

**SENATOR SURROUNDED**—Democratic U.S. Sen. Wayne Morse is shown answering a barrage of questions from four women voters gathered around him. Both Sen. Morse and his Republican opponent, Douglas McKay, attended the Candidates Fair in Medford Saturday evening.

**SIGNS AUTOGRAPH**—State Sen. Robert Holmes, Democratic candidate for governor, took time out Saturday night to autograph some campaign literature for 11-year-old Jean Solin. Jean is the daughter of Mr. and Mrs. Larry Solin, 942 Park st. Mrs. Holmes watches at right.

**GREETING VOTERS**—Among GOP candidates at the fair Saturday were Gov. Elmo Smith, candidate to succeed himself, and Sig Unander, treasurer seeking reelection. Shown greeting voters are, left to right, Mrs. Smith, Gov. Smith and Unander.

**MANY ATTEND FAIR**—An estimated crowd of 1,500 attended the Candidates Fair, sponsored by the League of Women Voters and two political parties, Saturday night at McLoughlin Junior High school. National, state and most local candidates were in attendance.

### Candidates Fair Draws Big Crowd Saturday Evening

An estimated 1,500 Jackson county citizens filled the McLoughlin Junior High school gymnasium Saturday night to meet national, state and local office seekers at the Candidates Fair.

The event was sponsored by the League of Women Voters and the two political parties.

#### Out-of-Town Candidates

Out-of-town candidates attending were Democratic U. S. Sen. Wayne Morse; Douglas McKay, Republican ex-governor of Oregon and former secretary of the Interior, now candidate for the U. S. senate; Republican Congressman Harris Ellsworth; Charles Porter, Democratic candidate for congressman; Republican Gov. Elmo Smith; State Sen. Robert Holmes, Democratic candidate for governor; Sig Unander, Republican treasurer, and Monroe Sweetland, Democratic candidate for secretary of state.

Nearly all local candidates were present and were introduced.

According to Mrs. Helen Thomas, chairman of the Candidates Fair, the gymnasium was half full by 7:45 p.m., although the fair was to start officially at 8:30 a.m. A near-capacity crowd was reported until about 10 p.m.

#### Candidates Leave

Sen. Morse left for Brookings at 9:45 p.m., and McKay left a short time later. Most of the candidates had left by 10:30 p.m.

The Republican party was awarded a gavel for having the greatest number of representatives present. The prize was sponsored by the Mail Tribune. Winning the prize as the oldest voter present was H. G. Wilson, 84, Ashland. Prize for the youngest voter present went to Jim McDonald, 24, Medford. Special prizes were presented every half hour.

Firms donating prizes were Mann's Department store, Burelson's, Barker's Men's store, Bear Creek Orchards, Home Appliance, Thornton Lumber in Phoenix, Thrift Market in Central Point, Julie Tummers' Mon Desir, Weistfield's, Dave's Restaurant supply, City Appliance and Wainwright's Drug store.

### Man Burned to Death In Car Near Yreka

Yreka, Calif.—(U.P.)—An unidentified man was burned to death in a stolen car parked on the side of Highway 99 about 20 miles south of here, police reported today.

Motorists spotted the blazing car Sunday night. Two of them, Edward Rake and Sam Bass, both of Walla Walla, Wash., stopped and smashed in the windows in an attempt to rescue the occupant. The man was dead when removed from the vehicle.

A check with the Multnomah county, Ore., sheriff's office revealed the car had been stolen Oct. 22 in Portland and belonged to George W. Jones, Portland. The sheriff's office said two vagrants were suspected of stealing the car. A check at the Dorris, Calif., inspection station disclosed that three men drove through in the car Saturday.

Portland—(U.P.)—Lloyd E. Enfield, 26, who escaped from Washington State prison at Walla Walla earlier this month, was arrested by state police near Millwaukie south of here Saturday.

