Eden Temporarily Quits Public Life

Overwork Causes Need for Rest; Nothing Serious

Butler Summoned To Assume Leadership

London — (U.P.) — Prime Minister Anthony Eden, who withdrew temporarily from public life Monday night because of illness, was reported resting comfortably at his London residence today.

Informed sources said there was nothing in his condition to cause anxiety. The news reassured Britons who feared the Prime Minister's illness might pose a new threat to Britain's security in the Middle East.

He was reported suffering only from overwork.

Doctors visited the 59-year-old Conservative leader early today and said he was well enough to deal with the most important state papers.

Lady Eden, satisfied that the Prime Minister's condition was not serious, left London on a two-day trip, planning to return Wednesday night.

Eden turned over the job of guiding Britain during the next critical days to R. A. Butler, lord privy seal and leader of the House of Commons.

The Prime Minister called the usual Tuesday morning Cabinet meeting today and asked Butler to preside in his absence.

For the time being, it was said, there were no plans for Eden to go either to Chequers, his country home or to take the 1956 vacation which he has been denied by the pressure of events.

Commander Robert Allan, his parliamentary private secretary, said Eden's heart, blood pressure and stomach were "absolutely sound."

"It's just that he is frightfully tired," Allan said. "The doctors have been urging him to take a rest for some time, but it just hasn't been possible. Yesterday, it was decided he could not postpone it any longer."

Berrydale Group to Meet in School

The Berrydale Sanitary committee will hold the first in a series of public meetings to discuss problems of the area at 7:30 p.m. today in the Howarth school.

The committee was formed last week after the defeat of an annexation proposal in the Berrydale area in the general election Nov. 6. Nick Gier, chairman of the committee, said there will be a review of sanitation problems of the area, and the progress made to date in solving them.

Residents of the area who do not have transportation and plan to attend the meeting may telephone members of the committee at 3-1063 or 2-1275 for transportation, Gier said.

DOW-JONES AVERAGES
New York — (U.P.) — Dow-Jones fiscal stock averages: 30 Industrials 470.07, off 4.49; 20 Railroads 153.38, off 0.83; 15 Utilities 66.42, off 0.36, and 65 Stocks 167.11, off 1.30. Sales today were about 2,240,000 shares compared with 2,560,000 shares Monday.

Salem — (U.P.) — The average ex-GI with an Oregon Veterans' farm and home loan paid a property tax of \$135 this year.

Weather
FORECAST: Fair tonight and Wednesday. Low tonight 23. High Wednesday 37. Temp. Highest Yesterday 36. Lowest this Morning 23.

Our Skies Tonight
Sunrise 7:09 a.m. Sunset 4:45 p.m. Moonrise 7:23 p.m. Last Quarter Saturday. PROMINENT STARS: Altair, high in south-west. Fomalhaut, due south 5:46 p.m. VISIBLE PLANETS: Mars, due south 7:46 p.m. Jupiter, low in east 7:59 a.m. Venus, rises 4:31 a.m.

Fourth Annual Christmas Parade Will Be Led by Santa; Floats Are Entered

The fourth annual Christmas opening parade will start at 8:30 p.m. Wednesday, Nov. 23, with Santa Claus leading it, according to Bill Kramer, president of the Medford Junior Chamber of Commerce and parade chairman.

Kramer said Santa Claus will distribute candy to children as the parade continues. About 40 floats from various organizations in the county have entered the parade, he said. Thirteen cash prizes will be awarded for the best floats, he added.

The parade is being sponsored by the Medford Jaycees in conjunction with the Medford Merchants association.

It will start at Hawthorne park, proceed west on Main st. to Holly st., north on Holly, east on Sixth st., south on Central ave., to Eighth st., east to Bartlett st., north on Bartlett st. to Main st. and east to Hawthorne park.

About 150 invitations have been mailed to county groups requesting entry of floats in the parade. Kramer added that he expects attendance this year to exceed the 8,000 that lined Medford streets last year for the parade.

The parade chairman also issued an appeal that more county organizations enter floats in the parade. There is no deadline for entering a float in the parade, he said. Those interested are asked to contact Kramer by telephoning 2-6209.

