Local Boys Attend Youth Range Camp

Representing Jackson county at this year's Youth Range camp were Bruce Boldenow of Medford, Fred Jossy of Eagle Point, and Philip Krouse of Grants Pass. The camp was held Aug. 6-11 on the Malheur National Wildlife refuge 30 miles south of Burns.

Boldenow placed first in the speech contest held at the camp. He gave a talk challenging his own generation to conserve the natural resources passed on to them.

Each boy at the camp received a \$25 scholarship to cover costs of attending the camp. Scholarships were provided by local sponsors in each county. Boldenow and Krouse received scholarships from the Jackson County Stockmen's association. Jossy was sponsored by the Young Farmers.

San Francisco—(U.P.)—House Republican Leader Joseph W. Martin Jr. had to be confirmed twice as permanent chairman of the Republican convention before the nomination took.

The first meeting of the committee on permanent organization failed to produce a quorum but the members voted for Martin anyway.

It wasn't official, however, and a second meeting was called. Those who had attended the first meeting were recorded as present, even though they were absent, and the vote for Martin became unanimous and official.

Future Farmers Honor Adviser

Members of the Crater High chapter, Future Farmers of America, honored their adviser, Leonard Kunzman, agriculture instructor at the high school, at a farewell party Friday night in the home of last year's president, Norman Barnes.

Corvallis—(U.P.)—Two youthful brothers from Monmouth were killed on the Alsea highway west of here yesterday afternoon when their car careened out of control and crashed into a loaded logging truck.

Officers said that Richard apparently was the driver of the car. His brother was thrown from the car after the collision. Impact of the crash knocked the logs from the rear of the logging truck. The car spun off the truck and into a roadside bank.

The attackers, who included two aged females, chopped off the heads of some victims and cut others to pieces with tomahawks. Some were killed with spears.

Logs Block Traffic As Truck, Car Hit

Traffic on Highway 62 at the Eagle Point junction near Butte Creek was blocked for several minutes Monday by logs scattered in a collision involving a log truck and car at 4:12 p.m., according to state police.

Officers said the car, operated by Karl Edgar Anderson, 65, Eagle Point, was traveling west on Highway 62 and started to make a left turn at the same time as the log truck and trailer, operated by Edward Charles Butcher, 37, of 925 King st., Medford, attempted to pass Anderson's vehicle, officers said.

The truck struck the left side of Anderson's car, spinning it around. The car came to rest on the north shoulder of the highway facing east, the report stated. The truck came to rest on the north shoulder of the highway on its left side facing east.

Anderson's car was reported damaged on the left side and the truck was damaged on both sides. There were no injuries and no citations. Logs from the truck were cleared off the highway soon after the accident occurred.

San Francisco—(U.P.)—A delegate to the Republican National convention said today he is opposed to the renomination of President Eisenhower.

Terry Carpenter, 66, of Scottsbluff, Neb., a delegate-at-large from Nebraska and a self-styled "pretty independent fellow," said he's also against the renomination of Vice President Richard M. Nixon.

The stocky Nebraskan said he supported Mr. Eisenhower in 1952 but opposed his renomination because he doesn't believe the President's health can stand the strain of another four years in the White House.

"It's going too far to ask a man to lay down his life for a political party," Carpenter said.
