

APPLIGATE-JACKSONVILLE Extension Unit To Meet

By HELGA MITCHELL
Applegate-Jacksonville—The Applegate Home Extension unit will meet Tuesday, Oct. 23 at 10:30 a.m. at the home of Mrs. Thornton Gopen, according to Mrs. Howard Piete. Child care will be provided at the Applegate church. The program, "Family business and law," will be given by the agent, Mrs. Purvine. The luncheon committee consists of Mrs. Ethel Haugerud, Mrs. Jack O'Brien, Mrs. Lawrence Tweedy, Mrs. Howard Piete, Mrs. Leonard Miller, and Mrs. Bill Loring.

The cement foundation for the new Upper Applegate Grange hall was poured last week. Mr. and Mrs. Al Blumreich have given their home a new outdoor finish of knotty pine with maroon trim.

Mr. and Mrs. Bill Loring and Mr. and Mrs. Al Bird returned from a hunting trip to eastern Oregon last Tuesday, and brought home three deer. Miss Milam is still busy working on the new house. He recently finished the roof, using attractive red shingles.

To all participants of the "goat meat" debate, we are happy to inform you that we now have obtained the needed information. Al Pa w l o w s k i handed us the U.S. Department of Agriculture Farmers bulletin No. 1203, entitled, "The Angora Goat," which states that the word "chevon" was adopted by Angora goat producers, and it's use in this connection is recognized by the U.S. Department of Agriculture.

Mrs. Edmund Ramsay said she found the word "chevon" in her Webster's International dictionary of 1944.

Services at the Ruch Community church will include Sunday school at 10 a.m., worship service, 11 a.m. and Bible study, 8 p.m.

Mrs. L. C. Jones, of Copper, entered the Rogue Valley Memorial hospital last Sunday and underwent major surgery. Friends in this area are hoping for her speedy recovery.

Fifteen women attended the last Little Applegate Knitting club held at the home of Mrs. Frank Mitchell. A surprise handkerchief shower was given for Mrs. John Sutton, who will be leaving the area shortly. Mrs. Otis Buck entertained the ladies by playing several selections on the piano. A German raisin cake was baked by Mrs. Henry Burmeister for the occasion. The next meeting will be held at

Lions Club to Sell Electric Light Bulbs

The Crater Lions club will conduct a drive Tuesday through Thursday to sell electric light bulbs to residents, according to an announcement by John Lusk, club president.

Proceeds will go to the Crater Lions club welfare projects fund. The bulbs will be sold in bags, each containing bulbs designed for every-day household use, he said. Sales price is two dollars. All club members are participating in the project.

Michigan sells more hunting and fishing licenses annually than any other state in the nation. Michigan also has more state parks and roadside parks than any other state in the United States.

Ever try Branana Bread?

Here's a dish that's so moist and tender it just seems to disappear overnight. With children around, better double the recipe.

RECIPE

1/4 cup shortening
1/2 cup sugar
1 egg
1 cup Kellogg's All-Bran
1 1/2 cups mashed ripe banana
1 teaspoon vanilla flavoring
1 1/2 cups sifted flour
1/2 teaspoon baking powder
1/2 teaspoon baking soda
1/2 teaspoon salt
1/2 cup chopped nut meats

Blend shortening and sugar thoroughly. Add egg and beat well. Stir in All-Bran, banana and vanilla. Sift together flour, baking powder, soda, and salt. Add to first mixture with nut meats, stirring only until combined. Spread in well-greased 8x4x4-inch loaf pan. Bake 1 hour in pre-heated moderate oven (350° F.)

Kellogg's ALL-BRAN a delicious, ready-to-eat cereal, an aid to natural regularity.

daughter won a beauty contest.

Mr. and Mrs. Chester Lind and two sons, of Medford, traveled over the Ashland loop road and visited Mr. and Mrs. William Ziegler. The Linds, who are former residents of Upper Applegate, took a trip to Kansas last summer to visit her parents. Lind teaches at the Griffin creek school.

The huge structure being erected at the Edmund Ramsay ranch, has caused several people to ask, "What is it going to be?" Mrs. Ramsay says it's going to be a barn 55 by 105 feet in dimension.

A farewell supper was given

to Mr. and Mrs. John Sutton, who will be leaving the first part of November for Long Beach, at the home of Mr. and Mrs. Joe Farrand last Saturday. A new interest for 4-H work has developed in the Upper Applegate area, and several volunteers have offered to lead the following clubs: Armin Richter, beef club; H. W. Barker, pig club; Larry Tweedy, sheep club and Gail Buffington, tractor maintenance.

For several years Ed Fossen had led the livestock club, but has now been relieved by these

individual clubs. Fossen will continue with the dairy club, and Mrs. Charles Williams is leader of the clothing club.

These clubs are open to all children from age nine and up, and it is hoped that a sufficient number of children will respond. It takes five children to form a club.

Other projects are also offered, and if enough children are interested, efforts will be made to obtain a leader. These projects are forestry, cooking, poultry, rabbits, hobbies and homemaking.
