Helena Rubinstein's Contour and Throat Treatment "Lifts" Years off your Looks

Now—be an eye witness to the "lifting," tightening wonders that have made Helena Rubinstein's remarkable Contour-Lift Film world famous. See yourself looking younger as your chin line tightens, eye puffiness diminishes, wrinkles seem to vanish.

As you sleep, Contour-Lift Film works to "lift" contours that are losing elasticity. Filmed on lightly before make-up, it seems to banish lines and wrinkles.

Along with this thrilling "face lift," you'll get free of extra charge, an introductory bottle of Helena Rubinstein's new Special Throat Formula. Quickly absorbed, this scientific discovery supplies the finest oils to the throat to help smooth out creases. Vitamin Complex (A, D and E) combats dryness while a special astringent clarifies slack outlines.

Together, these two marvelous preparations are a new lease on youth and beauty for face and throat.
