**RESOLUTION NO. 860**  
 A RESOLUTION proposing to permit adjacent property to use a water main as a lateral water main; to levy an assessment on the property fronting on the street wherein said water main is laid, setting a time and place for protests thereto and providing for notice thereof.  
**WHEREAS** the City of Medford has heretofore caused a water main to be laid in Murphy Road adjacent to certain real property in the City of Medford fronting on Murphy Road and the Council being of the opinion that said water main may be used by the property fronting on that portion of said main as laid in Murphy Road from a point 478 feet North of Barnett Road to Walden Place, and  
**WHEREAS** said water main has not as yet been paid for and it appearing to the Council that the use of said water main as a lateral water main by said property last above mentioned will not materially interfere with the use thereof for the purpose for which it was originally laid, now, therefore,  
**BE IT RESOLVED BY THE COUNCIL OF THE CITY OF MEDFORD, OREGON:**  
 Section 1. That it is the opinion of the Council that that part of the aforementioned water main laid in Murphy Road adjacent to certain real property in the City of Medford fronting on Murphy Road described as follows:—  
 As laid in Murphy Road from a point 478 feet North of Barnett Road to Walden Place.  
 May be used by the property fronting thereon as a lateral water main without materially interfering with the use thereof for the purpose for which it was originally laid, and the Council proposes to permit the owners of adjacent property to use the same for lateral purposes as aforesaid.  
 Section 2. It is the intention of the Council to assess the property fronting on Murphy Road wherein said water main is laid as hereinbefore last described its proportionate share of so much of the cost thereof as equals the special benefit which will result to said property from the use of said water main as a lateral water main of such size as would be required to supply the property fronting on said Murphy Road in case said water main was not so used and the Council has and does hereby determine that the sum of \$2.25 per front foot is the proportionate cost of such a lateral water main to such property as aforesaid and intends to assess said amount against such adjacent property on and after the date of said meeting.  
 Section 3. The Council will meet at the hour of 7:30 o'clock P. M., at the Council Chamber in the City of Medford on the 18th day of September, 1956, at which time and place all protests of said assessments as hereinbefore provided for, will be heard.  
 Section 4. The Recorder is hereby directed to serve notice hereof upon the property owners aforesaid by publishing this resolution 2 times in a newspaper published and of general circulation in said City and by posting the same in 3 public places in said City; said publication and said posting to be not less than 10 days before the date of said meeting.

**Airplane Found In Wallowa Area; One Dead, One Hurt**

La Grande — (UP) — A ground party of smoke jumpers reached the wreckage of a light plane in the Wallowa mountains early today and reported to the forest service that Vernon Enger, 34, Vancouver, Wash., was alive but his wife was dead.  
 The couple had been missing since Sunday when they took off from Red's Horse Ranch in the Wallowa mountains about 22 miles east of here.  
 Radio reports from the ground party said Enger was a stretcher case. He was being taken to the

ranch, about four miles from the crash scene where a plane waited to fly him to a hospital here. The body also was being brought out.  
 The forest service said Enger apparently had been hurt too badly to seek help.  
 The plane was sighted from the air late yesterday in a deep canyon west of the ranch and aerial observers thought they saw someone on a blanket. Eight smoke-jumpers were dropped in the area yesterday evening and battled thundershowers and rugged terrain to reach the plane.  
 The plane was down near the Little Minam river. Its wings were damaged but the fuselage appeared intact from the air.  
 Henry Voetberg, La Grande pilot, reported seeing a victim on the blanket waving a small piece of cloth.

**Marilyn Bell Sets Swim Mark**

Victoria, B. C.—(UP)—Marilyn Bell, an 18-year-old school girl who earned \$20,000 by failing to swim the strait of Juan de Fuca, won \$10,000 last night by swimming the 18.3-mile, treacherous stretch of water.  
 The blonde marathon swimmer made the swim in 10 hours and 39 minutes breaking the record set by a man, Miss Bell, who

already has swam across the English channel and Lake Ontario, was the fifth person to cross the Juan de Fuca.  
 The strait has resisted 62 other challengers.  
 The old record was set by Bert Thomas of Tacoma, Wash., in 11:17 last July.  
 In Miss Bell's first attempt to cross the strait this year she was

offered \$30,000 if she succeeded and \$20,000 if she failed. When she succeeded, becoming the youngest woman and the first Canadian woman ever to accomplish the feat, she was awarded \$10,000 from the same sponsors.
