

# Pitching Carries LA In Fourth Straight; Beavers Trip Solons

By JOHN McDONALD  
United Press Sports Writer

The Los Angeles Angels, with about as much chance to blow the Pacific Coast league pennant as Ike had to lose the GOP nomination, got pitching instead of their usual power hitting Wednesday night as they extended their win streak to four straight.

The Angels shut out San Diego 2-0, scoring their two runs on just two hits as Bob Thorpe and Ray Bauer teamed to blank the "Pads. The victory gave the Angels a fat 12-game bulge over the second place Seattle Rainiers.

The Rainiers split a twin bill with Hollywood, taking the opener 5-1, then bowing in the second game 4-3 as Gene Freese walked a tie-breaking homer in the eighth inning for the Stars. In other games, the Vancouver Mounties edged San Francisco 4-3, then lost the nightcap 8-2; and the Portland Beavers dumped Sacramento 6-2.

Jim Bolger drove in both Angel runs on a pop-fly double and a sacrifice fly and got two of the Angels four hits.

It was a toughie for the Pads' Arnie Atkins. He gave up a single to Steve Bilko in the second frame, and then Bolger's fly dropped between Floyd Robinson and Bob Usher for the Angels' first run.

The other came in the seventh without benefit of a hit. Bilko walked, George Freese bunted and was safe when nobody bothered to cover first base. Bilko went to third as Bob Speake was forcing Freese and romped home on Bolger's sacrifice fly.

Thorpe 5-5 had a three-hitter until the ninth when the Padres got to him for a pair of hits. With two out Bauer came on to get the final man.

At Hollywood, Seattle's Artie Shallock coasted in for his ninth win in the opener and lost a shut-out in the sixth frame of the seven-inning affair.

In the second game, Freese's seventh homer broke a 3-3 tie that had existed since the fifth. Laurie Pepper 2-0 went the distance for the Stars.

Monties Split: Kal Segrist's eighth inning solo homer was the margin for Vancouver in their first game triumph over the Seals. But the tables were turned in the second game as Sal Taormina and Larry Dippo crashed four-masters to give them a 3-3 split in the series.

The nightcap went only five innings to allow the Mounties to make plane connections.

At Sacramento, the Portland Beavers rallied for five runs on five hits and a pair of errors. Luis Marquez' two-run single was the big blow of the frame.

## Salem Takes Over First In NW Loop

By RAY ANDREWS  
United Press Sports Writer

Ad Satalich nominated the Salem Senators for first place in the Northwest League last night and the motion was carried.

Satalich turned in a two-hit chore as Salem tripped Wenatchee 9-1 to move a half game ahead of Yakima which went down 5-2 at the hands of Lewiston.

Salem finished its business early with four runs in the first and three in the third plus single runs in the eighth and ninth.

Russ Roasburg's two-run single, a run-scoring error and a one-run single by Ray Webster in the first frame got the Senators off to a lead they never gave up.

Satalich was never in trouble although he gave up seven walks while whiffing four.

Lewiston collected 11 hits for its victory over Yakima as lefty John Anderson spaced eight Yakima bingles. Anderson was in trouble only in the fourth when Ed Zander's two-run double sent in both Yakima runs.

Tom Mulcahy turned in a neat five-hitter as Spokane took Tri-City 3-1.

Solon starter Cloyd Boyer had put his club out on top with a two-run homer in the third inning.

## Smith Fight With Brown Has Interest

New Orleans — (U.P.) — Friday night's "hotel-register" fight between Smith and Brown for the world lightweight title is attracting much attention and considerable cash because of the uncertainty over Smith's condition.

Wallace (Bud) Smith of Cincinnati is the 135-pound champion, although nine out of ten guys on the street don't know it. And the odds are 7½ to 5 say he won't be champion, at all, after Friday night's defense against lanky Joe Brown of New Orleans.

Lou Viscusi, Brown's manager, declared today, "Smith can't be as bad as he looked in training at Curley's gymnasium. I have information he's been taking secret workouts at night."

