

**VENISON**—Pork and beef are being crowded off the meat hooks in most meat processing plants in the valley as hunters bring in deer from all parts of southern Oregon for cutting and wrapping. According to a rough tabulation, the number of kills during the first week of hunting season is between 600 and 700. Although not so numerous as in other years, deer are in exceptionally fine condition this season.

### Series of Coffee Clatches Listed For United Crusade

Russ Jamison, chairman of the special events committee of the United Medford crusade, Saturday announced plans for a series of Crusade coffee clatches starting Monday, Oct. 8, in Medford.

participating will contribute proceeds from the sale of coffee during the mid-morning and afternoon "coffee breaks" to the UMC, Jamison said. Jamison said restaurants that have announced they will participate and the day they plan to conduct the Crusade coffee clatches are Monday, Al White's Rogue restaurant; Tuesday, Louis Ruhl's Top Notch cafe, and Everett McGraw's Ham and Egger; Wednesday, Dale Franklin's Town House cafe; Thursday, Mildred and Carl Shepard's Maid-rite cafe; and Friday, Larry White's The Clock

Sunday, October 7, 1956

MEDFORD (OREGON) MAIL TRIBUNE—SEVEN

Special Events Bill Abbott, assistant chairman, said the special event was available to any cafe or restaurant desiring to conduct such a clutch. Abbott said it is conducted on a volunteer basis. Jamison said the same idea is being used in other organizations as a method of raising additional money for this year's United Medford Crusade. Among other special events planned for the Crusade are the

Kiwanis football program, the YMCA youth council dance, Medford Junior Chamber of Commerce fights, and a Police Athletic league smoker. Jamison said the committee will welcome other projects and special events by other groups and clubs. Organizations interested in conducting special events in connection with UMC have been asked to contact with Jamison or Abbott.

### Montgomery Ward Plans 'Courtesy Night'

Montgomery Ward and company will hold a "courtesy night" Monday as a preview of Ward week, scheduled Oct. 19-22, according to J. J. Matera, store manager. Special courtesy night features will include demonstrations of household and mechanical equipment, Matera said. Toy balloons will be given to children.

### GOLD HILL Council Plans Discussed

By MRS. SAM ELLIOTT  
Gold Hill — Acting Mayor Floyd Lane met with Councilmen Ernie Cooper, Fred Lewis and Harry Foley and Recorder Ferd Jones Monday.

Costs of the new drainage along Second ave., where 300 ft. of 6 inch drainage tile and two manholes have been placed, was stated to be \$643.94. The council authorized Floyd Taylor, city supt., to start the installation of storm sewer drainage from eighth st. along fourth to sixth st.

A diversion valve to be placed at the intersection of Eighth st. and Fourth ave. for the purpose of diverting flood water either to Sixth st. storm sewer or to a natural course. This should avert some of the flood water troubles of past years.

The drain tile and ditcher are on hand to start a water line of 300 ft., along Second ave., for the Jeddloh plant and other pipe that is to be laid. Under discussion was the moving of the chlorinator from the Ideal Cement co. hydro plant to a spot near the city reservoirs. This would avoid flood damages such as occurred last winter. Investigations of costs will now get underway.

The Gold Hill 4-H sewing clubs are starting their new year. The second and third year groups met with their leaders, Mrs. G. L. Whaley and Mrs. Sam Jones in the new home economics room. They elected officers and planned a shopping trip for the purchase of 4-H materials for this year's project. Colleen Knapp and her mother served refreshments.

Many out of town relatives were here for the Katherine Kellogg rites. They were: Mr. and Mrs. Curtis Parker of Pinole, Calif., Mr. and Mrs. Frank Parker of Heppner, Oregon and Mrs. Noel Kellogg and son Jimmy of Salem, Ore.

Billy Kell is in the Sacred Heart hospital with pneumonia. Miss Lillian Gable of Lehi Tuah is here visiting her brother, Mr. Lee Marsden.

Mr. and Mrs. Wayne Talbot and family have just returned from a weeks visit in California. They spent a few days with Mrs. Talbot's parents Mr. and Mrs. J. E. Doherty in San Francisco, a few days in Palo Alto with Mr. Talbot's parents, Mr. and Mrs. Hayden Talbot, a day at Menlo Park with an aunt and family, Mr. and Mrs. Carl Pitts. From here they made a short trip to Santa Cruz and San Jose.