### Weather

FORECAST: Cloudy with rain through Tuesday. Snow above 3,500 feet. Low tonight 38. Highest yesterday 49. Lowest this morning 39. To 10 a.m. today 41.

### Our Skies Tonight

Sunrise 6:41 a.m. Sunset 5:09 p.m. Moonrise Tuesday 3:24 a.m. New Moon Nov. 2. Morning stars Venus and Jupiter tonight form a triangle with the moon. These two bright planets are now both in the constellation Virgo. Venus is the brighter of the two.

## PRESIDENT SAID IN GOOD HEALTH

Washington—(U.P.)—President Eisenhower's week end medical checkup turned out as he and his doctors expected—with the Chief Executive giving "every appearance of being in excellent health."

The President spent part of Saturday and most of Sunday at Walter Reed Army hospital undergoing a "head-to-toe" physical examination.

After checking everything from his teeth and eyes to his colon and the pulse rate in his feet, a group of eight doctors came up with the "excellent" verdict. It was delivered not long before Mr. Eisenhower began a strenuous final round of reelection campaign speeches.

Dr. Paul Dudley White, the Boston specialist who treated the President after his heart attack, said that in view of the results of the week end tests he had no doubts about Mr. Eisenhower's ability to stand up under the rigors of the political campaign.

White said that the results of his part of the examinations, the cardiovascular portion of the tests, provided "excellent news" on the President's condition, particularly "after a period in which the President was very busy."

Mr. Eisenhower himself was feeling demonstrably well as he left the hospital. He walked down the steps of Walter Reed Sunday afternoon with Maj. Gen. Leonard D. Heaton, commanding officer of the army medical center, and Maj. Gen.

Howard McC. Snyder, the White House physician. Asked how he felt, the President said, "fine, fine."

"At least, I feel physically fine," he added. "Now, if they could just get those other worries off my head."

Snyder and Heaton signed the medical report, but the White House explained that the findings were subscribed to by the six other participating physicians plus the department heads at Walter Reed.

His current weight is 172 pounds, compared with 168 before he underwent abdominal surgery last June 9. While he was in the hospital recovering from the ileitis operation, his weight dropped to 158½ pounds.

He weighed 178 immediately prior to his 1955 heart attack. The physicians found that he had made an "excellent recovery" from the June surgery on his colon.

Dr. Paul Dudley White, the Boston specialist who treated the President after his heart attack, said that in view of the results of the week end tests he had no doubts about Mr. Eisenhower's ability to stand up under the rigors of the political campaign.

### Poland Purging Those Opposed To Gomulka Regime

Warsaw, Poland—(U.P.)—Poland's new Communist regime was reported purging its ranks today of men who opposed the new leader, one-time Titoist Wladyslaw Gomulka.

The new leadership, Sunday night announced it had freed Stefan Cardinal Wyszynski and restored him to his post as Catholic primate of Poland. The announcement came 25 months to the day after he had been stripped of his religious office and placed under confinement.

At the same time, the Zolce Warsaw, Poland's second largest newspaper, sharply criticized the Soviet Union for treating Poland as a "second class cousin."

Informed sources said Gomulka, the new Communist party leader, had been carrying out the purge for almost a week and that nine first secretaries had been fired in district branches for suspected antipathy toward the Gomulka regime.

The sources said firings of the officials appeared to be based on the premise that if they were not with Gomulka they were against him.

Gomulka took over as party leader two weeks ago following a bloodless coup which saw the ousting of Stalinists from the government.

### Crosby Contempt Request Studied

Portland—(U.P.)—Circuit Judge Frank J. Lonergan today had under advisement a motion by two assistants to the attorney general asking that Clyde C. Crosby, Oregon Teamsters union leader, be cited for contempt of court.

The motion came Saturday at the close of a hearing in Judge Lonergan's court. At the hearing nine Teamster officials and pinball industry figures attempted to show that they had not been given proper warning about their constitutional rights before appearing before the grand jury this summer.