Eden Joins Appeal For UN Observers To Enter Hungary

Personal Note Sent Bulganin

United Nations, N. Y. — (U.P.) — British Prime Minister Anthony Eden added his diplomatic weight today to UN appeals to Russia and the Hungarian government to admit observers to the revolt-scattered country.

He sent a personal note to Soviet Premier Nikolai Bulganin saying Britain would welcome the admission of UN observers for an on the spot investigation.

The General Assembly has received no encouragement from either Budapest or Moscow for its resolution asking that facilities for free travel in Hungary be granted to such a team.

The assembly had before it also a resolution submitted by India, Indonesia and Ceylon urging the Hungarian regime to admit UN observers "without prejudice to its sovereignty."

The United States announced "warm support" for a Cuban resolution to end the deportations and said it would also support the measure sponsored by India, Ceylon and Indonesia.

Many Hungarians Flee
While the assembly's debate proceeded, Secretary of State Dag Hammarskjold reported that 34,000 free Hungarians have fled into Austria and 2,000 refugees still are streaming across the frontier.

Hammarskjold issued an interim report on the refugee situation while the General Assembly devoted its second full day to debate of a resolution calling on Russia to end immediately the deportation of Hungarian youth to Siberia. The United States answered Soviet denials of deportations with figures showing that 16,000 persons have been sent to Russia in sealed boxcars since Nov. 14.

On the outcome of the political struggle may depend the future of Soviet Communist Party Leader Nikita S. Khrushchev and his program of "de-Stalinization" — and Tito's future as a Communist leader, diplomatic observers reported.

Belgrade dispatches said Tito was confident he could win such a struggle for power. He won once before when he dared to defy Josef Stalin in 1948. Tito was ousted from the Cominform, the loose organization of Communist states, and only recently regained Kremlin favor.

The new break with Moscow began on Sunday, Nov. 11 when Tito made a speech denouncing Soviet Stalinists for their attitude towards Hungary. He told the world that a sharp division existed among the Russian leaders.

Gigantic Explosion Discharged in Utah

Lakeside, Utah — (U.P.) — A massive explosion with 1 per cent of the potency of an atomic bomb today ripped more than 1,000,000 tons of limestone rock from the face of a barren Utah cliff.

It was the third largest non-atomic explosion recorded in the United States.

The blast pushed the face of the cliff about 250 feet outward over where a road had been.

The explosive charge was 360,000 pounds of powder and ammoniac nitrate of ammonium that has about half the energy yield of TNT.

The blast was designed to provide rock to be used in Southern Pacific railroad's \$49 million, four-year project of replacing with stone and concrete 12 miles of wooden trestle on Southern Pacific's famous Lucin cutoff across the northern end of Salt Lake.

Washington — (U.P.) — The Agriculture Department says net farm income for this year is up slightly from 1955 in the first increase since 1951. It forecast another gain for 1957.

Hearing to Continue Before Council Today

The Medford city council will continue a public hearing on annexation of the Free Methodist church property on South Peach st. to the city at 7:30 p.m. today.

The council will also consider calling a public hearing on the change of zone on Grape st. between 10th and 11th sts. from class II (multiple family) to class IIIA (limited commercial).

The Medford planning commission will hold a public hearing on rezoning property in the southeast Medford area at a special meeting at 5:30 p.m. today.

DAMAGE MAY INCITE MOBS—This scene of desolation resulted after an aerial bombardment of Port Said preceding the Anglo-French invasion of the Suez Canal city. Egypt announced that it has put all British and French residents under restricted residence to protect them from mobs angered by what it calls Anglo-French atrocities in the invasion.

Tito Said Ready For Another Fight With Soviet Bosses

London — (U.P.) — Marshal Tito of Yugoslavia was reported embarking upon a second major battle with Kremlin leaders today. There were unconfirmed reports of Soviet troop movements toward the Yugoslav border.

The bureau of land management and forest service have requested that a strip of land on each side of Rogue river between Prospect and Gold Beach be withdrawn for recreational uses.

Representatives of the mining industry claimed that much of the area along the river is known to have high mineral value, and that development of minerals is essential to the economic growth of the area and is essential to national defense.

They also claimed the withdrawal was punitive to miners.