Mr. and Mrs. Roy Huffman, of Cave Junction, were guests Wednesday at the Frank Lockwood home.

The WSCS will meet at the home of Mrs. Harriet Elliott on Fifth ave. this Friday, Oct. 12. On Saturday, Oct. 13, the WSCS are giving a roast beef harvest home dinner at the Methodist church dining room. They will start serving at 5 and will serve until 8:00 p.m.

The Roy Eskew home is the scene of a family reunion. Visitors are their son, Duane Eskew and wife and two sons, Stephen and Corey Dean of North Bend; Roland Eskew and wife, and Mr. and Mrs. Doug Ness of Klamath Falls. Mrs. Ness is teaching and Doug is attending OTI. Ronald is on leave from Fairchild Air Force base.

Mr. and Mrs. A. A. Husband of Bakersfield, Calif. are recent visitors at the J. G. Kofahl home on north Pacific highway. Mr. Kofahl and Mr. Husband were co-workers at the Tidewater Associated Oil co. at Past, California, some years ago.

Mr. and Mrs. Arthur Boye are entertaining an aunt, Mrs. Doris Horstman, and son Henry and wife, of Covina, Calif.

Miss Dorothy Schoenemann is home visiting her parents Mr. and Mrs. Ted Schoenemann of Lampman rd. Dorothy works for the Matson Steamship lines in Honolulu, Hawaii, and is here for a two weeks visit.

Home for hunting is Janet Nelson and friend, Jack Kerns, from OSC. Janet is a sophomore and is studying home economics.

Herbert Cooper, father of Ernie Cooper, has recently moved from Coquille to Gold Hill where he intends to make his home. Since his retirement he indulges in his hobbies of hunting, fishing and prospecting.

Mrs. Grace Bruce and the Rev. and Mrs. Howard Walton attended the Rogue valley school of churchmanship held at the Methodist church in Grants Pass last Sunday.

After 9 weeks of Naval training at San Diego, Donald Kell, son of Howard Kell, has been given a short furlough.

Richard Terry, Delores Cooper, Billy Kell and Francis Ahern are among those attending the St. Mary's Academy in Medford.

Billy Kell, son of Mr. and Mrs. Clyde Kell celebrated his 16th birthday with a birthday dinner given by his parents. Present were: Shirley Kell, Mr. and Mrs. Ernie Cooper and children, Terry and Delores, and Mr. Herbert Cooper.

The first deer of the season were shot by Jewell and Dennis Hopkins, of Gold Hill, who were hunting the Green Springs territory.

Mrs. Millie Harrison, who

### Bids May Be Called Soon for New Club Building for Girls

Bids for construction of the proposed new two-story Girl's Community Club building in Medford are expected to be called next week.

The structure will be built at the present Girl's Community club location, 229 North Bartlett st.

It will contain a 70 by 40-foot recreation room, kitchen, offices, foyer and storage area on the first floor. The second floor will include 12 bedrooms, each accommodating two girls and quarters for a matron. The recreation room will be divided into various size rooms by folding doors.

**Matron's Suite**

The matron's suite will include a living room, bedroom, bath and storage. All residents will have access to a lounge, dining area, snack bar and laundry. A stairway will lead from the lounge to a court, which will serve as a sun deck.

Interior finish will include plaster, wood paneling and exposed block. The floor will be concrete slab and quarry tile will be laid in the entry. Frame with carpeting is planned for the second floor. Kitchen and snack bar floors will feature vinyl tile. Exterior finish will be concrete block with brick veneer.

Heating system will consist of hot water convectors and air conditioning is planned in much of the space.

Robert J. Keeney, 32 North Central ave., Medford, is architect for the structure. Plans are to be issued to a selected list, it was reported.

