

Vice President and Mrs. Richard Nixon, who will visit Medford tomorrow, are pictured here with their two daughters, Patricia, 10, and Julie, 8, at their home in Washington, D. C. The home is a white brick seven-room house furnished in contemporary style, in various shades of green. Due to the briefness of their stay in Medford, no social functions are planned for the Nixons.

### AAUW To Take Public Poll for Annual Exhibit

A public poll will again be a feature of the sixth annual art exhibit, sponsored by Medford branch, American Association of University Women, at the Medford hotel November 1 and 2. The show will be open from 7 p.m. to 9 p.m. on Thursday and 9 a.m. to 9 p.m. on Friday. The exhibit is being held in observance of National Art Week. AAUW branches throughout the nation encourage art, through participation and study groups. There is an entire division of the association devoted to art in its various aspects.

Artists should take their exhibits to the Medford hotel before noon Thursday, November 1. Each artist is limited to two works, not before shown in an AAUW exhibit, and completed within the last two years. Oils and pastels must be framed, and water colors, charcoals and drawings must be matted.

Further information may be obtained by contacting the art show chairman, Mrs. Jeffrey Shute, telephone Medford 3-4121.

### Church Women to Hear Talk By Mission Service Worker

Members of Medford Council of Church Women are inviting all interested persons to hear Geoffrey Hemingway who will speak Friday afternoon, November 2, in the sanctuary of First Christian church on South Oakdale avenue. Mr. Hemingway has just completed three years mission service in Korea and will interpret the nature of war-relief and rehabilitation work in Korea and the special problems involved in this work.

He was born in England and is a graduate of the school of economics, University of London. He served with the Friend's Ambulance unit in Italy during World War II, held a post on the staff of the Italian Mission of the United Nations Relief and Rehabilitation Administration during the past two years.

Other features during the afternoon program will include a speaking choir composed of students from Hedrick Junior High school under the direction of Jerry McDougall. Mrs. Ralph Matlack and Mrs. Gloria Smith will sing a duet. Mrs. George Rodie will explain the purpose of the Council of Church Women and its relation to the program for lasting peace.

Opening at 10 A.M. the morning will be devoted to business and the election of officers followed by a salad and hot dish luncheon provided by the several affiliated churches. Each church group is asked to provide enough food for their own group plus three extra. Rolls are also to be brought by the several groups. The hostess church will provide coffee. Ministers are invited to the luncheon which will be served at 12 o'clock and will be followed at 1 o'clock by the program. A nursery will be provided.

Mrs. Wilbur Arnold, chairman for the day, is anticipating a large attendance to hear Mr.

Hemingway, since his work is related to mission programs as carried out in all churches. Due to the fact that the large clothing drive for World Service was conducted so very recently, it has been decided not to bring clothing to this service as has been the custom in the past. Several local ministers will participate in the devotional periods of the afternoon.

Mrs. Robert Dames, TV program chairman for the council, states that her program will be heard during the Ore-Cal Panorama Thursday, November 1, and that Mrs. Wayne Troxell of First Christian church will extend the greetings and invitation to World Community Day activities. A number by the speaking choir of students, directed by Dr. McDougall, is also to be given.

Mrs. S. D. Earhart is in charge of radio publicity and Mrs. J. Claude Sparks, newspaper publicity.
