

TORNADO, INDIANS TUSSELE ON LOCAL TURF TONIGHT

Fans expecting to see a Black Tornado when they go out to the Medford Senior High school football stadium tonight are in for a surprise. They'll see a Tornado, all right, but—well, go out to the field and see.

Medford's gridironers are hosts tonight to the Roseburg Indians. Kick-off is set for 8:15 p.m.

The Tornado, which has overpowered two adversaries so far this season, is the favorite. But despite the tendency of Roseburg followers to disclaim a

the Ashland game. Lane, Larson out.

Medford prospects for the season took a boost this week end with the turnout of halfback Billbee Lane, fullback Wally Larson and letterman tackle Pete Kershaw. Lane, who transferred from Rogue River last winter, and Larson, who has jayvee experience, will be in uniform and may see some service tonight. Kershaw is not scheduled to be in suit. Lane won the Oregon half-mile title for Med-

ford last spring while Larson won the state low hurdles and was second in the high. Lane was a top back for Rogue River last fall.

Coach Fred Spiegelberg reported that fullback Bob Gee, out with a cold on Wednesday, was back in school yesterday.

Wester Harris, Medford high principal, has announced that tonight and at future Medford home games this season the west side grandstand will be for students only.

TORNADO BALL TOTE—Gary Riley, above, Medford high's all-conference, halfback, is scheduled to see his greatest amount of duty for the Black Tornado so far this season tonight when Medford plays the Roseburg Indian gridiers here. Riley, out of action because of a hand laceration, missed Medford's first game of the season and was in on just a few plays last week end. Game time at the senior high stadium is 8:15 p.m. (Lantis-Shangle photo).

MEDFORD TRIBUNE SPORTS

Ducks Favored in Opener; Oregon Staters Underdogs

Portland — (UPI) — Oregon and Oregon State football teams open their 1956 seasons tomorrow against Big Seven opposition away from home.

Coach Len Casanova's Ducks flow east for a game with Colorado while Coach Tommy Prothro's Beavers meet Missouri; also

on the opponent's field.

Odds-makers have made Oregon a slight favorite and Oregon State a slight underdog. But many point to the high altitude in Colorado as a possible handicap to Oregon. And others point to Missouri's poor record last season as a possible advantage to Oregon State.

Marshfield, Grants Pass In Grid Tilt

Oregon high school football teams enter their third week of play tonight with several important games and a big jamboree in Portland highlighting the action.

Oregon's speedy backfield is carrying most of the hopes of Webfoot fans this year. Back are Jack Morris, Jimmy Shanley and Jack Brown with cool Tom Crabtree to guide them at quarterback.

Oregon State's big name is John Witte, the all-American tackle possibility. But the Beavers also have their share of backfield talent in Sam Wessley and Joe Francis along with a promising soph in Paul Lowe.

great year for their club, the Medfordites are not overlooking a threat from the Umpqua valley city last, who last week crushed Ashland 42 to 0.

Weight Advantage

Advantage in both weight and experience will be on Medford's side. The Pear Capital eleven has a rugged hard driving line which opens the way for a versatile offense of T and single wing formation plays. With the line and blocking backs setting them loose, Eldon Francis, Gordon Owsley and Gary Riley all have shown break-away ability. And Medford's passing must be considered a threat.

Portland teams each play one quarter with the games to be finished out Saturday night. More than 20,000 fans were expected.

The game attracting the most attention is a clash in Coos Bay between Marshfield, after its 26th straight win, and Grants Pass, which has won two straight. The home town Pirates are favored but it might be tough. Another clash puts a strong Albany team in an important league game against Bend.

Central Catholic, which so far hasn't appeared as powerful as in recent years, meets a strong Beaverton eleven. Gresham is heavily favored over David Douglas, while Astoria faces Millwaukie and a test of strength for the Fighting Fishermen.

ROMPS FOR DUCKS — Jack Morris, above, ex-Medford high school gridiron great, leads a host of fleet University of Oregon football backs who'll be trying to repeat last year's 250 yards per game average which topped the Pacific Coast conference rushing totals. Morris, one of the fastest backs on the coast, netted 501 yards for a 4.6 average per carry at fullback. The Webfoots play Colorado on Saturday.

Gonzales Grabs Pro Net Title

Milan, Italy — (UPI) — Pancho Gonzales of Los Angeles drubbed Frank Sedgman of Australia, 6-4, 6-4, 6-3, Thursday to win the singles title in the "Trophy of Champions" professional tennis tournament.

