

Jack Morris Among Top PCC Rushers

Los Angeles—(U.P.)—All-American halfback Jon Arnett of the University of Southern California has taken over the rushing lead in the Pacific Coast conference from his teammate, fullback C. R. Roberts, the PCC commissioner's office revealed today.

Arnett has gained 351 yards rushing and averaged 6.8 yards a carry in his first three games to surpass Roberts' 312. Charles Morrill of Washington State and Jack Morris of Oregon each have 224.

In total offense, however, Stanford's John Brodie leads with 541 yards. Brodie gained all but six yards of the total from passes which have been responsible for scoring five touchdowns. Arnett ranks second in total offense with 475 yards and Swinton Aldrich of Washington State follows with 385.

Brodie has completed 48 of 78 passes. Norm Becker of California leads in pass receptions with 15 for 193 yards. Jack Brown of Oregon tops pass interceptions with two.

Arnett, the 1955 All-American, leads in scoring with 29 points while Dean Derby of Washington has 19.

Washington State has boomed to the lead in total team offense. The Cougars have gained 1,342 yards in three games for a 447.3 yard average a game. Washington ranks second with a 413.3 yard average a game and Southern California has 388.7.

Washington State took over the lead on its passing attack which has averaged 263.3 yards a game. Stanford has recorded 217 yards in passing and California 163.

The Washington Huskies head the total rushing statistics with a 327 yard average. Southern California was second with 284 and Oregon third with 264.3 yards a game.

In total defense, Oregon has allowed only 183.7 yards to be chalked up against it, followed by UCLA with 223.7 and California with 280.7.

Hopalong Cassidy Silences Critics

Detroit—(U.P.)—Howard (Hopalong) Cassidy, the red-haired All-American halfback from Ohio State, is rapidly silencing the critics who said he wouldn't make the grade in pro football because of his size.

The 22-year-old Cassidy, who weighs only 178, has played two regular season games with the Detroit Lions to date and has piled up 137 yards in 25 carries for an impressive 5.5-yard rushing average.

But Hoppy, who has always accepted his football success modestly, was quick to point out that two games do not a season make.

"I like what I've seen of pro football so far," Cassidy said. "It's tough, though, because they're all good players in the pro ranks. And they all hit hard."

This season is the "acid test" for Cassidy. How well he does with the Lions this fall will determine whether his pro football career will cover only two seasons or will continue several seasons after his two-year contract with the Lions is fulfilled.

Hansell To Take Texas Position

Portland—(U.P.)—Phill Hansel, for the past seven years coach of the nationally famous Multnomah Athletic club swimming team, yesterday announced his resignation.

Hansel said his resignation would become effective Nov. 1. He plans to move to Houston, Tex., where he has been offered a position with "better opportunity."

Next fall he will become associated with a Texas university with the objective of building a team to compete nationally.

The state of Washington is as large as all New England plus Delaware.

WHOOPEE—Yankee catcher Yogi Berra jumps up on and hugs pitcher Don Larsen on the field at Yankee Stadium in New York after the latter hurled the first perfect game in World Series history to give the Yanks a 2-0 victory over the Brooklyn Dodgers and a three to two game lead in the series.

MEDFORD TRIBUNE SPORTS Football Briefs

Seattle, Wash.—(U.P.)—Coach Darrell Royal is still juggling his much juggled University of Washington backfield in an effort to find a tough combination for Saturday's game against the University of Oregon Ducks.

Royal moved Credell (Incredible) Green back into the first team backfield. Green has alternated in the number one fullback post with Jim Jones, a junior, since early in the fall practice sessions.

CURING FUMBLE-ITIS
Pullman, Wash.—(U.P.)—The Washington State Cougars had a long drill Tuesday designed to cure a case of "fumble-itis" which has brought no joy to Coach Jim Sutherland.

The coach said fumbles badly hurt the Cougars in the Idaho game last week. He sent his charges through a rugged line scrimmage and worked the backfield even more ruggedly in hanging on to the ball.

OSC ON DEFENSE
Corvallis, Ore.—(U.P.)—Coach Tommy Prothro ran his Oregon State Beavers through a defensive scrimmage Tuesday in preparation for Saturday's game against the Golden Bears of California.

Quarterback Ted Scarle was on the doubtful list as the result of a leg injury suffered against Iowa last week, but tackles Ernie Zwahlen and Ted Bates—who missed the Iowa game with injuries—should be ready for action.

OFFENSE UO KEY
Eugene, Ore.—(U.P.)—Offense will still be the key item for the University of Oregon Ducks, and Coach Len Casanova is drilling his charges along that line for Saturday's game against the Washington Huskies.

Casanova reviewed Oregon's performance last weekend when they were shut out 6-0 by UCLA and said the study clearly pointed up that the Ducks lacked offensive punch.

TAYLOR SERVES NOTICE
Stanford, Calif.—(U.P.)—Coach Chuck Taylor of the Stanford Indians has served notice that he is not taking Saturday's game against the San Jose State Spartans too lightly.