Several Prospectors
Opposing withdrawal were several prospectors, Sherman Smith, Grants Pass attorney representing an Isaak Walton league chapter; Fay I. Bristol, president of the Oregon Mining association and a representative of the American Mining council; and Hollis N. Dole, director of the state department of geological and mineral industries.

Those supporting the withdrawal claimed the need for more recreational facilities annually with increased tourist trade and shorter working hours.

Medford Men Slated To Appear in Court

Two Medford men arrested by state police yesterday on charges of burglary and auto theft are scheduled to appear in court at 9 a.m. tomorrow.

David Walker Laffin, 28, 1032 Cherry st., Medford, and Jack T. Stallworth, 29, 106 Lincoln st., Medford, were arrested about 2:30 a.m. Monday while carrying a safe containing about \$2,000 out of Cubby's Drive-In restaurant, 1275 South Riverside ave., Medford.

They were attempting to carry the safe to a car, according to state police, which had been reported stolen.

Administration To Seek Dock Strike Injunction
Washington — (U.P.) — The administration will seek an 80-day "national emergency" Taft-Hartley injunction to halt the East and Gulf Coast dock workers' strike unless it is settled quickly, informed sources said today.

Honolulu — (U.P.) — Three carriers, accompanied by a heavy cruiser and eight destroyers, arrived at Pearl Harbor Monday as part of the Navy's plan to reorganize its forces in the Pacific.

Traffic Normal on Oregon Highways

Salem — (U.P.) — Oregon's highway traffic moved normally — without chains — today through mountain passes, but drivers were warned to watch out for spots of ice on many routes.

Highway department sanding crews were reported busy at Government Camp, Warm Springs junction, Santiam pass, Willamette pass and around Meacham and Austin. Packed snow was reported at those points.

Spots of ice were reported on highways near Wilson River summit, Sunset summit, Troutdale, Astoria, Tillamook, Salmon river, Bend, Baker, and John Day.

Drivers again were warned to watch for falling rocks and ice along highway 22 near Detroit.

Salem — (U.P.) — Oregonians who are able to do so are asked by Gov. Elmo Smith to join in the national program to resettle Hungarian refugees in this country.

Opposition to Withdrawal Voiced By Mining Interests at Hearing

Grants Pass — Mining interests in southern Oregon voiced opposition to a proposed withdrawal of 23,358.67 acres of land along Rogue river at a public hearing which ended shortly after noon here today.

The bureau of land management and forest service have requested that a strip of land on each side of Rogue river between Prospect and Gold Beach be withdrawn for recreational uses.

Representatives of the mining industry claimed that much of the area along the river is known to have high mineral value, and that development of minerals is essential to the economic growth of the area and is essential to national defense.

They also claimed the withdrawal was punitive to miners.

Several Prospectors
Opposing withdrawal were several prospectors, Sherman Smith, Grants Pass attorney representing an Isaak Walton league chapter; Fay I. Bristol, president of the Oregon Mining association and a representative of the American Mining council; and Hollis N. Dole, director of the state department of geological and mineral industries.

Those supporting the withdrawal claimed the need for more recreational facilities annually with increased tourist trade and shorter working hours.

Three Medford Boys Arrested by Police

Two Medford boys, aged 16 and 13, were arrested on charges of larceny and auto theft Monday after stealing a Willys jeep from the Pioneer Trucking company lot, 401 East McAndrews rd., Medford, according to Medford police.

The car was registered to James Allen Woodriddle, 3410 North Pacific highway, Medford. Woodriddle caught one of the juveniles when the pair returned the car to the lot after driving around Medford for about an hour, according to police.

Woodriddle told police he had been at the lot looking for his car when he noticed the boys returning in his jeep. He chased one of them, officers said, while the other got away. The other boy was taken into custody later, police said.

Police said the boys admitted the theft, and cleared eight other cases during the past two months, including two stolen car reports. Other cases cleared, police said, included several minor thefts, and complaints of damage.

Both boys were released to their parents to appear before juvenile authorities.

A 17-year-old Medford boy was arrested Monday on charges of taking two sport shirts from the Medford bowling lanes during the past month, police said.

The boy was released to his parents to appear before juvenile authorities.

Encephalitis Case Listed In Jacksonville Last Week

One case of encephalitis, a disease similar to sleeping sickness, was reported in Jacksonville county last week, according to Dr. A. Erin Merkel, public health physician.

