

Camp Fire Girls Get Support From Crusade

(Editor's note: This is another in a series of articles discussing agencies served through contributions to the United Medford Crusade.)

Camp Fire Girls have progressed a long way in the 47 years since the organization was founded. There still is a long way to go, in extending the services to all girls who wish to join the Camp Fire program.

The leaders' association in Medford is part of a nationwide youth organization which was started in 1910 by Dr. and Mrs. Luther Halsey Gulick who

were assisted by a group of prominent educators. From the small beginning in Lake Sebago, Maine, Camp Fire has grown to be an important part of life in more than 3,000 American communities.

Ideas Fostered

Ideas fostered by Camp Fire have become rooted in girls' thinking concerning the constructive use of leisure time. Learn by doing, the philosophy which underlies Camp Fire activities, was set by Dr. and Mrs. Gulick as a basic principle.

Emphasis and activities centered around the home, as well as

development of self-reliance outdoors, is one of the contributions Camp Fire has made and continues to the development of future homemakers.

Another basic principle of Camp Fire is that which is embodied in the motto, "Give Service," the third point of the law of the Camp Fire Girls. The community has benefited by Camp Fire Girls' constant and willingness to help a good cause and to improve the community.

Two Principles

The two principles and others stressed by the Gulicks are an integral part of Camp Fire to-

day. "Know thyself" may be called the basis of Camp Fire's current theme, "Together We Make Tomorrow." Girls explore their own talents, skills, hopes and dreams.

The girls learn how their particular talents fit into the overall pattern of community living, and how they may best utilize them, in combination with those of other people.

Progress Report

No progress report would be complete without a look into the future and an estimate of what needs to be done. Those work-

Newbry Ruled Free To Mail Voter Pamphlets

Salem — (U.P.) — The Attorney general's office has informed Secretary of State Earl T. Newbry that there was nothing in Oregon statutes requiring him to comply with a request from Multnomah County District Attorney William Langley that distribution of voters' pamphlets be stopped.

Langley had asked Newbry to hold up distribution, now one-third completed, on grounds that it contained what he called "prejudicial material" written for Attorney General Robert Y. Thornton, a candidate for reelection.

Because Camp Fire is a community affair it receives support from the United Medford Crusade.

Joe Friday of TV Fame Faces Divorce

Hollywood — (U.P.) — Jack Webb, the hero of "Dragnet," has revealed he has flunked at marriage for the second time and will be divorced by actress Dorothy Towne.

Webb, who for five years has played Sgt. Joe Friday, said he and the former actress "have tried very hard but the marriage just hasn't worked out."

The TV star and Miss Towne were married in Chicago in February of 1955, shortly after Webb was divorced by singer Julie London, his first spouse.
