaped injury about 8:52 p.m. yesterday when the car which he was operating went out of control and rolled over along Highway 99 just north of Phoenix.

State police said an officer observed Gilhousen traveling south on Highway 99 at a high rate of speed and started pursuing him. Police said the Gilhousen vehicle, a 1953 MG roadster, reached a speed of 75 miles an hour.

Gilhousen told police that as he approached a fruit stand just north of Phoenix, he swerved to avoid hitting a car leaving the fruit stand. Police said the Gilhousen vehicle skidded sideways about 102 feet across Highway 99 to the east side and came to rest 11 feet from the highway edge.

Gilhousen was crawling from under the car when the pursuing officer arrived on the scene. Police said Gilhousen still had a brace on his neck, which was broken in a motorcycle-automobile accident on Highway 99 south of Medford July 25.

Police said Gilhousen was cited for violation of basic rule. In another accident reported to state police, vehicles operated by Lillian Josephine Garwood, 46, of 169 Glenwood rd., Medford, and Lucille Elliott, 34, of Eugene, were involved in a relatively minor accident at Highway 99 and Church st. in Phoenix. There were no injuries.

OLD HOUSES Chicago—(U.P.)—Statistics show that almost half the houses in the United States are over 30 years old. According to the 1950 census 65.8 per cent of the 45,875,000 dwelling units had been built prior to 1929, and 45.6 per cent prior to 1919.

POLITE ROBBERS Boston—(U.P.)—Two bandits, who escaped with \$330 from a grocery store, paused long enough to wait courteously on a customer. Store owner Walter Biskupek, bound with piano wire in a back room, said the men even carried grocery bundles to the woman's automobile.

Man Wins Drinking Bet, Then Collapses, Dies

Dayton, Ohio—(U.P.)—A \$20 bet that he could drink two hours martinis in less than two hours cost Louis Angoff, 25, his life here.

The husky Angoff made the wager with Allen Gradsky, owner of the bar, and then consumed the drinks in one hour and 20 minutes. Angoff walked outside for some fresh air and then collapsed.

Deputy Coroner Robert A. Clark said that Angoff died from heart failure due to excessive intoxication.

Civil Rights Talk Seen Attempt to Split Party

Chicago—(U.P.)—Sen. Joseph C. O'Mahoney (D-Wyo.) said "all this talk about civil rights" is a GOP attempt to split the Democratic party. He said he was confident the Platform Committee would draft a platform plank that is "satisfactory and honest."

O'Mahoney is a member of the Platform Committee and its drafting subcommittee.

Hoover for Senate Suggestion Offered

New York—(U.P.)—Former President Herbert Hoover, 82, should run for the Senate, the chairman of the New York County Republican Committee suggested Thursday.

Thomas J. Curran, Republican leader and secretary of state under former Gov. Thomas E. Dewey, said he was proposing Hoover's name in the belief it would "raise the stature of the race."

In San Francisco, Mr. Hoover declined to comment on Curran's suggestion.

Previously, Curran had declined to comment on a personal choice from among several announced and unannounced Republicans who seek to fill the post being vacated by Sen. Herbert H. Lehman, Democrat. Curran said he felt the former President would be the "strongest candidate" the Republicans could choose. He added Hoover's age is not important, "he's more active than most people half his age."

Plenty of Zip at a pip of a price

(It's a great time to buy a Buick!)

SERIOUSLY—where else can you get so much snap and ginger at such a peach of a price?

Where else can you get a big, high-powered, steady-riding hardtop like this '56 Buick Riviera—a figure that's pretty close to what they're asking for similar models of the well-known smaller cars?

Nowhere else that we know of—which is one big reason why Buick outsells all other cars in America except two of those smaller cars.

BUT RIGHT ALONG with low price is something else behind Buick's big success: Buick is a lot more automobile for the money.

It gives you more room and luxury—more zip and power thrill—fine handling and sure-footed stability.

And it gives you something you can get in no other car—today's advanced new Variable Pitch Dynaflo.* It's the only transmission in the world with the cruising thrift and the switch-pitch safety-surge taken from the modern plane's propeller.

So why wait any longer—when the time to take action is now, so you can start enjoying all the golden months of

summer and fall in a new '56 Buick?

Now—when Buick prices are as low as—perhaps lower than—they'll ever be again.

Now—when your present car is at its peak of worth—and when today's high volume '56 Buick sales permit us to make you an even better trade-in allowance.

Come see us—and look into the car that puts you years ahead right now.

Come see us today—and discover the dilly of a deal that will make you wonder why on earth you waited as long as you did.

*New Advanced Variable Pitch Dynaflo is the only Dynaflo Buick builds today. It is standard on Roadmaster, Super and Century—optional at modest extra cost on the Special.

AIRCONDITIONING at a COOL NEW LOW PRICE It cools, filters, dehumidifies. Get 4-Season Comfort in your new Buick with genuine FRIGIDAIRE CONDITIONING
