LEGAL NOTICES

ORDINANCE NO. 6536

AN ORDINANCE declaring the assessment on the property benefited for the cost of laying an eight (8) inch water main on Fir Street from Monroe Street to Melrose Avenue and on Melrose Avenue from Fir Street to Grape Street in the City of Medford, Oregon, and directing the Recorder to enter a statement thereof in the Docket of City Liens and publish a notice thereof as required by the Charter.

THE CITY OF MEDFORD DOTH ORDAIN AS FOLLOWS:

Section 1. Whereas the City Council did heretofore by Resolution declare its intention to lay an eight (8) inch water main on Fir Street from Monroe Street to Melrose Avenue and on Melrose Avenue from Fir Street to Grape Street in the City of Medford, Oregon, and to assess the cost thereof on the property fronting on said portion of said streets in proportion to the frontage of said property, and did fix a time and place for hearing protests against the laying of said water main on said streets and the assessment of the cost thereof as aforesaid.

And Whereas said Resolution was duly posted and published as required by Section 116 of the Charter of said City.

And Whereas a meeting of the Council was held at the time and place fixed in said Resolution for the purpose of considering any such protests but no protests were at such time made to or received by the Council to the laying of said water main or the assessing of the cost thereof as aforesaid, and said Council, having considered the matter and deeming that said water main was and is of material benefit to said City, and that all property to be assessed therefor will be benefited to the extent of the probable amount of the respective assessments to be levied against said property, did order said water main laid.

And Whereas a summary of the cost of the said water main is as follows:

SUMMARY

Construction Cost	$4,186.70
Advertising	24.60
Notice of Assessment	61.22
Engineering	96.96
Interest on Warrants	43.69
Amount to be Assessed	$4,413.17

Property frontage assessed 1,626.54 feet

Cost per linear foot of frontage to be assessed $2.71

The cost of said water main to be assessed has been and hereby is declared to be the sum of $4,413.17

NOW THEREFORE, it is hereby further determined that the proportionate share of the cost of laying said water main of each parcel of the property fronting on said portion of said streets is the amount set opposite the description of each piece or parcel of land below and that each such piece or parcel is benefited by the laying of said water main to the full extent of the amount so set opposite the description of such piece or parcel and that the respective amounts represent the proportional benefits of said water main to said respective parcels of property and also the proportional frontage thereof on said portion of said streets, and the Council does hereby declare each of the parcels of property in the City of Medford as described below to be assessed and each of the same hereby is assessed the amount set opposite each respective description for the cost of laying said water main.
