USED CARS

1956 NASH STATESMAN $2495
Overdrive, weather eye, reclining seats, twin bed feature, etc. Pink and frost white. Beautiful to look at. 4 coil springs provides America's softest ride. Nash famous overhead valve 6 cyl. engine allows greater economy with maximum efficiency. Truly a fine car at a greatly reduced price.

1955 RAMBLER SEDAN $1595
A thrifty nifty. Here is one of those hard to find used cars. Well appointed with a generous amount of extras including overdrive that could allow you up to 30 miles per gallon. Yes, it has music, and twin bed feature also.

1954 MERCURY CONVERTIBLE $1995
Both interesting and enticing, you can really get a lift with this one. Red and white with black top, loads of extras. It's a yes car if I ever saw one. The man that traded it in went whole hog and got a Rambler with twin beds.

1953 CHEVROLET BEL AIR $1195
4 door with power steering, power glide trans. radio signal and back-up lights. Whitewall tires. Too many extras to mention. Now we are going to trade this off this weekend. If you want a real deal, come on in, but hurry.

1951 CADILLAC HARD TOP $1595
Most everyone has at one time wanted a Cad hard top with low miles, exceptional motor, clean thruout. Here is one just like that. All black with premium whitewall tires, yet at such a low price that anyone can afford. The only way you can fully appreciate this car is to see it.

1953 CHRYSLER CLUB COUPE $1295
This is the popular Windsor model which will provide you with big car comfort and performance, but will not break you on upkeep. This should be reasonably economical with its 6 cylinder engine. All over this car is good and of course is well appointed with extra equipment.

1951 MERCURY SEDAN $695
You can buy '51 Merc's for less but you will not buy better. This is a very unusual car, spotless inside and out. All in original condition
