

# Newcomer's 24th Victory Gives Bums Sole Possession of NL Lead

## Phils' Win Spill Braves From Lead

### Yanks Muff Chance to Clinch Tie For Flag

By UNITED PRESS  
Don Newcombe's 24th victory of the season, a 3-0 shutout over the Chicago Cubs, moved the Brooklyn Dodgers into first place in the National league Saturday as the Milwaukee Braves tumbled to second with a 6-5 loss to the Philadelphia Phillies.

In the American league, the New York Yankees muffed a chance to clinch at least a tie for the pennant by losing to Detroit, 6-2, after second-place Cleveland had lost to Boston, 5-3.

The Dodgers' triumph, their sixth in the last seven games, put them just two percentage points ahead of Milwaukee. It marked the first time the Dodgers held undisputed possession of first place since April 28 and the first time Milwaukee has been out of the lead since July 13.

### Robinson Hits Double

The third-place Cincinnati Redlegs downed Pittsburgh, 6-4, to move within two games of the league lead on the eve of a two-game series in Brooklyn.

Newcombe allowed only three singles as he became the fifth biggest winner for a season in Dodger history. Jackie Robinson doubled home Brooklyn's first two runs off Cub starter Don Kaiser in the third inning and Kaiser's obstruction play in the fifth allowed Junior Gilliam to score Brooklyn's final run.

The Phillies-Braves battle was a stormy affair marked by the ejection of five Braves, including Manager Fred Haney. The Braves, trailing 3-1 after starter Bob Buhl had been knocked out, rallied to tie the score with four runs in the seventh, including three on Hank Aaron's 26th homer. In the Phils' eighth, winning relief pitcher Curt Simmons singled with two out and scored on Richie Ashburn's triple.

### Roberts Stops Braves

Haney and three Braves were tossed out at this point for arguing that a second ball called on Ashburn should have been called "strike three." Milwaukee lead-off batter Johnny Logan in the ninth was ejected in a dispute on another strike call. With one out, Andy Pafko doubled but Robin Roberts relieved to retire the side and preserve the Phils' win.

For Cincinnati, Gus Bell drove in three runs with his 26th and 27th homers of the year and Brooks Lawrence gained his 19th victory with relief help from Bud Freeman. Bill Mazeroski hit a two-run homer for Pittsburgh, his first in the majors.

Sammy White of the Red Sox singled with the bases loaded in the ninth inning to drive in the two runs that beat Cleveland. Ted Williams hit a three-run homer, his 22nd, in the sixth of the early Boston runs. Bob Feller pitched the route for the Indians in search of his first win of the year but suffered his third loss.

### Lary Gets 18th

This gave the Yankees a chance to clinch a pennant tie by beating Detroit, but the Tigers rose up with 13 hits, including five doubles, to gain the victory that gave them a final 12-10 edge over the Yankees for the year. Frank Lary pitched a five-hitter for his 18th victory.

In other games: Baltimore made six hits stand up for a 4-1 victory over the Chicago White Sox; Kansas City pounded out 15 hits in a 10-5 win over Washington; and homers by Al Kark, Stan Musial, and Ken Boyer led the St. Louis Cardinals to a 9-3 victory over the New York Giants.

## Grid Sessions Get Underway At OSC, U. of O.; Beavers Hopeful

Corvallis, Ore. — (U.P.) — No one will be able to question Coach Tommy Prothro when he starts talking about the weights of his Oregon State Beaver squad.

The Orange mentor invited a Corvallis notary public to weigh squad members, for the second straight year. Generally speaking, the weights are about the same as last year.

Saturday afternoon a full-scale scrimmage session under game conditions was planned. This will likely be the last heavy scrimmage before the Missouri game next week.

Corvallis, Ore. — (U.P.) — Coach Tommy Prothro, miracle-coach of the Oregon State Beavers, thinks he will field a better team than last year's runner-up club in the Pacific Coast conference, but it may not win as many games.

The schedule is tough," Prothro says. "We play three of our first four games on the road and all involve lengthy trips. And I think our success or failure also will depend a lot on how the sophomores develop as understudies to the regulars."

Thirteen lettermen are gone from last year's surprise package which vaulted out of the basement into a runner-up spot behind UCLA after Prothro checked in from that school bringing the single-wing attack.

Among key men who have departed are quarterback Ron Siegert, left guard Bob Riggert, left halfback Ray Westfall, tackle Bob Buettgenbach and center Larry Stevens.

