1920

Away back in 1920 when the Model T Ford was the popular car of the day—W. A. Gates and W. H. Lydiard founded the Economy Groceteria. At that time self-service was a new innovation and everyone predicted failure for the new-fangled venture. Today—with practically all the food business of the nation being sold "Self Service"—we feel we should pause a moment and pay tribute to the vision of those two far-sighted pioneers of the modern supermarket—W. A. "Bill" Gates and W. H. "Bill" Lydiard.
