BILL ROMBACH SAYS:
Some day soon, get in the old family bus & point it out West Main & drive a mile out in the country where we have a few head of cows, calves & bulls living on the field behind us. Sometimes they jump the fence & cause a real traffic hazard. It makes us so made we could shoot them. So when you are tired of sitting around the house and decide you want to look at the cleanest, largest & best priced collection of new & used furniture in the Valley, or if you just want to shoot the bull, we'll be glad to help you do either. We give time too.
