

Hornet Ninth Subdues KF Crew 14-0

Hedrick Junior High school's ninth grade, in its finest performance of the year, scored the upset of the season for its class of football in this area Friday afternoon by spilling the Klamath Falls freshmen 14 to 0 on the rainsoaked Hedrick field.

The Hornets of Medford clicked well on the attack and were so tough on defense that Klamath netted only 13 yards from scrimmage in the second half and had a total of only 51 yards for the game.

Fumbles hurt the Pel frosh in the first half. The KF club lost the ball three times that way. The third loss proved a charm for the Hornets. Doug Klieve fell on the ball on the 20. Don Cranston packed to the 17. Then on a reverse Cal Summers broke away to the goal. He also converted by running for a second quarter score of 7 to 0.

The Hornet eleven marched 80 yards after the second half kick-off for its other touchdown. This promenade used up almost all the third quarter. Fifteen players were required and Jerry Anderson sneaked the last foot. Cranston ran over for the single point.

Hedrick almost made it to the goal after John Frohmayer had recovered a Klamath muff of the Pel club's first scrimmage play. The Medfordites took over on the KF 47 and 12 plays had moved to the one-foot mark where the ball was lost on downs.

Except in the first quarter the Hornets managed to hold down the running of KF scabbard Jose Ferrera, who might have been more dangerous had the field been dry. The Hornet line gave Pel quarterback Blake Griggs, a bad time, frequently being on him before he could get the ball away.

Hedrick netted 231 yards rushing and passing and had 12 first downs to four for Klamath.

Crater High Comets Whip Phoenix Pirate Crew 57-0

Central Point — Crater High school's Comets swamped Phoenix 57 to 0 here Friday evening in a non-league gridiron ruckus. Holding the upper hand all the way, the Comets were in front 12 to 0 at the quarter, 25 to 0 at halftime and 43 to 0 after three chukkers of contention.

George Juveland crossed the Pirate goal four times. Jerome McQuade and Ron Harrison, Bob Fowler and Don Goyette once apiece in the nine-touchdown barrage. McQuade by placement and Dave Parker and Lee Gossett on runs collected extra points. Parker is a tackle and did his first scoring for Crater.

One Juveland TD was on a 10-yard run ending a 53-yard push. He went 35 yards for his next and ran the second half opening kick-off 78 yards for his third. He took a pass from Wayne Allen to score on a 30-yard play.

Harrison scored in the first quarter. Dick Davis had blocked a punt and Carl Koellner had taken the ball to the 10-yard line. Harrison went the final yards. Fowler went five yards for a TD, ending a 40-yard push. McQuade took a pass from Allen to tally on a 35-yard play and he went the last five of a 40-yard shove. Goyette scored on a 40-yard punt return.

Crater ran up 413 yards from scrimmage while holding Phoenix to 33. The Comets had 17 first downs and Phoenix three.

McLoughlin Tips Ashland Eleven 20-14

McLoughlin Junior high turned a pass interception into a third quarter touchdown Friday afternoon to come from behind and defeat the Ashland gridders in a ninth grade fracas. Scores was 20 to 14 in the game played on the McLoughlin gridiron.

Robert Hamilton intercepted a Dickerson aerial in the third canto and ran the ball back to the 20-yard line. Curt Saltmarsh carried to the 12 and Hamilton packed the ball over from there. Skip Bennett ran the extra point.

Bennett cracked into the end zone for the Bulldogs in the first quarter and also carried on the conversion. In the same period Steve Gray broke loose around end and ran 65 yards to score for Ashland. Gray went around end to convert again.

A 15-yard jaunt by Lynn Knight got the Bulldog's their second TD and Ashland got a second quarter counter on a Dickerson to Tucker pass for 10 yards. A pass to Gray was good for the bonus to give the Ashlanders a 14 to 13 halftime edge.

McLoughlin had the margin in first downs in the hassle 13 to 3.

Lions Slim Grid Choice

The Detroit Lions are slim, halfpoint favorites to defeat the Rams at Los Angeles today in what shapes up as the top clash on the six-game National Football league card.

Detroit leads the Western Division with a 4-0 record but needs a victory to insure its hold on first place. Los Angeles, defending division champion, has lost three straight since winning its opener and needs a victory to stay within halting distance of the leaders.

The Chicago Bears are on the West Coast with Detroit for two contests with the pro circuit's California clubs and are eight-point choices to down the Forty-Niners at San Francisco. The Bears are second in the Western race with a 3-1 record while the Forty-Niners have a 1-3 mark.

