

BUTTE FALLS Minister Visits From Orient

By MARY JO HARRIS
Butte Falls — The Rev. William E. Schubert, veteran missionary to the Orient, will be visiting Miss Mary Schubert, of Butte Falls. He is scheduled to arrive Saturday from the East coast where he has held speaking engagements and attended a missionary convention in the nations capital.

While visiting in Butte Falls, the Rev. Schubert will be speaking at the Assembly of God church beginning Sunday, Oct. 21, at 11 a.m., and each evening of the week, except Monday and Saturday, at 7:30 p.m.

Mr. Schubert returned to the states last June after completing his sixth term of missionary service in China, Japan, Formosa and the Philippine Islands. He began his missionary career in 1922, when he first went to China. After many years of ministry in China, the rising horde of Communism finally made it impossible to continue missionary work there. He then ministered to the Chinese in Formosa and also to the Japanese.

For the past three years the Rev. Schubert has again ministered to the Chinese behind the "bamboo curtain" by means of powerful radio, reaching all of China and into Russia, and even heard in Butte Falls by Miss Schubert with a short wave receiver owned by Cecil Taunton. While he is on furlough, the ministry to the Chinese continues by means of recorded sermons broadcast daily over the Far East Broadcasting Co. in Manila.

Pastor John H. Fuiten, of the Assembly of God church, states that the public is invited to attend the special services and hear this man who ministers daily to millions.

The Community hall board wishes to offer a challenge to the women of Butte Falls. Every woman interested in giving the Community hall "a helping hand" is asked to bring a potluck dish and a man Saturday, Oct. 27. If the weather is fair, the noon meal will be served in the city park, otherwise it will be held in the basement of the Community Hall.

The board hopes enough men will turn out to finish the roof and braces before bad weather hits. If there isn't a large enough turnout, an experienced man will have to be hired to complete the necessary work at the approximate cost of \$300. The building is badly needed. The board will be there Saturday to help out will you?

The annual school carnival, to be held in the high school gym has been postponed until Nov. 9. Those associated with the carnival feel that this new date will meet with public approval.

"It's not easy," Parker said. "I've been workin' hard on this. This is the biggest challenge I've encountered. I hope for the fans there will be an element of surprise when they hear me sing. And I hope this will be the best reported to have fallen last week while working on the church, and sprained his ankle.

Everyone was greatly relieved when she returned, after staying out longer than usual.

gining of a new career for me in musicals.

Texas-born Fess confesses he never had been exposed to classical music in his life before, and had no interest in singing other than folk tunes. Then last spring he ran into Howard Keel in England, where both were making personal appearances.

"We got talking and I realized that for musical comedy you have Howard Keel, Gordon MacRae and that's about all," he said seriously. "Then you get to popular singers like Frank Sinatra; but that's a different group. Field Wide Open

"I had never intended to be a singer," he continued. "But when I got home I decided if the field was that wide open I'd like to get into it."

Farker, who is ambitious behind the deceptive western drawl, began taking lessons with Lear, also from Fess' home town of Waco, Tex. The actor tuned up his baritone for one lesson a day, sometimes two.

The only other singing Fess has done is crooning "Davy Crockett" and other folk songs on records and in his Walt Disney pictures.

"I want to do a Broadway musical," he said. "That would be the biggest thrill of my life. Then, well, you never know. A lot of opera singers started in musical comedy."
