

CROSS COUNTRY WHIRL
—Captain James E. Bowman of Amboy, Ind., waves from cockpit of the H-21 Army helicopter he piloted non-stop from San Diego, Calif. to the Pentagon Building in Washington. Flight took about 31 hours. The "windmill" was refueled in the air six times along the way.

Week End Brings Five Accidents In Jackson County

Highways in Jackson county were spotted Saturday and Sunday with five automobile accidents. One person was in the hospital this morning as a result, and another was reported to have received minor injuries.

A one-car wreck did extensive damage to the front and sides of an auto driven by Donald Warren Stetson, 32, of 111 Lindley ave. at about 12:15 a.m. Sunday.

Stetson took the curve at Miller's gulch bridge on highway 99 at about 55 to 60 miles per hour, officers said, and his car skidded across the highway and lodged against a telephone pole. Stetson complained of a back injury and was taken to Sacred Heart hospital by a friend. He was reported in "good" condition this morning.

State police reported that at 4:35 p.m. Saturday on South Stage rd., a car driven by Minnie Bell Ebel, 77, of 620 South Oakdale ave., went out of control and knocked over about 10 mailboxes. Minor damage was done to the vehicle and it was taken away by a wrecker called by the owner.

Man Jailed

A sedan driven by Thomas Verne Carter, 54, of Ashland, and a convertible operated by Thornton Edward Pierce, 45, of route 1, box 265, Talent, collided at the intersection of highway 99 and Valley View rd. at 11:15 p.m. Saturday.

Annabel Krout Pierce, 46, passenger in the Pierce car, was taken to Community hospital in Ashland with minor injuries. State police said Pierce was lodged in the county jail charged with being drunk on a public highway.

At the same intersection, cars driven by Lawrence Dale Haynes, 15, of Ashland, and Edwin Bennett Mason, 68, of Sterling City, Calif., collided about 1:10 p.m. Sunday. Minor damage was incurred by both cars.

Conflicting Reports

State police said conflicting reports were received from persons involved in an accident on highway 99 a mile south of Rogue River at about 12:15 p.m. Sunday. The first vehicle was operated by Lenora Kain, 68, of Hermosa Beach, Calif., and the second by David Timothy Parsons, 16, of route 1, box 323, Gold Hill. The investigating officer said it appeared as though the Kain car had stopped on the shoulder while a man in the car got out and crossed the highway on foot to visit a fruit stand. Meanwhile, the driver started to drive the auto across the highway. The Parsons vehicle was travelling down the highway and struck the crossing car crumpling both autos' fenders. No citations were issued.

Sparks Businessmen Shout of Meter Lack

Sparks, Nev.—U.P.—Businessmen and city officials of this community adjoining Reno grasp every opportunity to shout to the world there are no parking meters lining the streets in the downtown section.

But one enterprising casino operator went a step farther. He purchased a parking meter, installed it in front of his club and then covered it with a cage.

The attached sign reads: "DANGER: Do not feed this beast."
