The Medical Roundup

by Walter Alvarez

Ergotamine, Reliever of Sick Headaches

A fine woman, whose life recently has been made over by the use of ergotamine, a drug which stops terrible sick headaches, asks me why so many physicians will not permit their patients to use it. I have to answer that that is one of the medical puzzles of today.

Dr. Alvarez

tempt to diagnose by mail. (Released by The Register and Tribune Syndicate 1956)

Fashion expert Christian Dior says that dresses will be two inches longer this year.

Thrifty women can achieve the same effect by scooting their knees up about two inches on their legs.
