Mrs. Harriett Watson, chosen as "Beep of the Week" by Medford Business and Professional Women's club Thursday night, is shown here receiving a banner from Miss Voda Brower, club president. Selection of the "Beep," first ever chosen by the club, marks the opening of National Business Women's week here. Mrs. Watson, a past president, will be honored at a number of events planned for the week.

Golden Wedding Dinner Given For Medford Couple on Sunday

Mr. and Mrs. E. Earl Heft, 211 North Columbus avenue, were honored by friends who gave a dinner in celebration of their golden wedding anniversary, Sunday, September 16, in the annex of the Assembly of God church, following the morning service. It was planned as a surprise to the couple.

Mrs. Wallace Nylander sang, accompanied at the piano by Mrs. Lloyd Thornton. A gift of 50 one-dollar bills was presented by the Rev. R. E. Cull in behalf of himself and members of the church.

Mrs. Heft, the former Estella M. Grisham, and her husband were married in Jackson county, September 5, 1906, at the home of her parents, Mr. and Mrs. David M. Grisham. Mr.

Heft came to this county from Michigan in 1904, while his bride, a native of Nebraska, arrived in Jackson county with her parents in 1900.

The Hefts have one daughter, Mrs. Edward Bingham, 16 Mistletree street, and two grandchildren, G. Edwin Bingham, at present attending University of Oregon, and Mrs. Norman Love. Their great granddaughter just missed being born on their fiftieth wedding anniversary. Baby Ramona Delene Love arrived at a Medford hospital September 6, about eight hours too late for the celebration.

In charge of arrangements for the occasion was Mrs. Alfred Bendickson, assisted by Mrs. Guy C. Erickson, Mrs. William McKinley and Mrs. Don L. Ja-

Medford BPWC Announces First "Beep of the Week"

Mrs. Harriett Watson was chosen "Beep of the Week" at the September meeting of Medford Business and Professional Women's club Thursday at Roxy Ann Grange hall.

Selection of a popular and outstanding member of the club as "Beep" was inaugurated by the club this year as a part of National Business Women's week, to be celebrated throughout the nation September 23-30.

Mrs. Inez Friel, general chairman for the week here, outlined the schedule of events and stated that Mrs. Watson will be honored at these. After Mrs. Watson's selection Thursday night, she was presented a banner by Miss Voda Brower, president of the club, and asked to wear it during the day as she worked at The California-Oregon Power company, and to functions given in her honor. It was stressed that Mrs. Watson as "Beep of the Week" will symbolize the modern business woman.

Purpose of the national week is to promote friendly working relationships between all trained working women in all different industries and professions and to arouse interest in the increasing importance of the contribution of business women to the national economy, it is stated.

Attending the meeting as a guest was Miss Stella Sellah, a career woman from Singapore visiting in Medford. She took an informal part in the panel discussion of "Career Advancement for Women" arranged and moderated by Miss Laura York, program chairman for the evening.

Opening the week is a breakfast given in honor of Mrs. Watson at nine o'clock this morning at Rogue Valley Country Club. After this breakfast, sponsored by the executive board and presided over by Miss Brower, members plan to attend in groups the eleven o'clock service of churches of their choice.

Monday, September 24, the Beep will be a guest at the Chamber of Commerce round

table luncheon at the Jackson hotel. At 2:30 p.m. she will be interviewed with Mrs. Friel and Miss Bower on Val Rogue TV by Miss Helen Webster, answering questions on the purpose and accomplishments of the International Federation of BPW.

Wednesday noon a Business Women's luncheon will be sponsored by the club for the first time. It will be held in the Pioneer room of the Jackson hotel from 11:45 a.m. to 1 p.m. This will be open to any business or professional woman; no invitation is needed and reservations may be made by telephoning Mrs. Friel, 2-4039, or Mrs. Enid Rankin, 2-8448, by Tuesday, September 23.

Jennings Pierce will be guest speaker, his topic being "The Women of Our Town". Miss Brower will preside; Mrs. Friel will be mistress of ceremonies and will see that everyone "meets the Beep."

Thursday, September 27, the Beep will be presented by Mrs. Bert Pree at the Greeters' club Kaffee Klatch of the Chamber of Commerce at the Medford hotel. Friday, September 28, Mrs. Watson will make a call on the "West Side Party" of KMED radio station.

Business and Professional Women will close the week's activities with a traditional tea at the Medford Hotel Rogue Room Sunday, September 30 for members and guests. Hours will be 3-5 o'clock.

Sisters Return From Long Trip

Mrs. G. O. Sanden, 304 South Central avenue, returned Thursday evening from a long trip which took her as far south as Tia Juana, Mexico. She left June 20 and enroute south spent a week attending the meetings of "The Camp Farthest Out" held at the University of Redlands, Calif., and another week at the home of her son, Gage Sanden and family at San Diego.

She then joined her sister, Mrs. Vivian Pathmann, Riverside, and together they took a 5-day conducted tour of Grand Canyon, Bryce and Zion National Parks and Cedar Breaks National Monument in Arizona and Utah.

In Salt Lake City they visited Mormon Square and other points of interest, then continued to Denver, Cheyenne, Chicago and Evanston, Ill., and Madison, Wisc. They stopped in various Minnesota towns, including Preston, their former home town. They attended the opening day of the Minnesota State Fair at St. Paul. Later the women traveled to Rapid City, S. D., toured the Black Hills and attended the world famous Passion Play there. This play is held in an outdoor amphitheater which seats 2,000 persons, and the story is given just as the Bible tells it.

In Spokane, Wash., the travelers visited a sister and then continued to Seattle, Vancouver and Victoria, B. C. for sightseeing. They visited a sister at Portland and at the home of Mrs. Lois McMullin at Cottage Grove, Ore. Mrs. Pathmann is a
