

### Dr. Mohr to Resume Dental Practice Here

Dr. Virgil H. Mohr, who has spent the past 18 months in the Air Force dental corps, will resume his practice of general dentistry Nov. 13 at his office, 304 Fuhrey building.

Dr. Mohr, his wife and three children returned to Medford after his discharge from the Air Force Oct. 15. He was a captain in the dental service and was stationed at Parks Air Force base, California.

During his tour of duty, he was one of five officers selected from air training command bases throughout the nation for post-graduate training in denture designing and fabricating at Lackland Air Force base, Texas.

In August, Dr. Mohr attended a course at the new University of Oregon dental school at Portland on new high speed equipment techniques for dentistry. He is having this new equipment installed in his office at the present time.