The work will continue until Friday. SP crews are relaying and retying tracks at the crossing. They completed work on the south half of Main st. last week. Repair work at the 11th, Fourth and Jackson st. crossings is planned.

City police posted "no parking" signs on the south half of Main st. this morning to provide two lanes of traffic.

### Six Reno Escapees Taken at Red Bluff

Reno—(U.P.)—Six of eight prisoners who escaped from the Washington county jail here by burrowing through a brick wall with broken shower pipes were recaptured early today by Red Bluff, Calif., police, Sheriff C. W. Young reported.

Young said he had been informed that the fugitives, who had armed themselves with two sawed off shotguns, two pistols and a rifle, were spotted shortly after midnight while parked in a Red Bluff residential area by a patrol car. They apparently offered no resistance to arresting officers.

## Russian Soldiers Quitting Hungary

Vienna—(U.P.)—Rebels in Budapest have begun to lay down their arms and Russian troops and tanks are leaving the battle-scarred city, Radio Budapest announced tonight.

The broadcast said Russian troops "will complete their withdrawal from Budapest 24 hours after all resistance groups have delivered their arms."

The broadcast, if it could be believed, indicated an agreement had been reached between the rebels and the government of Premier Imre Nagy.

But the first announcement by Budapest Radio was treated with caution. There have been several broadcast reports that the revolution was over, peace restored and order reinstated. Each such announcement was followed by a new outbreak in fighting.

Resistance groups in Budapest have started to deliver their arms to the Hungarian troops, Radio Budapest said.

There was no direct confirmation from Budapest. Communications between the Hungarian capital and the West were still cut off, with only sporadic contact during the morning.

A dispatch filed by United Press Staff Correspondent Anthony Cavendish from Budapest today said that "Soviet troops are still here."

But a great number of tanks and infantry were pulling out of the city Sunday night as Cavendish walked in following a flight from Warsaw.

Budapest Radio itself complained today that Soviet forces were not leaving fast enough. Departure of the Russians left the city open for the triumphal entry of victorious revolutionary forces now demanding negotiations for a democratic government with the frightened Nagy.

Nagy's party mouthpiece, Szabad Nep, said the revolution was a "full victory" for the Hungarian people.

And it rejected Soviet charges that "American imperialist circles" were behind the uprising. Such a charge is an "insult to our people," it said. The revolution was a "national uprising directed by the free will of the Hungarian people."

### Malheur Forest Land Withdrawn by Interior

Washington—(U.P.)—The Interior Department today announced withdrawal of three separate tracts embracing 360 acres of public land in the Malheur national forest in Oregon and the Coconino and Tonto national forests in Arizona for use of the Forest Service as administrative sites.

The order closes the lands to staking of mining claims and to mineral leasing except for oil and gas, provided that no part of the surface of the withdrawn lands may be used for prospecting, mining or removal of oil and gas in a manner which will disturb the surface.

## Operation Claimed Necessitated by Continuous Acts

Jerusalem, Israel—(U.P.)—An Israeli Army communique tonight announced that Israel defense forces penetrated and attacked Egyptian "suicide commando" bases near a road junction leading toward the Suez Canal.

"This operation was necessitated," the communique said, "by continuous Egyptian military attacks on citizens and on Israel land and sea communications."

Washington—(U.P.)—News of today's Israeli attack on Egyptian positions was flashed immediately to President Eisenhower and Secretary of State John Foster Dulles.

There was no immediate comment from U. S. government spokesmen. But high officials made no attempt to hide their concern.

The communique said that units of the Israel defense forces "penetrated and attacked Fedayeen suicide commando bases in the Kuntilla and Ras El Naqb area and have taken up positions west of the Nabei Road junction towards the Suez Canal."

Kuntilla is about seven miles inside the Egyptian border west of the Israeli Negev Desert. It is a good 125 miles southwest of Jerusalem.