Dr. Merkel said encephalitis is a complication of another disease or upper respiratory infection. In the case listed, Dr. Merkel said encephalitis resulted from the complication of influenza. It is not contagious, he said. The case was in Jacksonville.

Also reported last week were two cases of infectious hepatitis, a virus infection of the liver. One case was in Central Point and the other in Medford. There have been about 49 cases of infectious hepatitis in the county this year, Dr. Merkel said.

Fourteen cases of influenza cases were reported in Medford last week, and two in Ashland. One case of spinal meningitis was reported in Medford. The case developed in a local hospital, and immediately isolated, Dr. Merkel said. It was the second case of spinal meningitis this year, he said.

Other communicable diseases reported to the county health department last week included six chicken pox, four measles, five pneumonia, one infectious mononucleosis, one diphtheria, two impetigo, one mumps and one strep throat.

Three BLM Officials Visit in Medford

Three officials of the bureau of land management visited the district BLM office here yesterday, conferring with E. K. Peterson, district forester, and other officials of the district BLM advisory board.

They were Garth Rudd, financial officer from the regional office in Portland, Russell Gentry, assistant state supervisor in charge of western Oregon operations, and Lewis Miller, organization and management officer from the Washington, D.C., office.

They met with L. L. Simpson, chairman, and B. L. Nutting, vice chairman, of the local advisory board, to discuss functions and value of the system of boards which serve in an advisory capacity to district foresters. Their visit coincided with a meeting of the local board held here yesterday.

Oregon City Blaze Fatal To Fireman

Oregon City — (U.P.) — A fireman died here early today as a three-alarm blaze swept through the Oregon City Glass Company.

The victim was George Meade, who was pronounced dead at a local hospital after suffering from smoke inhalation.

The fire broke out about 12:04 a.m. and was brought under control about 1 a.m.

The glass company was heavily damaged but there was no immediate estimate of loss. Some automobiles on the nearby Pankey Motor Company used car lot were blistered and the fire for a time also threatened Arnold's cafe.

Consolidated Requests Coast-to-Coast Route

Washington — (U.P.) — Consolidated Freightways, Inc., today asked for permission to establish coast-to-coast service through the purchase of six eastern trucking firms.

In its application to the Interstate Commerce Commission, the Portland, Ore., trucking company estimated the cost of acquiring the firms at about \$8 million.

Danger of New Fighting Noted As Charges Hurdled

London — (U.P.) — The first 197-man contingent of the U.N. police force to go into action was ordered today from its temporary canal zone base to Port Said.

London — (U.P.) — British and French salvage vessels were reported steaming toward both ends of the Suez Canal today in defiance of Egypt's declaration it alone had the right to unblock the waterway.

The danger of a new outbreak of fighting increased by the hour as each side blamed the other for breaking the cease-fire and Egypt accused the Anglo-French troops of "atrocities" in the Port Said area.

Parliamentary sources here and in Jerusalem reported a stiffened attitude toward Egypt despite repeated Egyptian threats to bring in Soviet volunteers unless the British, French and Israeli troops withdraw at once. Troops To Remain

Parliamentary sources in London said Britain and France has decided not to pull their 15,000 or more troops out of the Canal Zone until the U.N. Emergency Force (UNEF) is "compelled" to take over the job of policing the area.

A dispatch from Jerusalem said all three nations were expected to remain in Egypt until they are satisfied Egypt will comply with the U.N. resolution setting up a 10,000-man police force. The sources said Premier David Ben-Gurion was determined not to be maneuvered into political concessions in the Sinai Peninsula by threats of Soviet "volunteers" coming to the Mideast.

Secretary General Dag Hammarskjold reports to the U.N. General Assembly today on his talks with Egyptian President Gamal Abdel Nasser in Cairo this week-end.

Some U.N. sources said he had accepted the Egyptian viewpoint that U.N. forces must leave once the Anglo-French troops pull out and had agreed on U.N. help for clearing the canal, now blocked by some 49 sunken ships.

Hammarskjold has indicated his concern at the closing of the canal. There was a possibility he would press Egypt to accept British and French salvage crews.

Ship Block Canal
