A NEW WAY to SELL or BUY a HOME
MULTIPLE LISTING SERVICE
With FASTER ACTION—Greater Satisfaction

MULTIPLE LISTING SERVICE is a service of member firms of the MEDFORD REALTY BOARD who pool their listings to provide a market place of homes for both buyers and sellers. Through this pooling of listings all homes are exposed to practically every potential buyer in Medford and vicinity. Working through the central clearing office of MLS, these realtors distribute the information on each home to all the other realtors participating in MLS. This information includes price and a complete description of the home and property.

You pay only one commission, you deal directly with only one realtor, yet you indirectly do business with 24 Realtors and over 40 salespeople.
