

LABOR DAY 1956

The men who founded our country worked together to achieve their ideal of a FREE AMERICA. And today, America carries on this tradition of FREE MEN working together for a common purpose . . . American workers, standing steadfast for Freedom, Honor and Tradition . . . help to develop and maintain our national strength and free way of life. WE ARE PROUD to SALUTE THAT GREAT FORCE . . . THE AMERICAN WORKER. It is our dedicated purpose to insure that the American worker shall receive the most for the fruits of his labor.
