## Hays Says NATO To Grow Stronger

Paris—(U.P.)—U.S. Rep. Wayne L. Hays said Saturday there have been "differences" among member nations of the North Atlantic Treaty Organization, "but NATO will continue to grow and become stronger."

The Ohio Democrat is newly elected president of the 15-nation NATO Parliamentary Conference which ended a week-long meeting at the Palace de Chaillot here Friday.

"It was a useful experience," Hays said. "We have gotten to know each other better. Points of view were brought out—sometimes with extreme frankness."

"Most important is the fact that we were here as free men and women representing free peoples elected in elections which were not in any way dominated or interfered with by governments."

He said the meeting of 250 NATO parliamentarians "provided a great contrast" with the Soviet Union and its puppet satellite governments.

**Ambassador Recalled From Israel by Turkey**

## Government Denies Wiretapping Case

New York—(U.P.)—The government denied Friday it had resorted to wiretaps to obtain information against defendants in the Victor Reisel acid-blinding conspiracy.

Matthew Brandenburg, defense attorney for Domenico Bando, Giondolfo Miranti, and Leo Telvi, brought up the wiretapping question during his cross examination of FBI agent Lawrence H. Bracken.

Bracken denied that any wiretapping information had been used in the case.

Judge William B. Herlands then asked Brandenburg if he had any information that wiretaps had been used.

"The information I have is that there was wiretap used," Brandenburg replied.

U.S. Attorney Paul W. Williams, questioned by Herlands, denied knowledge of wiretap information or "any leads from wiretapping."

Information obtained by the use of wiretaps is not admissible in federal court trials.
