

SHADY COVE - TRAIL Many Rattlesnakes Reported

By EVALYN P. WATSON
Shady Cove-Trail—A greater number of reports of rattlesnakes seen and killed seem to be coming in this year than formerly.
A rattlesnake was seen recently by Mrs. Jack of Shady Cove who called John Peterson who killed it. This was on the Peeler road above the Dale Sawyer place. Another was killed by Orage Houston near his home up the Tiller-Trail highway at Trail, and still another was seen on Mallory lane. One wonders if the rattlesnake population is really larger this year, or if it is just that more of them have been seen.

Republicans Chilled By Weather in SF

San Francisco—U.P.—The political fever may be hot, but the weather is downright chilly at the Republican National convention.

Delegates going out on the town at night find the temperature in the low 50s. The low forecast for tonight was 52; the high for the afternoon 67.

Most of those attending the convention came prepared—men with wool suits and the ladies with mink or other fur coats. The Republican National committee and the San Francisco Chamber of Commerce tried to do as much warning in advance as possible about the weather.

Fall From Roof Sends Local Man to Hospital

Maurice Silvers, 57, route 2, box 230-T, Medford, was taken by Medford Ambulance service to Sacred Heart hospital Monday after falling from the roof of his home shortly before 5:23 p.m.

No statement of his condition or extent of injuries could be learned from hospital attendants this morning.

Schools for aboriginal children have multiplied to nearly 800 in the last eight years in India's State of Madhya Pradesh. India's community development campaign is resettling villagers, building new schools, new health centers, new roads, and more efficient farms. The program, supported in part by United States funds, operates in some 100,000 villages.

San Francisco—U.P.—Safeway Stores, Inc., recorded a net income of \$9,925,271 for the 24 weeks ended last June 16—an increase of 60.7 per cent over the similar period in 1955.

The grocery chain reported that the \$9,925,271 figure compared with a net income of \$5,553,000 during the comparable period last year. Sales rose from \$887,210,738 during the 24-week period in 1955 to \$891,252,363 this year.

During the first 24 weeks in 1956, Safeway opened 44 retail stores in the United States and four in Canada, bringing the total to 1,835 in the United States and 154 in Canada.

Roll Call Vote Would Show on TV

San Francisco—U.P.—If there are demands for a poll of individual state delegations on a roll call vote at the Republican National convention, the television audience apparently will have to sit through the time-consuming process.

The GOP National committee wanted to streamline the procedure—as the Democrats did—and keep the polling process off the TV screens. But the convention rules committee Monday rejected the proposal and the con-

vention was expected to stick with the old procedure in adopting rules today.
