

Nurses Hold Convention In Medford

Opening sessions of the annual convention of Oregon Licensed Practical Nurses' association are being held here today at the Jackson hotel. About 80 delegates are attending and Mrs. Oma Pysker, Portland, state president, is conducting the sessions. She presided over a state board session last night.

Dr. Alvin Robert was speaker for a luncheon today, his topic being "Better Patient Care." Dr. Donald McGeary addressed a session at 1:30 o'clock and Dr. Edwin R. Durno, Miss Gertrude Molloy, R.N., and Miss Doris Manasco, nurse's aide, participated in a panel discussion on "Today's Hospital Team."

Following business sessions delegates were taken on a tour of Bear Creek Packing company. Thursday delegates will hear reports and elect officers. The convention will close Thursday night with a banquet in the Pioneer room. Dr. Elmo Stevenson, president of Southern Oregon college, will address the banquet and officers will be installed.

The association is newly organized in the state, the group having been formed as a part of a nation-wide movement to promote practical nursing in an effort to relieve the shortage of nurses.

Four schools are now in operation in the state to train women in practical nursing, and establishment of others is contemplated. National and state standards have been established, and examinations are required for those seeking licenses.

Voters' League Holds Meeting; Units Explained

A visual presentation of the year's calendar was the means of introducing the resource chairmen of the League of Women Voters of Medford during a luncheon meeting held Saturday at Rogue Valley Country club.

Those participating in the presentation were Mrs. Ogden Kellogg, Gold Hill, state item chairman; Mrs. Charles Cray, national item; Mrs. Dunbar Carpenter, local item; Mrs. John Ousterhout, finance; and Mrs. I. S. Thomas, voters' service chairman. Mrs. Thomas was assisted by members of her committee, Mrs. Don Bohnert, Miss Laura York, Mrs. Gordon McKenzie, Mrs. Harold Snodgrass and Mrs. Ronald James.

Mrs. Hugh Collins spoke briefly on the part the study units play in the league program. She emphasized the fact that the units are the backbone of league activity, and the basis for all league programs. League can take active stands only on issues that have been suggested by a majority of league units for study, and on any issue only after all sides and factors relating to the issue have been studied.

Concluding her talk, Mrs. Collins conducted a quiz session followed by reading and answering the questions brought out in the session.

New members introduced were Mrs. J. C. Collins, Mrs. Stewart Milnes, Mrs. Richard Pedley, Mrs. Carlton Bismark, Mrs. Maurice Ritehey and Mrs. Arthur McMillan. Mrs. Homer Marx was in charge of arrangements.