Ras El Naqb is also within Egyptian territory, some 10 miles northwest of the Israeli port of Eilat on the Gulf of Akaba in the extreme south.

Mention of the road junction "towards the Suez Canal" was actually a reference to the highway leading from Kuntilla west across the Sinai Desert to Port Suez, southern junction of the waterway which Egypt's President Gamal Abdel Nasser nationalized last July 26.

Kuntilla is about 110 miles from Port Suez.

There was no immediate indication that the Israel forces were moving west towards the canal.

### American Evacuation Machinery Set Up

Washington—(U.P.)—The United States today set up machinery for evacuating American dependents from the tense Middle East and consulted with Britain and France on how to prevent an outbreak of war there.

President Eisenhower said Sunday the United States views the situation with "grave concern." He disclosed that he had sent two urgent and personal appeals to Israel not to touch off a Middle East war.

### Cottage Grove Blast Claims Fireman

Cottage Grove—(U.P.)—Wayne Franklin McCall, 29, fireman burned when a butane storage tank of the Cottage Grove Gas Co. blew up a week ago, died last night in a local hospital.

Harold Dean, fireman taken to the Sacred Heart hospital in Eugene with burns suffered in fighting the fire that followed the explosion, was reported still in critical condition.

Some 20 persons were injured in the fire, which also destroyed an adjacent house.

## West Looks for UN Action Against Russia

United Nations, N.Y.—(U.P.)—United States actively backed the rebellion through congressional appropriations of more than \$125 billion to back anti-Communists in the Iron Curtain countries. He charged that the three Western powers raised the Hungarian issue in the UN as a "propaganda maneuver" and that it was tied in with the U.S. presidential elections.

U. S. Ambassador Henry Cabot Lodge Jr., retorted that "there is a limit even to the absurdities of Soviet propaganda."

The United States, Britain and France Sunday convened an emergency session of the council to file a formal protest. The council voted to consider the Hungarian question despite Soviet objections and a Yugoslav abstention.

The council was to meet this afternoon to take up France's charge that Egypt has smuggled arms to Algerian rebels in what it called interference in France's domestic affairs.

The Sunday session lasted five hours and 34 minutes without a break. It heard the Western Big Three supported by all other members except Yugoslavia and Iran call for an end to Soviet suppression of the Hungarian rebellion.

Russian Ambassador Arkady A. Sobolev charged that the United States actively backed the rebellion through congressional appropriations of more than \$125 billion to back anti-Communists in the Iron Curtain countries. He charged that the three Western powers raised the Hungarian issue in the UN as a "propaganda maneuver" and that it was tied in with the U.S. presidential elections.

### State Has No Legal Authority To Pay Multnomah Probe Costs, Thornton Says

Salem—(U.P.)—The state has no legal authority at this time to pay any of the expenses of the investigation or prosecutions of alleged vice and crime in Multnomah county, Attorney General Robert Y. Thornton advised Gov. Elmo Smith today.

Gov. Smith asked the attorney general for a ruling following receipt of a request from the Multnomah county commissioners that the Emergency Board allocate funds to pay expenses attendant to the investigation and prosecutions.

In his letter to the governor, Thornton quoted an Oregon statute stating that the county was required to pay the "costs, fees and other expenses" of the investigation and its resulting prosecutions. He noted that the language of the statute was specific.

"Accordingly, until the legislative assembly, in its wisdom, sees fit to change the law, it is my opinion that the state has no legal authority at this time to pay any of the expenses of the investigation or prosecutions which have been, or will be submitted to the Multnomah county commissioners for payment," Thornton said.

However, he added that "in view of the extraordinary financial burden placed on Multnomah county by these impending prosecutions, I intend to recommend to the 1957 Legislature that serious consideration be given to assisting the county in the matter with a state appropriation to cover one-half the cost of such prosecutions."

The State Emergency Board is empowered to allocate funds to any state agency between sessions of the legislative assembly to carry on an activity required by law for which an appropriation was not made.