In the other games, the Green Bay Packers are 2½ point choices over the Colts at Baltimore; the Cardinals are 7½ point favorites to boost their record to 5-6 by beating the Washington Redskins at Chicago; the Giants are 12-point favorites to defeat the Philadelphia Eagles at New York; and the Cleveland Browns are seven-point choices against the visiting Pittsburgh Steelers.

Oregon State Bevos Wallop UCLA 21-7; Boosts Rose Bowl Chances

By KEN WHEELER
United Press Sports Writer
Corvallis, Ore. — (U.P.) — Oregon State bottled up the once-mighty UCLA Bruins here Saturday and rolled to three touchdowns and a 21-7 Pacific Coast Conference victory.

It was the first conference loss for UCLA in 20 games. The win, the third in counting play against one loss, materially boosted the Beaver Rose Bowl stock.

Tom Berry, pile driving fullback for Coach Tommy Prothro's Beavers, punched across all three of the Oregon State touchdowns after a pair of speedy backs had set up the scores.

The first score of the game went to UCLA as Barry Billington battered through the left side of the Beaver line from 11 yards out with 1:37 left in the first period. UCLA never threatened after that.

Rain Threatens
A crowd of 17,000 homecoming fans braved threatening weather in the open stands of Parker stadium to witness the contest. Rain held off until early in the fourth quarter and then began falling on already soggy field.

Prothro sent in a complete new team late in the third period and the fresh troops immediately ground out the third Beaver touchdown.

Both teams stuck to the ground throughout the game and seldom took to the air. However, a 22-yard aerial from Paul Lowe to Bob Degrant in the final seconds of the first period set up the first Oregon State touchdown.

The win was the first for Oregon State over the Bruins since 1948 and also marked the first time that the Beavers have been able to score on UCLA since 1950.

UCLA could not muster a serious drive after its initial penetration in the first period. The Oregon State line, outcharging UCLA, broke through continually to throw Bruin backs for losses that bogged down any drive before it could get off the ground.

Lowe and Earnel Durden, the fastest men on the field, continually swept around the Bruin defense while Berry worked on the middle.

Durden streaked through the left side of the UCLA line late in the first period and raced from his own 25 to the Bruin 24 where the last man between him and the goal line finally stopped him as the quarter gun sounded. It took only three plays, one of them Lowe's pass to Degrant to get the equalizing touchdown.

Buzz Randall recovered a UCLA fumble midway through the second quarter and 18 plays later Oregon State had its second touchdown after covering 58 yards. Lowe chopped continual five to eight yard gains on the series, carrying seven

times. Berry carried over from the one-yard line.

The final Oregon State touchdown came barely three minutes into the fourth panel. The Beavers used only 14 plays to eat up the 77 yards after they took over control. John Clarke boot-ed his third extra point of the afternoon to rout out the scoring.

Johnny Podres Out of Navy, Injury May, Plague Pitching Effectiveness

By DAVID M. MOFFITT
Norfolk, Va. — (U.P.) — Lefty Johnny Podres was out of the Navy Saturday, medically discharged because of the same back injury he had when he was inducted, and which had plagued him throughout his pitching career with the Brooklyn Dodgers.

In fact, E. J. (Buzzy) Bavasi, general manager of the Dodgers, said in Brooklyn he was concerned over whether Podres could regain his pitching effectiveness.

Plenty of Trouble
"All I can hope now is that his back is not in any worse shape than it was when he left us to go into the service," Bavasi said. "Because he always had plenty of trouble with it."

Podres, who pitched the Dodgers to their one and only world championship against the Yankees in 1955 with 8-3 and 2-0 victories, received his medical discharge after a three-man medical survey board at the Portsmouth Naval hospital ruled to release him Friday afternoon.

Not Heard From
Podres disappeared quickly after being released and was out of contact with friends at this vast naval base. Dodger officials said they had not heard from him and his parents at Witherbee, N. Y., said they had not even heard that he had been discharged.

A spokesman at the hospital described Podres' chronic condition as a "spondylolisthesis symptom" which was not likely to affect his pitching.

Podres, who had been a 4-F

military reject until after his brilliant showing in the World Series was re-classified 1-A during the off-season.

Brodie Leads Indian Win

Stanford, Calif. — (U.P.) — John Brodie, who rallied his Stanford forces after Southern California had taken a two touchdown lead Saturday and led them to a 27-19 victory over the erstwhile undefeated Trojans before a crowd of 70,000.

