Reno — (U.P.) — The winless University of Nevada football team Saturday scorned the offer of a San Francisco hypnotist to put a snarl in the Wolfpack with his best Svengali technique.

Nevada Coach Gordon McEachron said he got a telegram from hypnotist Arthur Ellen making the offer, but merely put it on the bulletin board instead of answering it.

Ellen offered to put the grid-ders into a trance and give them a pep talk before they meet Humboldt State in their last game.

"The telegram didn't say whether he planned to hypnotize my players or Humboldt State," the coach said.

"As far as we're concerned, we are losing games because we've got a green ball club," the Nevada coach said.

Nevada has lost five and tied one this season.

"If Ellen can do any good for anybody, why doesn't he work on the San Francisco Forty Niners. I imagine also that Terry Brennan, Notre Dame, or Tommy Mont, Maryland, could use help but what they need most is ball players," McEachron said.

## Central Point Man Commits Suicide

Jacob E. Curtis, 56, route 2, box 658, Central Point, took his own life Saturday night by carbon monoxide poisoning, Coroner Carlos Morris reported today.

Curtis' body was found lying in the back seat of his car with the motor running. Sheriff's deputies and Central Point police were called by Curtis' 16-year-old daughter, Frieda May. They estimated the motor had been running about four hours. The vehicle was parked in a carport near the house.

According to deputies, a two-inch fire hose had been connected to the exhaust pipe and run through a rear window of the car. A cloth had been stuffed around the hose in the window.

Two suicide notes were found inside the house. According to the family, Curtis had been ill for a long time and was recently released from the hospital.

Funeral services will be held Wednesday at 3 p.m. in Conger-Morris funeral home.

## Three Hurt in Plane Accident at Eugene

Eugene — (U.P.) — Three persons were hospitalized here yesterday when a small private plane crashed at Mahlon Sweet airport as it attempted to make a landing.

In good condition today were Dr. Richard Allen Scofield, 26, and his wife, Margaret Ann Scofield, 25, of Eugene. Pilot of the plane, Robert Alexander Evans, 31, of Springfield, was reported to be in fair condition.

State police said that the plane had made two passes at the field before crashing in a plowed

round non-title "tune-up" bout with Bob Provizzi of Freeland, Pa., at New Haven, Conn., Saturday night. It will be the champ's only preparatory fight for his 160-pound title defense against Gene Fuller at the Chicago stadium Dec. 12.