However, the 27-year old champion explained "I ain't been takin' no secret workouts. I've just been goin' through the boxing motions at Curley's because I know Brown had spies at all my workouts."

At Hollywood, Seattle's Artie Shallock coasted in for his ninth win in the opener and lost a shut-out in the sixth frame of the seven-inning affair.

In the second game, Freese's seventh homer broke a 3-3 tie that had existed since the fifth. Laurie Pepper 2-0 went the distance for the Stars.

## Clem Labine Wrist Hurt

Cincinnati — (U.P.) — The Brooklyn Dodgers' pennant hopes were handed a severe jolt today when it was learned that star relief pitcher Clem Labine has a broken wrist and will be lost to the club for about two weeks.

X-rays taken this morning at Christ Hospital showed that Labine suffered a chipped bone in his right wrist when struck by a pitch thrown by Larry Jackson of the St. Louis Cardinals in the ninth inning of Wednesday night's game.

Labine's wrist was placed in a cast by Dr. B. L. Hawkins and the pitcher was sent home to Brooklyn.

After being hit by Jackson, Labine pitched the last half of the ninth inning and retired the Cardinals with one run to clinch a 5-3 victory for starter Roger Craig.

**Repay Forced in 2nd Junior Tourney Round**

Altoona, Pa. — (U.P.) — A darkness-called second round game scheduled to be replayed today delayed the start of regular action in the 13th annual National Amateur Baseball Federation Junior tournament.

Host team Altoona and Dearborn, Mich., were deadlocked 1-1 in the tenth inning Wednesday when their game was called. Tourney rules state the game must be replayed from the start before third round drawings can be made.

Three teams, Pittsburgh, Springfield, Mass., and Chicago, of the original 12 starters were knocked from the opening day competition. The field will be cut to less than half today.

**WINS HIS FIRST ONE**—With information being supplied through headsets from spotters in the press box, 49er Coach Frankie Albert briefs Quarterback Y. A. Tittle (14) and Halfback Dickie Moegele (47) at Kezar Stadium in San Francisco. It was Frankie's debut as a head football coach and he engineered his 49ers to 23-17 win over the world champion Cleveland Browns.

## Jimmy Foxx Pulling for Mick Mantle

By RON LEVITT  
Miami, Fla. — (U.P.) — Jimmy Foxx, who came within a whisker of tying Babe Ruth's 60-homer record 24 years ago, came right out and said today he is pulling for Mick Mantle to break the mark.

"It won't take a thing away from the Babe," Foxx said. "He's a legend. Most of today's fans never saw Ruth play and baseball needs a new hero."

Foxx, still big, husky and powerful looking as he was with the Philadelphia Athletics in his prime during 1932 when he hit 58 homers, feels Mantle's chances to crack Ruth's record this season are good.

"The kid's hot," said old Double-X, as he was affectionately known in his playing days. "He's on a streak . . . and from where he's sitting now his chances look mighty good to me."

**Injured Wrist**

Foxx hit a total of 534 home runs during his 18 years in the majors. The year he missed Ruth's record in 1932 he injured his wrist in September and hit only three homers during that entire month.

"I couldn't swing a bat after I hurt my wrist," he said. "It's funny but back in 1932 no one ever thought about breaking the record like they do today. If I had broken the record it wouldn't have meant much then. The fans weren't looking for a hero like they are today."

Despite his injured wrist in 1932, Foxx said he could have hit 70 homers that season if the ball parks were tailored the way they are today.

## Power Firm Meets New Electric Demand

Buffalo, N.Y. — (U.P.) — To meet the demand of increasing numbers of electrical appliances in modern homes, the Niagara Mohawk Power Corp., has increased from 60 to 100 amperes the requirement for new service entrances and equipment.

In a letter to electrical contractors, the company noted that the increased amperage has been made somewhat greater than is required by the National Electrical Code. This is to provide for future power load resulting from an expected increase in use of electrical appliances.

Niagara Mohawk said the number of electrical appliances has risen from about 19 in 1930 to more than 50 today. The order was effective in all divisions of Niagara Mohawk across New York state.