He staged a tough offensive and defensive scrimmage Tuesday, during which reserve tackle Jack McKenna was helped off the field with a painful back injury. However, varsity guard Noel Robinson returned to action after two weeks on the bench.

KAPP MOVES UP
Berkeley, Calif.—(U.P.)—Sophomore Joe Kapp has been moved up to the first team quarterback spot on the University of California team on the strength of his showing against Pittsburgh last week.

Coach Lynn Waldorf, who moved Kapp ahead of Joe Contestabile and injured starter Gus Gianulisi, had Kapp throwing the ball freely against plays of Oregon State, which the Bears meet next.

Robbie Tells How He Got Winning Hit
Editors note: Jackie Robinson's 10th inning single drove in the run that gave the Dodgers a 1-0 victory over the Yankees today and tied the World Series at three games apiece. In the following dispatch, he tells how he did it.

By JACKIE ROBINSON
As Told To The United Press
Brooklyn—(U.P.)—I had three chances with men on base Tuesday and I figured I had to come through at least once.

Bob Turley kept throwing me fast balls all day. He kept them high, too, until the 10th. Then he got one a little down and that's the one I jumped on.

When I saw the ball start out to left field I kept hoping it would sink. I felt if it didn't, Enos Slaughter was bound to grab it for just another out. But the next time I looked I saw the ball going over his head. I could see Junior Gilliam coming in with the winning run so I just trotted down to first. A single was all we needed and that's all I wanted.

JERRY SMITH RELEASED
San Francisco—(U.P.)—Veteran guard Jerry Smith has been released by the San Francisco Forty Niners, cutting the squad to the legal limit of 33 players. Smith played with the Forty Niners in 1952 and 1953 and since has been in the armed forces.

Waltonians Back Fishing Measure

Members of the Jackson County chapter of the Izaak Walton league this week re-emphasized their support of the measure on the November 6 general election ballot which, if passed, will prohibit commercial fishing in all Oregon streams south of the Columbia river.

They expressed the desire to get out the "yes" vote on the issue.

Waltonians, at their Monday meeting named Col. Paul Weiland to present their views at the Oct. 19 Senate committee hearing here on Rogue river base, flood control, irrigation and reclamation matters. The chapter has previously taken the stand that the best way to stop Rogue river floods is by proper land use and by development of small watersheds to hold water where it falls.

Waltonians and the Rogue soil conservation district currently are working on a development program for the Bear Creek watershed. Committees have been appointed to assemble data and prepare application for federal aid under public law 566.

The following were among those nominated for office at the Monday meeting, Henry DeVoss, Talent, president; Dr. Elliott L. Harlow, Medford, secretary; A. W. (John) Webber, Medford, treasurer, and Col. Paul Weiland, Medford, state director. Election will be held at the November meeting.

John Landy Not To Enter Trials For Olympics

Melbourne, Australia—(U.P.)—John Landy, Australia's great

miler, announced today he would not participate in Australia's Olympic trials Saturday because of a strained ankle tendon. "Unless my strained ankle tendons mend within a month I'll be unlikely to compete in the Olympic Games," he said.

Landy's announcement stunned Australian sports figures, already gloomy because their champion middle distance runner Dave Stephens also is on the injured list with a torn thigh muscle. However Stephens said he would make every effort to compete Saturday.

Australians said this week's 5,000-meter trials without Landy—and possibly without Stephens—would "be like a top army maneuver without big guns."

Landy was reported to have made his decision to pull out of this week's trials following discussions with Australian Olympic selectors who assured him this would not necessarily mean he would miss election for the Olympic team.

THIS ONE DIDN'T COUNT—UCLA's Don Long carries the ball over the goal line only to have the play called back for offside in game against Oregon in Los Angeles. On the next play Long went around end and scored the game's lone touchdown. The Bruins won, 6-0.

Tough jobs demand a Universal 'Jeep'

Traction. 4-wheel drive gives the extra traction for traveling up steep grades or broken ground. The 'Jeep' is built to stand up and take it in tough usage.

Mobile power. With power take-off, the Universal 'Jeep' provides mobile power for operating welders, compressors, generators and many other kinds of specialized equipment.

Hydraulic lift. With hydraulic lift, the 4-wheel drive 'Jeep' operates graders, scrapers, post hole diggers and most 3-point hitch implements.

Now a 'Jeep' with longer wheelbase—the new model CJ-6. Carries larger, bulkier loads; has all the features that made the 'Jeep' famous.

A 4-Wheel-Drive Universal 'Jeep' takes you to the job, wherever it is—on the road or off! This rugged performer carries men and equipment over the highway in conventional 2-wheel drive. Then, when work calls for travel off the road—through mud, sand or snow, up hill or down—you shift a single lever for the extra traction of 4-wheel drive. With power take-off, or hydraulic lift, the Universal 'Jeep' does an almost endless variety of jobs. To find out what it can do for you, ask for a demonstration.

4-WHEEL-DRIVE UNIVERSAL 'Jeep'

WILLYS... world's largest makers of 4-Wheel-Drive vehicles
