

# JUST ANSWER THE QUESTION, SENATOR . . .

**Senator Wayne Morse has consistently said that he would run on his "record." In order to run on it, Senator, it seems to us that you'd better explain it. Perhaps you will explain to the people of southern Oregon . . .**

- 1. Why you voted against the order which stopped shipments of military material to Red China (The Formosa Resolution) . . .**
- 2. Why you advocated that the United States "abstain from voting" to keep Red China out of the United Nations . . .**
- 3. How you can accept tens of thousands of dollars in campaign contributions from out-of-state union bosses, and still keep your so-called independence . . .**
- 4. Why you fought for a bill that would have put hundreds of small businessmen, loggers, and millworkers in Oregon out of business (the Gore Highway Bill, which would have raised the tax on truck tires one thousand percent) . . .**
- 5. How you can possibly claim to be interested in Oregon's natural resources, when you got only one bill passed in ten years that had any bearing on natural resources . . .**
- 6. Why you consider the people of Oregon too ignorant to pay any attention to, when important issues are at stake ("If I were satisfied that every man and woman in the state of Oregon wanted me to vote for this bill (Taft-Hartley Bill) I would still vote against it . . .")**
- 7. Why, when President Eisenhower's primary concern was stopping the war in Korea, you referred to the President as "the most dangerous man who will ever have been in the White House" . . .**
- 8. Finally, Senator, can you name just three solid accomplishments for the people of Oregon you have achieved in twelve years in the Senate?**

**We must restrict you to work for Oregon and Oregonians. We can't accept 22-hour filibusters and work for Eastern union bosses as fitting achievement for the people of Oregon.**

**CAN YOU GIVE US STRAIGHT ANSWERS TO THESE QUESTIONS, SENATOR?**