The angry men of Coach Jess Hill, out to blast the Indians who remained pure and aloof while Southern California was racked up this summer for conference code infractions, intercepted two of Brodie's passes during the first half to set up touchdown marches of 37 and 42 yards.

But Brodie, with his club trailing 13-0, pulled it together and shot the Indians ahead for the day with a pair of 30 and 23 yard touchdown passes which sandwiched a scoring smash by himself from a yard out.

Action of APBA Shocks Official

Detroit — (U.P.) — The secretary of the Detroit International Regatta Association said Saturday he was "shocked" by the action of the American Power Boat Association in rejecting the disqualification of Seattle's Miss Thriftway in the Gold Cup race.

Leonard H. Thompson, secretary of the Detroit group, said "To me, it means that hereafter any race may be decided by expediency. . . . No official will feel safe in accepting an assignment without the fear that his reported observations will be ridiculed and jeered."

The APBA's Inboard Racing Commission voted this week to reject the disqualification of Miss Thriftway as the winner of the Labor Day weekend Gold Cup race on the Detroit River.

Bears Edge Washington

Seattle, Wash. — (U.P.) — Quarterback Joe Kapp intercepted a juggled ball and ran 54 yards for a fourth period touchdown to insure California of a 16-7 Pacific Coast conference victory over Washington Saturday before 31,000 homecoming fans.

Kapp's interception came at a time when the Huskies were red hot and threatening to overcome a 9-7 California lead. Halfback Luther (Hit and Run) Carr had put Washington back into the ball game with a brilliant 74-yard touchdown run.

Then Washington intercepted Kapp's pass and the Huskies, with Carr leading the way, were on the March again.

But Carr, a hero one minute, was a goat the next. He bobbed the ball threading his way through the tough California line. Kapp took it on the fly and raced to the end zone.

Since the end of the past season Thomas has been regarded as a likely trade prospect. During the World Series it was rumored several teams were anxious to acquire him.

The Pirates declined to say whether Thomas received a salary increase, but it was the second successive year that he was the first player to agree to terms.

Panthers Victor Over UO; Shanley Scores Webfoot TD

By JOHN CARROLL
United Press Sports Writer
Pittsburgh — (U.P.) — Quarterback Corry Salvaterra, pulling out all stops in the second half, guided Pittsburgh on an 80-yard scoring drive and then passed nine yards for a touchdown Saturday to lead the favored Panthers to a 14-7 victory over Oregon.

Salvaterra, a 190-pound senior from Wilkes-Barre, Pa., called on left halfback Corky Cost in the third period to carry five times for 50 of the 80 yards, then sent Jim Theodore over from the one for the game's first score. Salvaterra uncorked a looping pass to end Joe Walton in the end zone in the final quarter.

Avert Shutout
The Oregon Webfoots averted a shutout in the final two minutes when halfback Jim Shanley, a junior from North Bend, Ore., returned a punt 68 yards against Panther reserves to the Pitt 14. Four plays later second string fullback Fred Miklancic slanted off tackle for four yards

and the touchdown.

Oregon, under the guidance of former Pitt Coach Len Casanova, entered its first game against the Panthers in a two-touchdown underdog. But the Webfoots played the heavier Pitt team to a standstill in the first half.

Cost, injected into the starting lineup primarily to offset Oregon's speed, registered runs of 6, 26, 11, 5, and 2 yards, mostly on pithouts from Salvaterra.

Fumbles Again
Fumbles, which plagued Oregon in its three previous defeats, again played a major part in its loss today. Pittsburgh guard Ed Michaels dropped on the Oregon 41 early in the final period.

Salvaterra caught Oregon's defense napping in the final period with his second pass of the game. He tossed 24 yards to Theodore on the 24, then hit Walton in the left corner of the end zone.

Oregon moved to the Pitt 14 in the second period, but again a fumble jinxed the drive.

Facts on Nitrogen Fertilizing

Pressure Applications

Anhydrous ammonia (NH₃) injected into the soil under pressure spreads out laterally from the shank. The NH₃ forms a tear-shaped pattern. The placement area is 10-20 times larger than with other kinds of fertilizers. Young plants with limited root systems start feeding easily from this big nitrogen area—and keep feeding throughout the entire growing period.

Crops get maximum benefit from nitrogen injected the Shell way—under pressure. That's one reason why Shell NH₃ is your SURE way to fertilize with nitrogen.