Gonzales and Tony Trabert of Cincinnati, Ohio, teamed up to beat Sedgman and Rex Hartwig, 6-3, 3-6, 6-3, in the doubles final.

Other top games this week end include: McMinnville at Girard; Forest Grove at Oregon City; Cottage Grove at Eugene; North Bend at Springfield; Roseburg at Medford; Ashland at Phoenix; Redmond at Crater; La Grande at Caldwell; Idon, Washougal, Wash., at The Dalles; Mac-Hi at Kennewick, Wash.; Pasco, Wash., at Pendleton; Corvallis at Lebanon; North Salem at Prineville, and South Salem at Sweet Home.

Machen, Holman In October Bout

Portland — (UPI) — Promoter Tommy Moyer said today he had signed heavyweights Eddie Machen, Redding, Calif., and John Holman of Chicago for a 10-round bout here Oct. 24.

Holman is the nation's fourth-ranked heavyweight and Machen, who has won two fights here, the sixth. The bout will be held in the armory, Moyer said.

Toski Leads In Oklahoma

Oklahoma City — (UPI) — Bob Toski, who was the big money winner on the professional golf circuit in 1954, led a field of 135 golfers today into the second round of the \$15,000 Oklahoma City Open.

The 140-pound Holyoke, Mass., golfer exploded with a four-under-par 66 Thursday over the tricky, tree-lined Twin Hills Country Club course. Par is 36-36-72.

Bill Casper Jr., Chula Vista, Calif., and Bill Nary, Wayne, Mich., were tied at 69.

Henry Ransom, St. Andrews, Ill.; Don Whitte, Alameda, Calif.; Loddie Kempa, Oklahoma City left hander; Billy Maxwell, Odessa, Tex., and Ed Hamilton, a host course amateur, all had first round two-under-par 70s.

OCC Elevens See Action

By UNITED PRESS

All teams of the Oregon Collegiate conference are in for action this weekend, with two of the teams trying for their second victory of this football season.

Eastern Oregon at La Grande and Oregon Tech at Klamath Falls got a head start on the rest of the league members last week when each came up with a win while the other conference schools were idle. Both face tougher foes this week.

Eastern Oregon travels to Caldwell to play a heavily-favored College of Idaho eleven. OTI vs. Yakima

Oregon Tech faces Yakima J.C., a club reported to have one of its best teams in recent years. This is also a Saturday night game, at Klamath Falls.

Southern Oregon of Ashland meets Humboldt State at Medford Saturday night, a game rated as a tossup.

Oregon College of Education at Monmouth plays a Shrine benefit game at Longview, tangling with the lower Columbia junior college eleven. Portland

State opens its season with an afternoon game at McMinnville against Linfield.

FOR BIG JOBS... SMALL JOBS... ALL JOBS

Ford tandem axle BIG JOBS are rated to carry more payload than comparable tandems of any of the leading manufacturers. T-800 model has max. GVW of 45,000 lb.—GCW is 65,000 lb.

Ford's F-100 Custom panel is one of the top load carriers in its class. It provides 155.8 cu. ft. of cargo space in a smooth, fully lined interior and hauls up to 1,335 lb. of payload.

The hardest-working, biggest-saving "two-tonner" of them all is the Ford F-600. Only Ford offers a Short Stroke Six and three Short Stroke V-8's in this field. Max. GVW is 19,500 lb.

Ford Trucks cost less

And low first cost is only your first saving

Before you buy your next truck, look at both sides of Ford's story of value. Check what you get and what it costs. You'll like what you see.

Look at the costs. Ford's first cost is low. Resale value is high. Modern Short Stroke engines—V-8 or Six—are designed for less friction, less wear, lower running costs. Maintenance costs are lower, too, because Ford trucks are built stronger for rugged long life. And a 10-million truck study proves Ford trucks last longer.

Look at what you get and you'll see you get more in a Ford. For example, more horsepower per dollar—proved by a comparison of factory-suggested list prices and net horsepower of all truck lines. You get more comfort with a Driverized Cab, and more safety with Ford's exclusive Lifeguard features.

Look carefully... consider everything. You'll agree Ford trucks cost less, give you more. If you want a great deal—a great deal more for your money—see your Ford Dealer.

Ford's F-100 pickup with 8-ft. box is the biggest in the half-ton field—up to 19 cu. ft. more loadspace than the others. Regular 6 1/2-ft. box with a full 45 cu. ft. capacity also available.