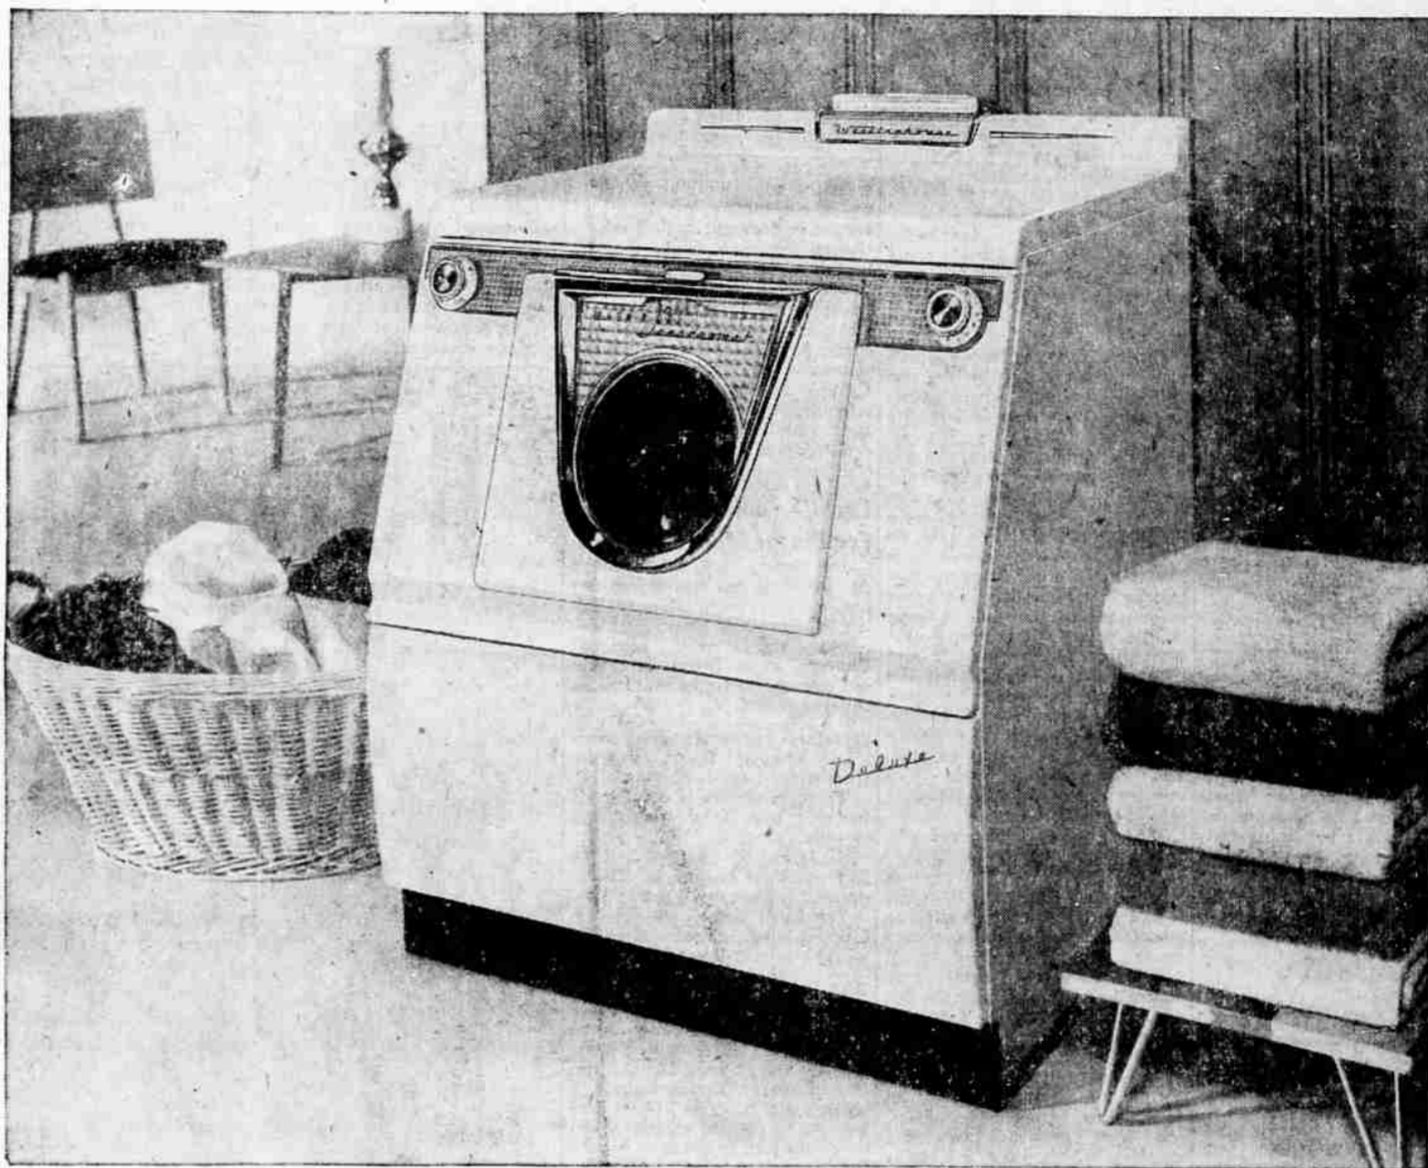

has been living in Medford for several months, is back home. Mrs. Harrison had planned on a trip to Everett, Wash., this summer to visit her brother, Richard Newcomb, whom she had not seen for 66 years. The tragedy was that the brother passed away suddenly after a stroke before she got to go.

Mrs. W. E. Thompson has returned home, accompanied by her daughter, Mrs. J. E. Mayer, whom she had been visiting in Portland. Mrs. Thompson and her daughter, Mrs. Jensen, and her husband made a trip to Seattle and Tacoma, sightseeing and visiting.

Mrs. Woolerson of Los Angeles, who has been visiting Mrs. Alice Jensen this summer, has returned home by plane this week.

# First it Washes Then it Dries!

automatically...in a single space-saving unit!

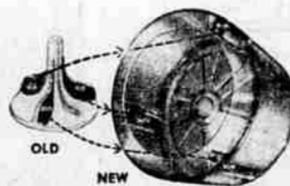

## 1957 Westinghouse WASH 'N DRY LAUDROMAT

Here's the wonderful new Westinghouse Wash 'n Dry Laundromat\* that washes and dries big family-size loads automatically in a single, space-saving unit. You just pop soiled, dirty clothes in; set the dials; take clean, fluff-dried clothes out—many of them so wrinkle-free, they're ready to put away without ironing!

There's no old-fashioned agitator in this smart, new combination washer-dryer—it has famous patented Westinghouse New Way To Wash. Westinghouse takes the

vanes from the agitator and builds them right into the washbasket, eliminating the center post. As the basket revolves, these built-in vanes flush clothes through wash water, loosening all dirt... then clothes are lifted, turned and tumbled back for another washing—50 times a minute! Result: Clothes come out whiter, brighter—all washing is 100% uniformly clean.

