

COLTS MEET GLENDALE SUNDAY IN RV PLAY-OFF

Medford Cheney Colts will play at Glendale at 2 p.m. Sunday in the first round of a four-team play-off for the championship of the Rogue Valley Baseball circuit.

Cave Junction downed Glendale 6 to 4 Wednesday night in an extra game to decide the regular season championship. The Outlaws will be hosts to Grants Pass on Sunday in the other season end play-off game.

Sunday winners will vie on Monday afternoon, Labor day, for the championship. There will be no game for third place.

Cave Junction and Glendale were tied after last Sunday's final games of the regular slate.

Grants Pass was third in the standings and the Colt's fourth. **Key Kelley To Pitch**

Kelley is ticketed to pitch for the Colts on Sunday with Doy Gatlin doing the catching. Howard Morris, who catches and plays in the outfield, will not play Sunday. His marriage to Virginia Dew is Saturday night.

The probable line-up includes Harvey Tonn, first base; Morrie Churchman, second base; Don LaBeau or Donn Johnson, third base; Frank Rector, shortstop; and Larry Bigham, Ed Reinking and Bob Serak, outfielders.

No method for determining the site of the Labor day finale has been announced.

Tornado Has Squad Tussle On Saturday

Medford High school's football squad will close out its first week of practice with intrasquad game on Saturday morning.

Head coach Fred Spiegelberg indicated that the group of grid candidates will be divided into about even contingents for the action. He plans a one-half hour tussle with no one player to see a great deal of action.

Soo, Vasquez In Ring Tiff

Washington — (UP) — Unbeaten Jimmy Soo is certain he will be lightweight champion some day, but the cold-hearted odds-makers say it's 8-5 that he'll be handed the first loss of his career in tonight's nationally-televized bout against Bernabe (Baby) Vasquez.

Soo is a 24-year-old Philadelphian who hasn't lost any of his 34 professional fights. His winning string is the longest live one in pro boxing circles. Retired heavyweight champion Rocky Marciano made Soo No. 1 when he gave up his title after 49 straight victories.

Vasquez is only a year older but has much more experience. Lightweight champion of Mexico, he has 44 victories and a draw in 57 professional fights.

Hard Fight for Top Honors Probable in Sunday Drags

A hard battle for the top eliminator trophies may be in order Sunday in the drag races at the Camp White strip.

Southern Oregon Timing association officials are hoping for the return of the three previous top participants in speed contests at the association's strips. Eliminator trophies were taken in the past meets by the autos of Skipper Walker, Jim Williams and Monte Wray and Lou Wolfe.

The drags start at 1 p.m. Qualifying runs begin at 10 a.m. and entries close at noon except for those cars which must come more than 150 miles for the races.

Wray and Wolfe, Ashland,

had a 96-miles an hour time last week and their objective is to go over the 100 mph mark this time out in their 1932 Ford roadster. The last SOTA races put the car on the CW strip for the first time.

Other Groups Expected

Local car and motorcycle jockeys will make up a good share of the entries but groups are expected from Grants Pass, Klamath Falls and Redding and Crescent City, Calif. Armal Owens, Redding, Calif., at the last races had the top motorcycle time of 90 mph.

Winners last week were from Merlin, Central Point, Medford, Crescent City and Grants Pass, as well as Ashland and Redding. There were 13 classes for autos and two for cycles.

Trophies will go to winners in each class this week in addition to top eliminator cycle and auto. The SOTA welcomes spectators to its races.

Shanty Will Try Again

Detroit — (UP) — Shanty, currently the hottest boat afloat and winner of the International Harmsworth trophy earlier this week, was among the speedsters turning out on the Detroit river today to take a shot at qualifying for berths in the 49th annual Gold Cup race.

Seven berths still were open for tomorrow's Gold Cup classic as the contenders for the power-boating prize lined up to take their turns at making the qualifying score of 85 miles an hour over the three-mile Detroit river course.

Also scheduled to turn its three qualifying laps was Miss U.S. II, winner of this year's Silver cup.

Shanty, owned by William Waggoner of Vernon, Tex., and driven by Air Force Lt. Col. Russell Schlee, tried to qualify yesterday but the boat which set a new Harmsworth lap record of 110.337 mph on Monday petered out on the second lap and Schlee guided it into the pits.

Angling Outlook Good at Fish, Willow Lakes

Prospects are bright for good fishing at both Fish lake and Willow lake over Labor day. That is the report from the management of both resorts.

Fishing is excellent at both lakes, it was reported yesterday. Catches yesterday included a 22-inch five-pounder, hooked before 6 a.m. by Joe Spitzer. Prospect. The rainbow trout was taken by trolling and weighed five pounds.

The lake levels are being dropped in order that work may be done on dams and spillways and the lowering of the water is a factor in making angling better, it was pointed out.

Dick McLaughlin and Tony Brauner will start out as opposing quarterbacks.

A considerable amount of teamwork was billed for the Tornado today along with individual drills. Dummy scrimmage is planned in order to gain timing and precision in the plays.

Full Blast

Grid candidates worked on team defense, had dummy scrimmage and went 10 minutes or so full blast in contact scrimmage yesterday afternoon. Morning drill saw much work in individual groups. Linemen worked on blocking and pass protection, backs on passing and
