

# Slowly Intensifying Tornado Storms Over Eureka Loggers

Medford High school, No. 2 ranked in Oregon, paraded its blustering football night on the northern California coast on Friday night and overpowered traditional opponents, the Eureka Loggers, 34 to 0.

Victory was the sixth this fall for the Hurricane Force of Southern Oregon which has been tied but is unbeaten now in seven games.

It was the first conflict of 1956 away from home for the Black Tornado. As in several games this fall, the Big Storm took time to intensify. This time it was fumbles and a penalty that hampered. But, as the game wore on, foreign soil proved no handicap to the gridiron power of the Medfordites.

A battering ground assault and, in the later portion, advantage from some breaks carried the Tornado to its decisive triumph. Defensive Oregonians contained the Loggers on the ground. And, when the Eureka, trailing and desperate, turned to a blitzkrieg of passes, Medford with improved aerial defense successfully fought that barrage.

**Riley Has Three**

Medford touched down one each in the first and second quarters, twice in the third period and once in the fourth. Gary Riley, at his offensive peak of this season, packed over for three goals. Dick McLaughlin passed to Dick Coplee for the fourth and Bob Gee cracked two yards for the fifth. Coplee kicked four conversions.

The Tornado was in a spot when Eldon Francis, hit hard, fumbled on the Medford 26-yard line right after the opening kickoff. But the Oregon club held the Loggers to stop the threat. Medford then bombarded to the Logger 26 and lost the ball on the fumble. Eureka gained little and punted. Penalized back to the one-yard line, the Tornado nevertheless banged back to the Eureka 20 only to lose the ball on downs.

A successful march then got underway from midfield and Riley went the last two yards. Coplee converted for 7 to 0.

**Pass Intercepted**

In the second quarter Riley intercepted a pass and Medford took over on the Eureka 48. A pass, McLaughlin to Mike Stearns, went for 35 yards of the distance and Riley finally crossed from the seven. Coplee made it 14 to 0, the halftime count.

Eureka failed to get off a fourth down punt in the third quarter and Medford took over

Medford men and McLaughlin recovered on the Eureka 15. A couple of line plays lost ground or failed to gain and the touchdown came on the McLaughlin to Coplee aerial.

Jim Funston intercepted a Eureka pass on the Medford 30 and packed back to midfield to get the Tornado going to the last score. Gee's scoring plunge was for two yards and Coplee took the bonus.

**Spark Team**

Gee, McLaughlin and Riley in the backfield and Neil Plumley, Bob Apple, Stearns and Coplee in the line were the Medford offensive standouts while Plumley, Hamlin and Coplee on the front wall and Funston and McLaughlin at line-

Guard Dean Rickard suffered a knee injury in the ruckus and Eldon Francis a bruised leg from the early jolting tackle.

Gee picked up the most rushing yards for Medford with 63 in 11 carries. Loren Christean netted 42 for eight. McLaughlin 48 for 11, Gordon Owsley 39 for three, Riley 23 for five and Francis 22 for seven.

Coach Fred Spiegelberg sent his entire squad into the action.

## MEDFORD MAIL TRIBUNE SPORTS

**PREPARING FOR TOURNEY**—These three members of the Medford Women's Bowling Association are heading up preparations for the 15th annual Oregon State Women's Bowling association tournament Feb. 9 through March 10 in Medford. Left to right are Mrs. Fred Beck, advertising chairman for the tourney, Mrs. Lem C. Wilson, secretary of the state association, and Mrs. L. E. Wilson, state second vice president. They are looking over one of the many posters which will be taken to a state executive committee meeting at Eugene on Sunday for distribution throughout Oregon. Also shown at the left are entry blanks which will be distributed to member clubs throughout Oregon. Medford Bowling lanes will be expanded from 12 to 22 alleys in time for the tournament.

Sacramento, Calif. — (U.P.) — Leo Alonzo, the lightweight champion of the Philippines and the Orient, has signed to fight Joey Lopes of Sacramento on Oct. 30, it was announced today by promoter Fred Pearl.

Paris — (U.P.) — Jules Rimet, 83, honor president of the World Soccer association, was buried on Friday. All national associations sent flowers and about 2,000 people attended the funeral.

# Ladies Prepare for State Bowling Tournament Here

Four members of the Medford Women's Bowling association, two of them officers of the city group and two of them state officers, will attend an executive board meeting of the Oregon State Women's Bowling association today at Eugene.

They will report on preparations for the 1957 state tournament at Medford Bowling lanes, Feb. 9 through March 10, and will distribute posters and entry blanks for the tourney among representatives of other clubs throughout Oregon.

Attending the session at the Eugene hotel will be Mrs. L. E. Wilson, state second vice-president; Mrs. Lem C. Wilson, OS-WBA secretary; Mrs. Jess Cummings, Medford association president, and Mrs. Frank Knox, city association secretary.

**Large Local Entry**

Work is in full swing to make the first staging of the tournament in Medford a successful one. An entry of 1,500 women is anticipated over the month of action. They will come from 78 bowling alleys and 35 women's organizations. Medford itself will have a large entry with 199 women in the local association. A total of 353 teams of five members each took part in the 14th annual event at McMinnville last year.

Committee chairmen named here to handle details of the tourney are Mrs. Fred Beck, advertising; Mrs. Mable Clark, scorekeeping; Mrs. Teddy Farrar, ways and means; Mrs. Mel Little, reservations; Mrs. Erma Jones, hostesses, and Mrs. Audrey Swoape, breakfast.

Mrs. Beck has expressed her appreciation to businessmen who have placed ads which will go in the tourney schedule books. Others, who have not been contacted but wish to have advertising in the books may telephone Mrs. Beck (3-2691). She has expressed her appreciation also for the aid provided by Russ Jamison and Don McNeil in her part of the tourney preparations.

**Scorekeepers Sought**

During the tourney members of the city association will be asked to act as hostesses, check room attendants and scorekeepers and to perform a number of other duties. Men or women who would like to volunteer as scorekeepers may contact Mrs. Clark or leave word with Fred Anderson at the bowling lanes.

Scorekeepers generally are paid by ladies sponsoring the state meet. Since this would mean raising an additional large sum of money, the Medford committee members hope to prevail on association members to keep score without charge.

Approximately \$2,000 must be raised by the women to sponsor the event. The goal reportedly has almost been attained.

**Breakfast Sited**

The tournament will close with a breakfast session at which association officers will be named and the 1959 tourney site chosen. Velma Bird, Sweet Home, is now serving as president. The Medford association will give a silver tray for high series during the tourney and Fred An-

derson, manager of the local lanes, will give trophies for bowlers rolling games of 200 or over.

Committeemen are still working on the matter of souvenirs for visiting bowlers. Souvenirs have been donated by a business or industry for which the tourney city is known each year since 1942.

Medford Bowling lanes is adding 10 new alleys this fall and will have a total of 22 lanes with which to accommodate the tourney. The addition will give the Medford facility second largest capacity in Oregon.
