

Bible Rolls Up Big Vote Margin

Reno, Nev.—(UP)—Sen. Alan Bible eased the worry of Democratic leaders fearful of losing control of the Senate next November by rolling up a wallowing and totally unexpected vote margin to win re-nomination in Tuesday's Nevada primary.

The 46-year-old former attorney general, who inherited the Senate seat occupied by the late, powerful Sen. Pat McCarran for 21 years until his death in 1954, had been expected to win the Democratic Senate nomination over three opponents.

But few persons in Nevada dreamed he would roll up the margin he did, almost 4-to-1 over his nearest opponent, 42-year-old State Sen. B. Mahlon Brown of Las Vegas.

With approximately 58 per cent of the votes counted, a United Press tabulation gave Bible 23,645 as against only 6,599 for Brown. Only about 55

Salem Man Killed Near Eugene Early Yesterday

Eugene—(UP)—Everett Franklin Smith Jr., 22-year-old Salem resident, was killed early Tuesday when he apparently fell asleep at the wheel of his pickup truck and it went over an embankment seven miles east of Eugene.

Smith's body was found by a passerby about 6:30 a.m. near the Coast Fork bridge over the Willamette river on Highway 58.

per cent of the state's 106,796 registered voters cast ballots. The remaining two candidates wound up in the voting booth. Attorney General Harvey Dickerson had 2,376, and Julien Sourwine of Reno, 1,867.

Bible, whose smashing primary win makes him a formidable candidate in November, faces Rep. Clifton Young, 33-year-old Reno attorney serving his second term in Congress in the general election. Young was unopposed for the GOP Senate nomination.

Third Body Said Recovered by Reds

Washington — (UP)—The State Department announced yesterday that Red China has recovered a third body from a Navy patrol plane shot down Aug. 23 by Red Chinese planes.

The department identified the body as that of Aviation Electronics Mate William F. Haskins, Westport, Conn.

The State Department said it got the information when Red China Monday notified the British charge d'affaires at Peiping that a body identified as an American was found Aug. 31 on the beach of one of the Chushan islands.

The department said the Chinese Communists have agreed to turn Haskins' body over to the British representative in Shanghai.

The United States has charged the Red planes attacked without warning over international waters.

The United States is now preparing a note to be sent to Red China demanding compensation for the plane and loss of lives. Communist China has said in advance that the American plane had provoked the action.

The U. S. Navy recovered two bodies of the crew previously.
