

This week is **GRAPE** Time

at **Safeway** Luscious clusters from California vineyards

A wonderful harvest of table grapes is going on right now in California vineyards. And the finest of these favorite eating grapes are coming to Safeway. So freshly picked you see the delicate "bloom" still on the skins! Clusters are compact and inviting. They've been kept cool and dry during fast shipment. And we've handled *only the stems* in setting out displays...so the grapes you get from Safeway are at their plump, juiciest. Come in for a *big bagful!*

Tokay

These are the big red grapes that make your table festive—the beautiful Flame Tokays. Each grape firm-fleshed...actually "crisp" to bite into...and tantalizingly sweet.
