

CLARKE HAMON
Nursery Service Fieldman
Grants Pass Man
Nursery Service
Fieldman Here

Clarke Hamon, Grants Pass, was recently named southern Oregon fieldman for the state department of agriculture bureau of nursery service. He is a new member of the department staff.

After training in Portland and Salem, Hamon was assigned to seven counties, including Jackson and Josephine. He will be responsible for the inspection of nurseries, bulb plantings, greenhouses and florists shops in those counties.

A graduate of the University of Idaho in horticulture, Hamon comes to the department with an excellent background for his new work. He was for a period manager at Caldwell, Idaho, of his father's garden store and adjoining nursery.

For two summers during his university years he worked with the Idaho department of agriculture in cherry and peach tree surveys on Western X and Little cherry diseases. In 1951 he also worked on pea weevil controls for a freezing plant in Idaho.

He spent four years in the Air Force, re-entering civilian status earlier this year. He is married and has two children.

Southern Area Bank
Debits Show Rise

Eugene — Bank debits for July in the southern Oregon area, including Medford, showed a 16.3 per cent increase over June and a 9.9 per cent increase over July of last year.

The debits are collected monthly from 152 Oregon banks by the bureau of business research at the University of Oregon. The bank debits represent the dollar value of checks drawn against the deposit accounts of individuals and business firms. Debits are regarded as good indicators of current business activity.

Totals for the state for July were \$1,618,592,157, an increase of 10.3 per cent over June and an 8.1 per cent increase over July, 1955.

Telephones Idled

By Lightning Strike
Portland — (U.P.) — Work on a lightning-struck cable of West Coast Telephone company is expected to be completed tomorrow, company officials said today.

Some 1000 to 1200 subscribers of the company on the east edge of Portland have been without telephone service since Saturday when lightning struck the cable at SE 200th ave. and Stark st.

In New York state horse-race bettors sometimes fail to cash their winning parimutuel tickets. The state collected more than a quarter of a million dollars from that source in 1955.

Court Records