See the premiere showing of this superb Wash 'n Dry Laundromat at your Westinghouse Retailer's now. Available in white or gay Holiday Colors—Sunshine Yellow and Cascade Aqua or two-tone combinations. You can own this new Wash 'n Dry Laundromat for as little as \$4.99 a week after a modest down payment.

The Features and Conveniences of the Famous Westinghouse Laundromat and Electric Dryer Are Now Engineered Into This New Combination Washer-Dryer!

Weight-Save Door and Water Saver—save up to 12 gallons of water a load.

Handy Door—for easy loading and unloading.

Lift-Away Rinsing—dirty water drained away from clothes; never through them.

Automatic Transmission—guaranteed five years.

3-Way Dry Dial—your choice of dry, damp-dry, or short-time settings.

Direct Air Flow System—dries faster, better, cheaper.

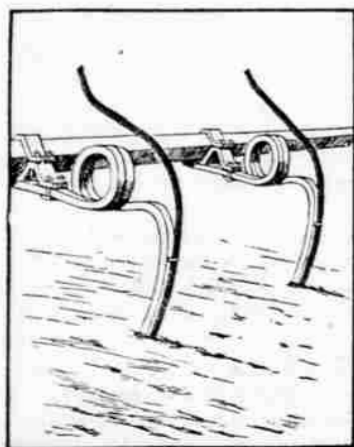

Exclusive Laundrolite—complete washing and drying instructions, built in.

No Venting Required—built-in lint disposal system.

### Facts on Nitrogen Fertilizing

### The Application Factor

NH<sub>3</sub> (anhydrous ammonia) must be scientifically applied for maximum crop benefit. Scientific application makes sure the nitrogen will be uniformly distributed throughout the root zone area. Here, the nitrogen is immediately available for plant nourishment. Unused nitrogen remains available to the plant throughout the rest of the growing season.

Shell's superior application methods and equipment—perfected in a quarter-century of field experience—assure scientific applications. That's one reason why Shell NH<sub>3</sub> Service is your SURE way to fertilize with nitrogen.
