

Rector and Wife to Be Hosts For Annual Open House Sunday

The Rev. and Mrs. George R. V. Bolster have planned their seventh annual at home for Sunday, November 4. The Rev. Mr. Bolster, rector of St. Mark's Episcopal church, and Mrs. Bolster, came here from Bend in September, 1949, and have held open house each fall since that time. Sunday's event will be held at the rectory, 203 North Oakdale avenue, and members and friends of the church are invited to call between two and five o'clock that afternoon.

Halloween Party Held Wednesday By Youth Of Assembly of God

The annual Halloween party for Christ Ambassadors youth group of First Assembly of God church was held Oct. 30 at 8 p.m. in the church annex, 1108 West Main.

The annex was decorated with traditional black and orange colors, jack-o-lanterns, and corn stalks. Party guests arrived in unusual costumes for the occasion.

A variety of games were played during the evening followed by a song-fest before the fire-place. Refreshments were served at the conclusion of the party to the 64 guests.

Mrs. Marjorie Cowan was chairman of the refreshment committee while Don Kahl, Don Strong, Chloe Twedell and Nick Standfield were on the program committee. Mrs. Beulah Cull, wife of the church pastor, chaperoned the annual event.

New Light Given on How British Kept Americans in Dark on Egypt

Washington — (UP) — Additional details have come to light on how British diplomats kept American diplomats in the dark about plans for military action against Egypt.

The British maneuvering has been protested strongly, and cables still are humming between Washington and London trying to get things back on the track after a virtual complete breakdown in diplomatic contact.

As reconstructed by American authorities, here is what happened:

Secretary of State John Foster Dulles became alarmed at the ominous signs of trouble building up in the Middle East. Envoys in London and Paris were asked to find out what was going on.

When they made contact with the British and French foreign offices, American diplomats got no inkling that a big power play was shaping up. And some information obtained now is described as "misleading."

Misleading Statement

Recently, according to American sources, British Foreign Secretary Selwyn Lloyd passed the word to Dulles that he planned to see him in advance of the Nov. 12 meeting of the U.N. General Assembly. The purpose of the meeting, it is said, would have been to discuss a "peaceful" solution of the Suez crisis. Dulles took this as a sign that Lloyd was not thinking in terms of using force.

Lloyd also is said to have

passed up opportunities in talks with U.S. Ambassador Winthrop Aldrich to keep the United States abreast of developments. Aldrich had been seeking information on an urgent basis.

No Hint of Move

Lloyd conferred in London with Aldrich Monday morning—the day before the British and French started military action

against Egypt. The British diplomat complained about American plans to put the Israeli aggression against Egypt before the U.N. Security Council. But he gave no hint, officials said, that a military move against Suez was under consideration that day.

Officials confirmed a report that British diplomats "have been confronted by the United States with evidence that British Foreign Secretary Selwyn Lloyd gave a deliberately misleading account of events to America's ambassador in London, Winthrop Aldrich . . ."

Childress said the bandit approached him when Childress was opening the Melrose branch of the bank here.

"It was exactly 8:43 a.m. I know because the holdup man asked me what time it was," Childress said. He said the bandit then stuck a pistol in his back, saying:

"This is a holdup, don't be funny."

Motorists Warned To Carry Chains

Salem — (UP) — The Oregon Highway Department today warned motorists to carry chains on trips through mountain passes as spots of ice formed on highways in the wake of Thursday's general snowfall.

State maintenance crews continued efforts to restore two-way traffic on Highway 42 south-east of Roseburg where a slide partially blocked the Tiller-Trail road.

Crater Lake highway, state Highway 62, was re-opened by plows. All passes, with the exception of the McKenzie pass and West Diamond lake, were reported open to traffic. Skies were generally overcast with warming weather bringing rain to Siskiyou pass and Green Springs mountain on Highway 66 between Ashland and Klamath Falls.

North of Klamath Falls, Sun mountain Secondary highway 232 was closed by snow and east of Portland a slide near Latourell Falls choked traffic on the Crown Point secondary highway to a one-way flow.

Only new snow reported was 1 inch at Bly and 1-2-inch at Basque.
