

# Bids Are Called for Sugar, Douglas Cones

The bureau of land management is asking for bids for the collection of 2,000 bushels of the 1956 crop of ponderosa pine cones and up to 2,600 bushels of Douglas fir cones from specified areas in Jackson and Josephine counties.

The cones must be collected from thrifty, well-formed trees growing between the 2,000 and 5,000-foot elevation in specified townships.

Cones must be fresh, mature, free of weevil and contain a specified number of sound seed per cone. Cone collection must take place after the tree seed has matured, approximately Sept. 15, and may extend until the seed begins to shatter from the cones.

**Responsible Bidders**  
Responsible bidders may bid on any portion of the total sought by the BLM. Bid forms and additional information may be obtained from the office of the district forester in the Medford city hall. Bids will be opened in Portland at 1 p.m. on Aug. 23, 1956.