But a pretty solid corps of veterans also is coming back, headed by tackle John Witte, who was named to the United Press All-Coast team last year; wing-back Sam Wesley who led the nation in interceptions, and tailback Joe Francis.

Witte will help make the Beavers strong at the tackles where he is expected to pair up with Ted Bates, a good sophomore. Other second year men who are expected to help Riggert at the

## Crater High Comets Top Yreka Miner Eleven 34-19

Central Point—Crater high's Comets, behind 6 to 0 at one stage of the second quarter, swished back to upend Yreka, Calif., 34 to 19 Friday night at Yreka.

The Comets dominated the action after the initial Miner score on a pass interception. They out-yarded Yreka 308 to 115 and had 15 first downs to the Miners 4. Last two scores of the Yreka crew came against Crater reserves. Crater was on top 13 to 6 at the half and 26 to 12 at the end of the third quarter.

Dale Allen's 85-yard interception runback of Wayne Allen's pass opened the scoring in the game. Crater banged 95 yards, relying over its own tackles and getting also on pitch outs to garner its first TD. Wayne Allen bucked the last yard and Don Goyette ran the conversion. Lee Gossett set the stage for the other second quarter Comet TD, intercepting a pass on the Yreka 30 and going to the 12-yard line. Goyette gained the last half-yard.

Long Kick-off Run  
Goyette ran the kick-off back from his five to the Yreka 53 to start the second half. The Comets drove to the eight and George Juveland went the rest of the way. Goyette bucked for the bonus. Roger Seaman then fell on a fumble on the Yreka 40. Four plays later Barnes converted with a run.

Yreka ran the kick-off back from its 20 to the Crater 40. The Miners scored on a 20-yard pass play. Dale Allen to Dennis Bonner.

Wayne Allen's pass to Juveland was good for 36 yards and a last Crater Touchdown. Allen passed for the conversion. A 15-yard pass play. Dale Allen to Bonner got the final counters for the host school.

### Swaps Gets Scratched

Mays Landing, N. J. — (U.P.) — C. V. Whitney's Career Boy, 1,100 pounds of heart and muscle, won a driving victory in the \$100,000 United Nations Handicap on the rain-soaked turf at Atlantic City race course Saturday after favored Swaps was scratched because of lameness.

### 'Sink or Swim' Touch Football Meeting Today

A "sink or swim" meeting on touch football league operation for Medford will be held this afternoon at the senior high field.

The meeting has been called for 2 p.m. All persons planning to participate in the projected league or interested in it are asked to be at the session.

Bob Higgins, who is heading up league organization, reported yesterday that getting player injury is still proving to be the bugaboo. So far, no insurance program has been found which is both inexpensive enough and fills the bill for a loop just starting.

If an insurance plan cannot be obtained shortly, it may be decided to drop organizational plans for this season and start early next summer on preparations for 1957 loop play. However, if Sunday's meeting shows that enough players are willing to sign waivers relieving the loop from injury responsibility, this year's formal play may proceed.

## Scribe Puts Yanks in Brave's Corner, Moore Fight Predicted

By OSCAR FRALEY  
United Press Sports Writer  
New York — (U.P.) — Fearless Fraley's facts and figures: The New York Yankees will be the favorites in the World Series regardless of whether they face the Milwaukee Braves or the Brooklyn Dodgers but it's easy to understand why the Bombers are rooting for the Braves.

With the first two games at Milwaukee County Stadium, instead of at Ebbets Field, the series rivals would draw 22,000 more spectators, Milwaukee seats 43,117 and Ebbets Field only 32,111. Nothing personal, "un-nerstan", just a matter of money.

The long-delayed signing of a heavyweight championship bout between ancient Archie Moore and young Floyd Patterson probably will come off next week. With Patterson's hand medically okayed, the bout is virtually set for Chicago Stadium the first week of December. And there is a surprising shift of favoritism to old Arch.

Pass Emphasis Tapers Off  
There is expected to be a lot less heaving of the ball on the collegiate gridirons this season because of the ball-control success of Ohio State and Oklahoma last season.

"The good ones will hold the ball as long as they can and go for that first down," analyzes veteran Lou Little. "But it's still the same for the poor teams. They're still got to pitch and pray when they can't move it on the ground."

If Jockey Willie Shoemaker wins today's United Nations Handicap at Atlantic City, N.J., with Swaps he'll set another record. His \$1,876,760 in 1954 purses won was an all-time high. He has won \$1,831,780 to date this year—and today's \$65,000 to the winner would break his own mark.
